Foreword

The new edition of the catalogue of Drugs and Chemicals-2002 has been brought out for use in Central Medical Stores and in all Government Hospitals and Institutions under the Department of Health & Family Welfare. This publication is indeed, the comprehensive and rearranged edition of the Catalogue of Drugs and Chemicals-1999 and the Deletion and Addendum List of the year, 2000 with minor changes. Items of Equipments under the purview of Drug Licence and appearing in the previous Drug Catalogue have been excluded from this catalogue for inclusion of the same in the Equipment Catalogue for better functioning. The Drug list has been prepared with a view to meeting the common contemporary health needs of the general Population of the State and general obligation of the health authorities at all level to ensure availability of such drugs.

Priority should be given to purchase and supply of drugs as per following tier of drugs meant for:

- | | |
|-------------------------------------|--|
| i) Primary Health Care | - (Indicated in the Cat. No. as P-1 & P-1(a).) |
| ii) Secondary Health Care | - (Indicated as S) |
| iii) Super Specialities Care
and | - (Indicated as S-S) |
| iv) Tertiary Health Care | - (Indicated as T). |

It should be ensured that the descriptions and instructions in the Catalogue are strictly followed and also that those responsible for patients' care use the drugs rationally for all practical purposes and in all fairness of things.

Memo

In G. O. No. H/TDE/724/3C-9/97/Pt. I dated the 9th September 1998 approval of the Deptt. was conveyed to the lists of medicines/medicinal items containing number of items as follows, for different tiers of health care systems of the State:—

(1) Primary Level	—	35 items
(a) First priority medicines	—	61 items
(b) Other medicines	—	61 items
(2) Secondary Level (Category-I)	—	26 items
(3) Tertiary Level (Category-II)	—	54 items
(4) Drugs common to all levels	—	54 items

[Including 6 items for Health Institutions where X-Ray facility exists],

1. The matter has further been reviewed by the Tender Selection Committee attached to the Central Medical Stores, Kolkata, who have recommended for substituting above list of medicines etc. by separate lists of medicines, medicinal items and chemicals containing total no. of 268 items. It has been decided to accept the recommendation of the committee and to revise the approved lists of drugs on that basis.

2.
