

Sub: Misappropriation of fund by the Secretary, 'The West Bengal Charmaja Workers Welfare Society'

A jointly signed letter has been received from the Founder Chairman, Founder Vice-Chairman and Founder Member of 'The West Bengal Charmaja Workers Welfare Society' regarding 'Misappropriation of fund' by their Secretary (put up in CP side for records, flagged-X). The copy of the said letter had also submitted by them to the Registrar of the Society.

In brief, the committee members of 'The West Bengal Charmaja Workers Welfare Society' had stated the followings:

1. Sri Amit Sanyal, Secretary of stated society siphoned huge amount of fund which is the aberration to the provision of Societies Registration Act.
2. Huge amount of expenditure are falsely booked in the audited final accounts resulting siphoning of public exchequer.
3. Sri Sanyal had received an advance of Rs. 1 Lac from Haldia Municipality in his personal name and again received a self cheque of Rs. 15000/- from Khardah Municipality which amounts to gross financial irregularities violating the provisions of Society Registration Act.
4. The committee members are in the dark about the functioning of their society, i.e. 'The West Bengal Charmaja Workers Welfare Society' and its present financial status and also of its existence.
5. As stated, Sri Sanyal in correlation with the Treasurer presently the said society is deeply entangled with conspiracy and siphoning of public exchequer.
6. They alleged, the Secretary that he has changed the composition of the society and managed Chairman's signature in a ticklish manner by putting all 5 Balance Sheets and Profit & Loss A/C.

The aforesaid committee members of 'The West Bengal Charmaja Workers Welfare Society' has Submitted the copy of 'Registrar of Firms, Societies and Non-Trading Corporation, W.B's letter addressed to the Secretary, of stated Society. An explanation was sought by the Registrar from the secretary for the complaint lodged within 30 days from the receipt of stated letter.

It is pertinent to mention here that based on the proposal submitted by Khardah Municipality in 2014-15 they have got an approval on 'Bag Making (Leather & artificial leather)' training for 50 candidates under the stated empanelled training institute, i.e. 'The West Bengal Charmaga Workers Welfare Society'. As per present norms 50% of the total training cost has also been released by this office to the ULB.

In this connection Khardah Municipality has submitted a letter vide memo no. Kdh(M)/106/15 dt. 09/06/15(flagged-Y), in which the ULB has stated that they are not in a position whether they should start the training or not.

Recommendations;

1. The allegation lodged by the Committee members of 'The West Bengal Charmaja Workers Welfare Society' is now under the jurisdiction of Registrar of Firms, Societies and Non-Trading Corporations, W.B
2. If the concerned authority reject or cancel the registration no. of the stated society then the society will be dissolved automatically.
3. By virtue of their position, as a non-registered society they will loose their status as a Empanelled Training Institute of SUDA.

In this preview it is suggested to pend the training programme of Khardah Municipality and may wait for further communication of 'The West Bengal Charmaja Workers Welfare Society' committee.

If agreed, a line of communication to the Khardah Municipality regarding pending of training and refund of 50% training fund may be made from our end.

Memo no. 263 - WBSCL/PR-10/17 dt. 31/03/2017 of West Bengal Swarojgar Corporation Limited(WBSCL).

The letter under reference of Managing Director, WBSCL is put up, may kindly be perused.

In the stated letter Managing Director, WBSCL liked to know our views in provision of fund for facilitating distribution of Tools/Kits to the successful trainees for generation of self employment for the SHGs.

It may be mentioned that there is no provision of fund for tools/kits in the operational guidelines of EST&P of Day-NULM programme. For that reason this office is unable to provide any fund for tools/kits to Kolkata Municipal Corporation.

In this preview, it is also to mention that after successful completion of training tools/kits are badly needed for the candidates of some training courses, i.e. tailoring, beautician, food processing etc. who wants to be self employed.

If agreed, a letter may be communicated to WBSCL.

Sub: Audit Query

Audit team has raised some queries regarding service tax paid to the training providers through the Urban Local Bodies in EST&P Component under NULM.

Statement and Queries of the Audit team are as follows:

- Government of India had exempted service tax vide Notification No. 13/2013 dt. 10/09/2013.
- As per records, during February, 2016 to July, 2016 a sum of Rs. 18.90 lakh was released to the training agencies.
- The said amount has been released by 12 ULBs to six training agencies, as shown in the table given by audit team.
- For clarification the team has given the following points.
 - i) Whether the local authority had verified the registration of service tax of the agencies claiming the service tax before the payment ?
 - ii) Whether the local authority had assured that service tax collected for services exempted by the Government of India was deposited into the Government account ?
 - iii) Steps taken by the local authority for recovery of such irregular payment from the training providers.

Observation & recommendations:

- On scrutiny, it is observed that during February, 2016 to July, 2016 a sum of Rs. 18.90 lakh was released by this office to twelve ULBs based on their claims submitted for Service Tax.
- From office records a broad sheet on service tax paid to the ULBs is prepared and put up. The data provided by the team is well matched with our records.

Hence, we may clarify the above points (i) to (iii) raised by the audit team from the twelve ULBs to whom the said amount had been released by this office earlier for payment of service tax to their training agencies.

Sub: Completion of training and issuance of Certificate of Participation for the candidates trained under EST&P component of DAY-NULM

Ref. No. K14014/3/2015-UPA. Vol. II(FTS-14532) of UPA Divn. MoHUPA

The erstwhile SJSRY programme has been restructured in NULM programme since April 2014 in two phases. In first phase i.e. from April, 2014 only 58 ULBs have come under NULM and in 2nd phase i.e. from April 2016 the rest of the 67 ULBs have incorporated in DAY-NULM programme.

A) Under above reference memo MoHUPA, GOI had directed to instruct the training providers to issue a 'Certificate of Participation' to the candidates who completed EST&P training on an interim basis. The certificate can be used by candidates to seek employment; however, this Certificate of Participation is not a substitute for the certificate to be issued by NCVT or SSC. It was suggested because of the delay in the assessment and certification of trained candidates under EST&P.

In 1st phase 58 ULBs have been informed accordingly vide our memo no. SUDA-17/2012(Part-2)/900(58) dt. 06/05/2016(put up in CP side) as above.

Presently we are to inform the aforesaid information to the 67 ULBs of 2nd phase for proper functioning of training programme.

B) Since April 2016 a fair number of training approvals have accorded to the 67 ULBs of 2nd phase. We need to have a training status report for compilation and records. The existing training status report format is enclosed with the draft letter.

If approved, a draft letter with enclosures is put up for signature.

Sub: Skill Training status of 2nd phase DAY-NULM towns

Erstwhile SJSRY programme has been restructured as National Urban Livelihood Mission. In 1st phase i.e. 1st April, 2014, 63 Urban Local Bodies have come in its arena. Further, 67 ULBs have been incorporated in DAY-NULM programme from 1st April, 2016. In 2nd phase programme a number of training approval has been accorded to the new NULM towns.

To know the present status of training a format has developed and submitted for approval.

If approved, a draft along with the said format is put up for signature.

the last review meeting of DAY-NULM of 58 ULBs held at SUDA it was observed that most of the training courses approved in FY. 2014-15 and 15-16 are either completed or near to completion. To update the current status of training a prescribed format may be communicated to all 58 ULBs where NULM programme has started in 1st Phase.

From the format following training course wise report could be known.

- Date of Commencement
- Date of Completion
- Expected date of completion
- Whether ULB has submitted assessment data or not
- Whether 2nd installment training fund received by the ULB

After compilation of information received from the 58 ULBs this office may approve training courses to some ULBs who have already completed their approved training course/s to achieve their target of EST&P in 2016-17. Further, some 2nd installment training fund can be released, who have not received the same.

If agreed, a draft with a format is placed for approval.

Sub: Placement report of EST&P training under DAY-NULM programme

Since inception of NULM programme a number of approval for Skill training under EST&P component of NULM has been accorded to the ULBs. As per guidelines of NULM third party assessment and certification to be done after completion of training. After certification of the candidates placement (70% and above) is also a major criteria.

For lengthy and delayed process of assessment and NCVT certification the total training and placement is being interrupted, i.e. i) Delay in getting National level certificate, ii) Drop out of the trainees at the time of assessment, iii) Release of training fund etc.

To overcome the bottleneck situation of EST&P training and placement previously this office had released 2nd installment training fund to some ULBs on the basis of submission of their training completion report to initiate the process of placement at ULB level with or without NCVT certification. As per present norms all ULB have to upload the placement data in NULM portal time to time. It is noticed that most of the ULBs are not properly uploading the placement data in time.

It is proposed to communicate a report format on training and placement to the ULBs to whom 2nd installment training fund has already been released. It is expected that after compilation of data we may generate the following information.

- Status of placement after completion of training. Whether its assessment and certification has done or withheld till date?
- If percentage of placement is satisfactory (70% and above) then we may release remaining part of training fund (20%) to the ULBs.
- From the stated data sheet we may get some information on percentage of SC/ST, minority, male, female etc., by which this office may generate some reports required for our department or GOI time to time.

The report format is placed in CP side for approval.

A draft is put up for approval.

EST&P Monitoring through MIS&MPR

It may be observed that MIS data entry at ULB level is very important in respect of monitoring and implementation of any centrally sponsored scheme. We have one well equipped MIS portal with ability to capture activities in all level of execution. Specifically for EST&P, the portal captures all activities in NMMU, SMMU, ULB, TC. It has around 30 Reports to monitor EST&P component in state portal. If ULB and Training center make entries regularly, there is no reason to collect data from ULB. Very useful 3 reports from SMMU portal attached as examples

- Application Details - It shows where the Application pending
- Achievement of ULBs in terms of Training/Certification/Placement
- Sector wise report for a specific FY
- Training Center wise Application report - It is not working. Complaint raised.

SMMU have organized handholding training for all ULBs and Training Institutes. In 95 ULBs among 125, there are staffs for NULM. But, we have captured only 32268 application where as 66091 person already trained across the state.

If SMMU observe a new format of data is required for monitoring, we may request NMMU to develop that in MIS portal. We did the same for couple of SMID report. This would be most effective way to capture authenticated/verified data.

If we need any consolidated numbers for present financial year urgently, we can include that in MPR next month.

Sub: Transfer of activities of SDIS portal to SDMS portal of NSDC

Ref. File No. DGT-4/Gen/2006-MES/IS(Part) dt. 20/06/2018 of MSD&E, GOI

A circular under above reference has received from 'DAY-NULM SMM Skills Whatsapp Group' on 23rd June is put up may kindly be perused.

It is stated in the circular that SDIS portal is being transferred to SDMS portal of NSDC. As a result the assessment and certification of MES courses for batches beyond 15th July 2018 will be done by respective SSCs through SDMS portal.

However, the SDIS portal will continue in its present form for the assessment and certification of candidates under MES courses uploaded till 15th August, 2018. It is also noted that the upload facility on SDID portal for new batches is expected to be disable w.e.f 15th August 2018.

It is also felt that SSC will only assess NSQF align MES courses. For information our previously approved all MES courses are not totally compliant with NSQF.

As assessment and certification is mandatory part of EST&P training, the above circular of GOI may be communicated to all ULBs and Training Providers for the followings;

- To expedite the process of uploading the assessment data of MES courses in SDIS portal which already submitted PBSSD till date.
- Submission of remaining assessment data of the candidates from the ULBs, who have completed MES courses. Accordingly we may send the same to PBSSD within stipulated period.

If agreed, a letter to ULBs and Training Providers is put up for approval.

Sub: EST&P training under DAY-NULM programme

As approved by Principal Secretary, UD & MA Department the yearly target of EST&P training for the year 2018-19 sub allotted to all ULBs.

To impart EST&P training a 'Training Skill Need Assessment' at ULB level is required at present perspective, which we already informed the ULB in target letter. The stated format would be helpful to assess local need of training and to prepare a primary list of willing candidates. It would also be useful to avoid student candidate, which is not entitled in guidelines.

The format is developed and put up for approval.

Along with the format we are to communicate the active list of enlisted Training Provider with their NSQF aligned SUDA approved MES courses to all ULBs for their assistance.

Put up for approval.

Sub: Assessment & Certification of EST&P training through RDAT

Assessment and Certification of EST&P training is an integral part of DAY-NULM programme. Since inception of NULM programme Paschim Banga Society for Skill Development(PBSSD) under Technical Education, Training and Skill Development (TETSD) Department has been arranging for Third Party Assessment(TPA) and Certification of the candidates imparted skill training courses under NULM after obtaining necessary information from WBSULM.

In a meeting held with Principal Secretary, TETSD Deptt. and Director, SUDA & Mission Director, WBSULM it was decided that PBSSD under TETSD Deptt. would not take the responsibility of assessment & certification of the candidates completed training after Lot-9. They have suggested to send the remaining candidates details to Regional Directorate of Apprenticeship Training(RDAT) under Directorate General of Training(DGT) for TPA and NCVT certification. The TETSD Deptt. has also assured to pursue our pending certification with RDAT.

Till date the assessment data of around 30000 candidates (including 2746 candidates of KMC) of different ULBs are still lying with our office. The candidate details are also prepared in DGT prescribed format for submission.

The SDIS portal for assessment & certification has stopped on and from 15th August, 2018. It is learnt that backlog assessment to be done with the permission from DGT, MoSDE, Govt. of India.

A { It is proposed that we may communicate the matter with Director General, DGT, GOI for getting permission of pending assessment and the copy may be forwarded to RDAT, Kolkata and PBSSD for persuasion.

B { It is also to mention here that if they permit this office to upload the data through our Training Providers for assessment the assessment cost have to pay directly to the Assessing Body by this office after their claim like other States.
