**Issues concerning speedy implementation of
Community Based Primary Health Care Services in 63 Non-KMA ULBs**

1. Immediate engagement of Health Officer – Health Officer is the pivot for implementation of the Health programme starting from training of HHWs and to take up activities in subsequent phases.
2. Some interim arrangement in respect of engagement of at least one Medical Professional at each of 63 ULBs may be considered till engagement of Health Officer by the ULBs after obtaining instruction from the Dept.
3. Restriction of age group (at par with Municipal employees recruitment rules 2005) in respect of contractual engagement of manpower for one year for M & S Cell at ULB level is causing limited scope towards such engagement. It is to mention here that in earlier health programmes there was no such age group restriction.
4. Necessary orders from the Competent Authority is sought for immediate setting up of Management & Supervision Cell at SUDA Health Wing for proper supervision, monitoring and implementation.
5. Present honorarium of HHWs and FTSs in the project proposal has been mentioned as Rs. 1,000/- and 1,170/- per head per month respectively, which is to be enhanced at a flat rate of Rs. 250/- per head per month as had been done in other Community Based Health Programmes.

Community Based Primary Health Care Services in 63 Non-KMA ULBs

A project on Community Based Primary Health Care Services in 63 Non-KMA Urban Local Bodies has been launched by the MIC, Health & Family Welfare Department and MIC, MA & UD Department on 24th February, 2006. This project will cover a total of 34.03 lakhs urban population with special focus to 11.23 lakhs BPL population.

The objective is – (a) to bring about an overall improvement in the Urban health scenario as a whole with reference to reduction in Crude Birth Rate (CBR), Crude Death Rate (CDR), Maternal Mortality Rate (MMR), Infant Mortality Rate (IMR) and enhancement of Couple Protection Rate (CPR), (b) to provide Primary Health Care service delivery to the urban population with focus on Reproductive & Child Health of BPL population, (c) to implement National Health Programme for total population, (d) to ensure maximum utilisation of Government Institutions for referral services.

The first year target is sensitisation of ULBs, formation of Health & FW Committee at ULB, creation of Management & Supervision Cell at ULB & Head Quarter Level, selection of HHWs, job orientation training of HHWs, orientation training of other health manpower, identification of Sub-Centres and initiation of service delivery at door-step of beneficiary & Sub-Centres.

Package of primary health care services i.e. antenatal / postnatal care, promotion of institutional delivery, immunization, promotion of breast feeding and proper weaning, growth monitoring of under-5 children, family welfare programme, RTIs, adolescent health care, treatment of minor ailments, surveillance of communicable diseases, conduction of various awareness programme will be provided to the urban population with focus to Below Poverty Line (BPL). Community participation will be ensured at all levels for successful implementation of this programme.

While the HHW shall be responsible for primary health care of the BPL families under her jurisdiction, she shall also be responsible for both public health services and health statistical data collection for the entire population within her geographic jurisdiction / project block. The Ward Councillor will monitor & supervise the activity at Ward level and co-ordinate the implementation of National Health Programme at ward level.

Le record

Some of the bottlenecks experienced in the process of implementation of Community Based Primary Health Care Services in 63 Non-KMA ULBs, where involvement of DHFW is required.

- Lack of sensitization & co-ordination at District level
 - Issuance of general instruction from DHFW to the CMOH concerned in respect of CBPHC.
 - Organising sensitization session with the CMOH, ACMOH, Supdt. of Govt. hospital concerned, Chairperson of ULB along with CIC Health, officials from Dept. of Municipal Affairs and SUDA.
- List of trainers (one Doctor and two nurses from Govt. hospital) nominated by CMOH is yet to be received in respect of 5 ULBs i.e. Kulti, Dinhata, Murshidabad, Raghunathpur and Diamondharbour – repeated reminders has already been sent by Director, SUDA to the respective CMOH.

district-wise chart

12.	Uttar Dinajpur	Dalkhola	27.03.2007

- Chairman of Dainhat Municipality (Dist. – Burdwan) communicated that trainers of DHFW refused to undertake any training session for the HHWs training programme for 45 days. Interim arrangement by the ULB in respect of hiring of a private practitioner for 45 days as training co-ordinator has been made and the training started on 20.03.2007. It may be appreciated that conduct of such training programme for 45 days by a single person is not feasible.
- It has been learnt that there is no provision at present for supplying the logistics like vaccine for immunization, FP materials, Vit. 'A' in oil, IFA, IEC materials etc. by the District health offices to the ULBs – (may be due to shortage of fund, and for absence of clear instruction from the DHFW). Service implementation could not be started at ULB level in absence of logistics and suitable manpower in most of the ULBs.
- Positioning of Health Officer in each of the ULB is due yet. In absence of the Health Officer in the ULB there is no technical person to implement, monitor & supervise the programme.
- Establishment of M & O Cell at SUDA with full staff is an essential requirement for management, monitoring & supervision of the programme.

**Issues concerning speedy implementation of
Community Based Primary Health Care Services in 63 Non-KMA ULBs**

1. In few cases there is some amount of delay in receipt of list of names of trainers (Doctors & Nurses) from CMOH concerned by the ULBs. DM and CMOH concerned are being requested by SUDA to expedite submission of such list to the municipality concerned.
2. Health Officer is the pivot for implementation of the Health project starting from training of HHWs and to take up activities in subsequent phases.

Departmental order be issued at the earliest for engagement of Health Officer in the ULBs concerned.

3. Simultaneously, Departmental order be also issued regarding engagement of Medical Officer, as applicable and other manpower for Management & Supervision Cell at ULB level to enable the ULBs to take further necessary action for selection and engagement of the required manpower towards formation of M & S Cell at ULB level in order to take forward the project works.

The Chairpersons of the ULBs concerned are pressing hard with regard to 2 & 3 above and anxiously waiting for the relevant orders.

4. Necessary orders from the Competent Authority for strengthening of Co-ordinating, Management & Supervision Cell at SUDA level is awaited.
5. A few minor problems like minor repair works of a room to accommodate and set up M & S Cell, hiring of accommodation to establish Health Cell and training purpose, regarding age limit of candidates for selection of HHWs etc. have arisen at some ULB level, which are being taken care of by SUDA.

Problems :

A) With regard to selection of HHWs -

- No. of ULBs receipt either no application or single application for no. of wards.
- Criteria of age is 25 to 35 years, at some municipalities suitable candidates under this age group is not readily available.
- Non receipt of application from BPL families in some of the wards in some ULBs.
- ULBs are busy with a no. of other programmes like KUSP Roll Out, JNURM etc. concurrently.

B) Non-existence of Health Officer almost in all the ULBs (excepting 4 ULBs). Unless Health Officer / Assistant Health Officer of the ULB is given responsibility for implementation of HHWs training, it would not be possible not only to start such training but also implementation of service activities.

C) Few ULBs do not have adequate infrastructure for setting up of Management & Supervision Cell and conduction of HHWs training. Hiring of accommodation may be thought of in such cases.
