Sub : Monthly Meeting with Banks chaired by Chairperson

Sir,

It has been observed that there is a disconnect between City Mission Management Unit(CMMU) and banks in the ULB. The assigned activities of SWYAMSIDDHA which will have to be performed by bank branches are as follows;

1. Opening of Basic Savings Bank Deposit Account (BSBDA) for the members of the SHGs.
2. Opening of Saving bank account for the SHGs and their federations.
3. Sanction and disbursement of Cash Credit loan for the eligible SHGs.

It is felt that the Chairperson of ULB may convene a meeting with all the bankers between 11th to 20th of every month at around 4 pm.

The CMMU must be ready with the specific issues to be taken up with the banks at the meeting as per the following template,

1. Sl. No
2. Name of the SHG
3. Savings Bank account number of the SHG
4. Name of Bank and Branch
5. Issues

This arrangement to take immediate effect.

Yours faithfully,

Chaudhuri

Subject: Request to organize Credit Camp in urban Branches for SHG
Credit linkage under NULM

Sir,

Apropos the captioned subject, you may be aware that the SHG credit linkage target for the state is 17000 for the FY 2019-20. As on September, 2019 we have achieved only 20% of the total target. To expedite the credit linkage process, the CMMUs have to sponsor sufficient number of loan proposals of eligible SHGs.

As discussed at the special SLBC meeting on 24/10/2019, to expedite the grading activity, the ULB will conduct a week long programme from 11/11/2019 to 16/11/2019 and from 25/11/2019 to 30/11/2019 for grading of eligible SHGs. The ULBs are requested to invite the LDM of the District and the Branch representatives for attending the programme.

Now to dispose all the loan applications of the SHGs the Banks are requested to organise a grading camp in the branches of urban areas. A list of branch wise target for the FY 2019-20 of your bank is enclosed for your reference.

In this context, you are requested to fix the date for credit camp and advise the listed branches to conduct the camp to achieve the target for SHG credit linkage target. The schedule for the credit camp may be intimated to this office at jolychaudhuri9@gmail.com and smmfime@gmail.com and please feel free to contact Shri Sandip Bairagi, SMM (FI&ME) at 9163365778 for any clarification.

The ULBs are requested to invite the LDM of the District and the Branch representatives for attending the programme.

Now to dispose all the loan applications of the SHGs the Banks are requested to organise a grading camp in the branches of urban areas. A list of branch wise target for the FY 2019-20 of your bank is enclosed for your reference.

In this context, you are requested to fix the date for credit camp and advise the listed branches to conduct the camp to achieve the target for SHG credit linkage target. Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 110 SHGs for the current financial year we have to sponsor 165 **SHG** loan applications from your ULB. Till **31st July, 2019** only 32 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 110 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 75 SHGs for the current financial year we have to sponsor 113 **SHG** loan applications from your ULB. Till **31st July, 2019** only 0 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 75 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 100 SHGs for the current financial year we have to sponsor 150 **SHG** loan applications from your ULB. Till **31st July, 2019** only 0 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 100 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 300 SHGs for the current financial year we have to sponsor 450 **SHG** loan applications from your ULB. Till **31st July, 2019** only 32 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 300 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 150 SHGs for the current financial year we have to sponsor 225 **SHG** loan applications from your ULB. Till **31st July, 2019** only 105 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 150 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Yours faithfully,
