1) Since both elective members of different ULBs & employees engaged under different health schemes are communicating with us, regularly, in regard to enhancement of honorarium/salary and the old file moved on Dec-2017 & Jan-18, and the fate of which is not known to us.

2) In the old file, we have enclosed communication of different ULBs in which English Bazar & Naihati were not present. Now, as they are now submitting the same requisition for enhancement, we are now incorporating them in this file. Submitted
