Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 100 SHGs for the current financial year we have to sponsor 150 **SHG** loan applications from your ULB. Till **31st July, 2019** only 0 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 100 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Therefore, to meet the disbursement of loan target of 200 SHGs for the current financial year we have to sponsor 300 **SHG** loan applications from your ULB. Subject: - Sponsoring of loan applications for SHGs to Banks

Sir / Madam,

Apropos the captioned subject, you may be aware that the SHG Credit Linkage is a priority initiative under NULM for providing bank credit at a low rate of interest to the women of poor urban households organized as SHGs. The members of the SHGs may borrow the money either for establishing their micro enterprise or may be used to overcome from the vulnerabilities or for meeting the basic needs of the members of the household.

It is observed from the SEP data which has been submitted by the ULB for submission of report to the SLBC, only **4500 SHG** loan applications from all ULBs taken together are pending in different bank branches where as our target for the FY 2019-20 for disbursement to 17000 SHG loan cases.

From our past experience we have realized that only 50% to 60% of total SHG sponsored cases are being disbursed by bank during a financial year. Therefore, to meet the disbursement of loan target of 70 SHGs for the current financial year we have to sponsor 105 **SHG** loan applications from your ULB. Till **31st July, 2019** only 18 **applications** have been sponsored from your ULB.

You are requested to instruct the officials for looking after the NULM programme at your ULB to sponsor at least 70 **SHG** loan applications to the concerned bank branches within **15th September, 2019** positively and enter the same in the NULM MIS portal.

Sub : Utilising Community Mobilisers under SRLM/ SUDA as Motivators
(Prakalpa Sahayaks) under SVSKP Scheme of this department

Sir,

The Department of Self Help Group & Self Employment has been implementing a flagship credit linked subsidy scheme namely Swami Vivekananda Swanubhar Karmasansthan Prakalpo (SVSKP) for the unemployed youth/ group of unemployed youth of the State for quite some time.

The implementation of the scheme varies considerably across District and sub-district level due to paucity of Motivators, who facilitate the beneficiaries in the process of registering and availing the benefits of the scheme. Motivators fulfill a vital role for project preparation, persuasion with block, banks and other authorities and recovery of loan. Motivators are paid performances based incentives.

It is learnt that SRLM and SUDA have a large number of community mobilizers, who facilitate formation of groups, credit linkage and other economic activities of SHGs and unemployed youth at Block/Gram Panchayat and Municipality/ Ward level. Since these mobilizers are already working with the community and supporting them for economic activity, it would be wise to utilise their services for supporting implementation of SVSKP Scheme also. They could be paid variable performances based incentives.

It is requested that a list of such community mobilizers under SRLM/ SUDA with their contact details may be shared with this department to take this forward

Subject: - Circulation of NULM Scheme Code of all Banks and necessary action at ULB and Bank Branch level.

Sir,

You may be aware that as per the MOU with the GOI the Allahabad Bank has developed a Web portal to release of Interest subvention to the Beneficiaries under NULM. In this portal there is an option for Banks, where they will upload the Master loan data of SEP - I, SEP -G and SHG Credit Linkage under NULM. For this purpose the Banks have prepared the Scheme code for said categories of Loan under NULM.

The GOI has forwarded a letter vide memo No. K-12015/1/2017-UPA I SECTION (EFS 3145897) dated 18/10/2018 to the Chairman and Managing Director of All Public and Private Sector Banks relating to the Identification of DAY- NULM Loans in the CBS of Banks. The GOI has collected the Product/Scheme Code from different Banks and provided the same to SMMU for circulating the code among the ULBs, Banks and the Branches of different Banks in the jurisdiction of the ULBs.

Now, ULBs are requested to share the NULM Product Code of the Bank with the Branch/s of that Bank. You are also requested to request the Bank Branch to use the Product Code for opening of Loan account under NULM. It may also happen that the Bank Branches have already opened the loan account by using Non NULM Product Code and disbursed loan to the Beneficiaries. In such cases, ULB shall request the Bank Branches to change the Scheme Code of the Loan Beneficiaries under NULM. It is pertinent to inform you that if the Loan account of the NULM beneficiaries is linked with wrong Product Code, then the beneficiaries never get the Interest Subvention from the Interest Subvention web portal.

Here it is pertinent to inform you that the Co operative Banks and RRBs are not yet on Boarded. That is why the NULM Scheme code is not yet received from the said Banks. In such Cases, the ULBs are requested to release manually the Interest Subvention to the Beneficiaries who are linked with either of the said Bank.

You are requested to advise the officials who are looking after the NULM programme at your ULB to visit all the Bank Branches in the jurisdiction of your ULB and share the NULM product Code of the Bank with the Branch/es of that Bank.

Yours faithfully,

Subject: Identification of DAY-NULM Loans in Bank CBS

Reference: This Ministry's letter dated June 18/19, 2018 - National Roll Out of Centralized Web Portal for Interest Subvention - Guidelines for Banks

Sir / Madam,

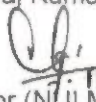

During the Joint Review Video Conference Meeting held with Banks and States on October 12, 2018, there was feedback from some banks that the CBS restricts change of loan product code. Based on data of DAY-NULM beneficiaries uploaded by banks on the web portal, it is noted that presently, there is a vast gap in the number of master records uploaded vs the actual number of loans disbursed by banks. To ensure that all eligible beneficiary loan records, which are currently identified with wrong product code (hence not uploaded), are correctly identified and uploaded on the portal, banks are advised to exercise any one of the following options for record identification:

1. **Option 1- Product Code Change:** Branch changes the Product Code, replacing with DAY-NULM product code.
2. **Option 2- Marking with an Identifier:** In case, bank's CBS restricts change of product code, a suitable 'Identifier' may be developed and used for the purpose.

In the above context, the Ministry had issued guidelines dated September 27, 2018 to States wherein States/ULBs have been advised to physically undertake branch wise rectification of loan data (attached). Banks which are exercising Option 2 may communicate the necessary details to the Ministry, so that, this can be shared with the Mission Management staff at the State and ULB levels. Banks are advised to take necessary steps to ensure that bank branches are well informed about the above process.

Subject: - Mapping of Bank Branches in Interest Subvention Portal under NULM

Sir,

You may be aware that as per the MOU with the GOI the Allahabad Bank has developed a Web portal to release of Interest subvention to the Beneficiaries under NULM. The first step which has to be performed by the ULBs is mapping of the Branches of different Banks who are providing the financial services in the jurisdiction your ULB. We had requested the ULBs to perform the first step so that the Bank can perform their role in the Interest Subvention portal.

Now, it is found that the listed ULBs did not map the Branches of the Banks (who are working in the service area of the ULBs) in the interest subvention portal of the ULBs. As a result the Banks can not be able to perform their role in the interest Subvention portal. In such situation, the Beneficiaries under NULM are excluding from the entitlement of the programme.

In this view, you are requested to map the Bank Branches in the Interest Subvention web Portal of your ULB within 27th November, 2018.

Sub : Utilising Community Mobilisers under SRLM/ SUDA as Motivators
(Prakalpa Sahayaks) under SVSKP Scheme of this department.

Sir,

The Department of Self Help Group & Self Employment has been implementing a flagship credit linked subsidy scheme namely Swami Vivekananda Swanirbhar Karmasansthan Prakalpo (SVSKP) for the unemployed youth/ group of unemployed youth of the State for quite some time.

The implementation of the scheme varies considerably across District and sub-district level due to paucity of Motivators, who facilitate the beneficiaries in the process of registering and availing the benefits of the scheme. Motivators fulfill a vital role for project preparation, persuasion with block, banks and other authorities and recovery of loan. Motivators are paid performances based incentives.

It is learnt that SRLM and SUDA have a large number of community mobilizers, who facilitate formation of groups, credit linkage and other economic activities of SHGs and unemployed youth at Block/Gram Panchayat and Municipality/ Ward level. Since these mobilizers are already working with the community and supporting them for economic activity, it would be wise to utilise their services for supporting implementation of SVSKP Scheme also. They could be paid variable performances based incentives.

It is requested that a list of such community mobilizers under SRLM/ SUDA with their contact details may be shared with this department to take this forward.

Yours faithfully,

Sd/-

Subject: Mandatory fields for Data Format: This Ministry's letter dated June 18/19, 2018- National Roll Out of Centralized Web Portal for Interest Subvention- Guidelines for Banks

Sir / Madam,

You are aware that the Ministry of Housing & Urban affairs in collaboration with Allahabad bank has developed a centralized web portal for credit of interest subvention to the beneficiary's account in a DBT mode for the loans availed under DAY-NULM. During the roll out phase certain issues have arisen which require clarification. Therefore, following points are to be noted with respect to Master and Claim Data Format for submission of interest subvention claims of DAY-NULM:

1. **Seeding of Mobile Number:** During the Joint Meeting with Banks and States held on August 3, 2018, the Ministry had given a relaxation of 6 months i.e., up to January 31, 2019 to banks to seed mobile number in DAY-NULM loan accounts. The banks are requested to share the progress in mobile seeding of accounts so far, since August, 2018.
 2. **Seeding of Aadhaar Number:** As per Supreme Court's September 26, 2018, Judgment, Aadhaar number is mandatory for all government benefits and subsidies. Accordingly, this field is to be made mandatory. Therefore, banks should take immediate steps to seed the loan accounts with Aadhar numbers in a time bound manner.
 3. **Savings Bank Account Number:** At the time of closure of loan accounts and payment of last installments of the interest subvention, subvention amount is required to be credited into the savings bank account of the beneficiary. Hence, this field will be made mandatory.
 4. **Credit of Interest Subvention to the savings account:** Some banks have mentioned about operational issues in crediting the interest subvention to the loan accounts and suggested to credit it to the savings account instead. This suggestion merits consideration due to better transparency of the entire process from the beneficiary's perspective. Therefore, all banks are requested to inform the ministry regarding implementation of the same.
2. In the above context, banks are advised to take necessary measures to implement the above, including issue of necessary information to bank branches and intimate the ministry about action taken.

3. The first three fields will be made mandatory in the data submission formats with effect from **February 01, 2019**.

Yours faithfully,

Minutes of the meeting held on 16 August, 2018 at meeting hall of Kreta Surakha Bhavan for reviewing the automation and implementation of various schemes of SHG & SE Department

A meeting was held to review the progress of web portal for WBSSP and SVSKP schemes along with necessary convergence under different schemes with concerned line departments. The meeting was presided over by Principal Secretary SHG and SE Department where officials of various other departments were also present (list of participants annexed).

In the meeting the following agendas were discussed, and decisions taken: -

1. **Development of Web portal for WBSSP:** It was noticed that the progress on development of web portal for WBSSP scheme is very slow and so far, NIC has not even submitted Business proposal which was otherwise to be given in first week of July, therefore it was decided that NIC would submit its proposal by next week along with timeline for tasks to be performed.

(Action: SIO, NIC)

2. **Web Portal to have separate features for Cooperation Department and Urban Areas**

- 2.1. Unlike NRLM the cooperative bank and SUDA are not having their own portal thus even after development of WBSSP portal the claims may be submitted in excel format as being done now thus in order to achieve complete automation of the system, web portal has to be developed for Cooperation Department and SUDA where they could maintain the transaction data of the SHGs like NRLM and upload the data in the web portal of WBSSP in future. Representative of SUDA informed that Allahabad Bank is developing a portal for maintaining the SHG data of Urban sector, therefore it was decided that a meeting is to be arranged by SUDA at SHG & SE Department to demonstrate the portal of Allahabad Bank.
- 2.2. The proposed WBSSP portal should link system to system with NRLM & NULM portal and create a system of automation for Cooperation Department SHGs as there is no portal for those SHGs to capture basic and other information about SHGs

(Action: SUDA, Cooperation Department, State Cooperative Bank & SLBC Convenor)

3. **Development of the web portal for SVSKP Scheme**

- 3.1. DIO, Burdwan gave presentation on SVSKP portal developed by NIC District unit. It was decided that the portal may be launched after some modification suggested in the documents requirement. DIO, Burdwan would get the system modified and security tested and then hand over to NIC, State Unit.
- 3.2. WBSCL shall identify the mandatory documents to be submitted by the applicant at the time of loan application. The list of mandatory documents has to be communicated to DIO, Burdwan. NIC, Head Quarter in the meantime may complete other requirements such as domain name for hosting so that it could be launched by 15th September, 18

(Action: MD, WBSCL, NIC, DIO NIC Burdwan)

4. **Covering all the eligible families under SHG:** During the discussion it was learnt that about 40-50% of the eligible families are outside the coverage of SHGs. This deprives them of various economic and social security schemes. To identify left out families there is an immediate need to map the SHG families against SECC and Khadya Sathi data (which is more inclusive). The left-out families need to be identified and a drive to be given to cover all the eligible families under SHG. NIC would submit a proposal for converging this database within a week.

(Action: NIC, WBSRLM), WBSCL)

5. **Changes in authorisation process:** At present WBSSP portal is not ready as a result the uploading and authorisation is taking a lot of time thus it was decided that Finance Department would be requested to allow SHGs for bulk viewing and authorisation of at least 500 groups at a time [which is similar to probable number of groups which are allowed for bulk lending for same IFSC code]. A formal communication would be given to Finance Department to allow it for a period of three months

(Action: Finance Department, WBSCL & SHE & SE Department)

6. **Miscellaneous issues**

- 6.1. **Requirement of mobile number:** The NIC officials emphasised upon the need of mobile numbers for the portal and even the officer in charge of WBSSP reiterated the requirement of mobile number for processing the claims submitted by banks. It was decided that district SHG & SE officers and bankers together would hold joint camps for collecting mobile no's, necessary instruction would be given by department to districts, convenor SLBC would also give instruction to share pending mobile no. list bank wise with districts, further Head, SeMT, PAR & e-Governance Department also agreed to develop a system for collecting mobile number. It was noted during discussions that WBSRLM needs to create a field for mobile number of the SHGs in their database so that mobile no's would be readily available.

(Action: The convenor SLBC, WBSCL, Cooperation Department, SeMT)

- 6.2. **Delay in submission of claim for interest subsidy:** At present, subsidy under WBSSP has been released upto 30th September 2016 only, due to non-submission of claims by banks, thus representative of SLBC was requested to take up the matter and ensure submission of claims.

(Action: The convenor, SLBC, SUDA & Cooperation Department)

- 6.3. **Submission of organisational structure:** NRLM, NULM and Cooperation department officials have been requested to submit their organisational structure relating to SHGs to the department.

(Action: NRLM, NULM and Cooperation Department)

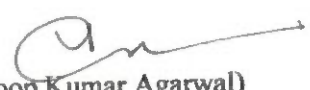

- 6.4. **Development of website for SHG & SE Department:** WTL shall submit a proposal to SHG & SE Department for development of the website and its security audit

(Action: WTL & SHG & SE Department)

- 6.5. **Security audit for training web application:** WTL shall contact WBSCL for additions and alteration to the training web application and would conduct the security audit of the same as per the request letter sent from WBSCL. Further NIC has developed training portal of PBSSD. The same may also be presented

(Action: SIO NIC, WTL & WBSCL)

7. With no other issue to discuss the meeting ended with vote of thanks to and from the chair.

Sub : Utilising Community Mobilisers under SRLM/ SUDA as Motivators
(Prakalpa Sahayaks) under SVSKP Scheme of this department.

Sir,

The Department of Self Help Group & Self Employment has been implementing a flagship credit linked subsidy scheme namely Swami Vivekananda Swanirbhar Karmasansthan Prakalpo (SVSKP) for the unemployed youth/ group of unemployed youth of the State for quite some time.

The implementation of the scheme varies considerably across District and sub-district level due to paucity of Motivators, who facilitate the beneficiaries in the process of registering and availing the benefits of the scheme. Motivators fulfill a vital role for project preparation, persuasion with block, banks and other authorities and recovery of loan. Motivators are paid performances based incentives.

It is learnt that SRLM and SUDA have a large number of community mobilizers, who facilitate formation of groups, credit linkage and other economic activities of SHGs and unemployed youth at Block/Gram Panchayat and Municipality/ Ward level. Since these mobilizers are already working with the community and supporting them for economic activity, it would be wise to utilise their services for supporting implementation of SVSKP Scheme also. They could be paid variable performances based incentives.

It is requested that a list of such community mobilizers under SRLM/ SUDA with their contact details may be shared with this department to take this forward.

Yours faithfully,

(Principal Secretary)

Sub: kind intervention on Implementation and Monitoring of DAY-NULM Programme.

Sir,

You may kindly be aware that the National level Mission mode programme was launched on 1st April, 2014 in the name of Deendayal Antyodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) to alleviate Poverty and vulnerability in urban in areas. The six major components of the programme were designed to eliminate all types of vulnerabilities. The Components are;

1. Employment through Skill Training and placement – ESTP
2. Self Employment Programme – SEP
3. Social Mobilization and Institutional Development-SMID
4. Shelter for Urban Homeless – SUH
5. Support to urban Street vendor – SUSV
6. Capacity Building and Training Programmes – CBT.

For implementation of DAY-NULM programme, three Mission management Units namely City mission Management Unit (CMMU) at ULB level, State Mission management Unit (SMMU) at State Level and National Mission Management Unit (NMMU) at national Level has set up and dedicated manpower has been deployed at ULB level. As it is proved that the SHG is a vehicle for the eliminating poverty and protecting from the vulnerabilities for the poor household particularly the poor women. Hence the DAY-NULM programme has introduced the SHG concept for the poor Women of the urban household. In this programme, there is two tier of federation SHGs Namely Area Level Federation (ALF) and City Level Federation (CLF). The SHGs will get the revolving fund as a grant of Rs. 10000/- after 3 months from inception. The ALF is a register body under Society registration Act, 1961 and the federation will get a grant as revolving fund of Rs.50000/- from the said programme. In this programme, there is a provision for City Livelihood Centre at the ULB level for providing services and information like security, carpentry, gardening, construction, plumbing, electrical work, health care support, housekeeping etc to the resident of the ULBs. On the other hand, the poor people may get the information about market of their produce marketable goods, government schemes and benefit, Skill training opportunities, social security etc form the centre.

Self Employment Programme (SEP) is an important Component for development of Micro Entrepreneurs at ULB level. The component has three subcomponents (1) Self Employment programme for Individual (SEP-I) (Loan

amount upto Rs. 2 Lakhs) (2) Self Employment Programme for Group (SEP-G) (loan Amount upto Rs. 10 Lakhs) (3) SHG Credit Linkage (1st dose loan amount minimum Rs. 1.50 Lakhs)

For SEP-I and SEP-G, the beneficiaries have to pay 7% rate of interest for their loan rest (Actual interest charge by bank minus 7%) will be given as interest subsidy to the loan account of the beneficiaries. For SHG Credit linkage the interest subsidy will be the difference between the prevailing rate of interest charged by the bank and 7% per annum, on all loans to SHGs of urban poor. An additional 3 percent interest subvention will be provided to all Women SHGs (WSHG) who repay their loan in time. The Interest subsidy will be subject to timely repayment of the loan (as per the loan Repayment schedule) and suitable certification obtained from banks by the ULB.

Shelter for Urban homeless is a burning issue and monitoring by the Hon'ble Suprim Court. The said programme is providing the financial support to the ULBs for development of Shelter for the urban homeless.

The programme is focused on the universal financial inclusion for all categories of people of urban areas. The main objective of Support to urban street vendors is to issue of Identity Cards through survey of street vendors, Development of city street vending plans, Infrastructure development of vending zones in the city, Training and Skill Development, Financial Inclusion, Access to credit, Linkages to social security schemes.

The said programme is being implemented in 125 ULBs of our state with dedicated manpower and infrastructure. As the programme is growing and the number of beneficiaries are increases, so we may face different types of problems in different situation which may hinder the progress of the programme. In this view, we are requesting your kind intervention on the said programme so that the poor women of urban area of your district get their entitlements form the programme. You are also requested to entrust any officer under your control who may look into the entire programme for your district and intervene proper implementation to achieve the goal of the programme. District Municipal development officer or any officer looking after the work of the District Urban Development Agency (DUDA) may look after the monitoring and implementation of the programme. I am enclosed herewith the present status and Component wise target for the Financial year 2018-19 of different ULBs of your district.

Sir / Madam,

In continuation of this Ministry's letter of even number dated 18/19 June 2018 on the subject mentioned above, it is stated that a number of states and ULBs have requested clarifications as to the procedure to be followed for verification and approval of data for processing of Interest Subvention, through the centralized web portal.

2. In order to give a clarity on the subject, a set of guidelines on the matter are enclosed as Annexure 1 & 2. Further clarifications in the form of series of guidelines on the subject will be issued from time to time. States are also advised to refer to the User Manual available in the Download Section in the Portal.

(Niraj Kumar)

Director (NULM)

Tel No: 011 2306 2850

Enclosure:

1. Annexures - 1 & 2

Copy to:

1. Shri Anurag Deep, AGM-IT, Allahabad Bank
2. To all Public and Private Sector Banks

Guidelines for processing of Interest Subvention

1. Maximum loan size for interest subvention

- For SEP – I: up to Rs. 2 lakhs
- For SEP – G: up to Rs.10 lakhs
- For SHGs – Savings Linked Loan

2. Effective date of consideration as loan under DAY-NULM

Loans sanctioned on or after the Mission commencement date of September 23, 2013, will be eligible for interest subvention.

3. Payment of interest subvention amount

Subvention amount will only be paid for the month for which the beneficiary has promptly repaid the amount as per the loan repayment schedule. If a beneficiary is not maintaining prompt repayment and subsequently during the current month clears all dues and becomes a prompt payee, concerned beneficiary will be eligible to get interest subvention for that particular month only. The prompt repayment guidelines are given in Annexure 2.

4. Interest Subvention for SHGs formed during SJSRY

SHGs that availed capital subsidy under SJSRY having outstanding credit will not be eligible for benefit under this scheme. However, fresh loan taken by such SHGs under DAY-NULM, after successfully repaying their SJSRY loan will be eligible for benefit under the scheme.

5. Interest Subvention to Women SHGs (WSHGs) with less than 10 members

WSHGs with less than 10 members (hilly / tribal regions as per SEP guidelines amendment dated April 10, 2018) are also eligible for interest subvention.

6. Loans Directly Sponsored under DAY-NULM by banks / Mudra

Loans DAY-NULM / Mudra loans which are directly sponsored by banks and for whom there are no existing NULM MIS records, but bank data has been uploaded on portal, interest subvention benefit can be provided to the beneficiary, provided that he/she fulfills the eligibility criteria as per SEP guidelines. ULBs can initiate verification of beneficiary data with banks. Banks may collaborate with the ULBs to ensure that the beneficiary approaches the concerned ULB to verify his / her credentials with identification documents, such as BPL card / Aadhaar Card / Mobile number. If found eligible, ULB will certify the eligibility of beneficiary and inform the bank accordingly. ULBs may fix a definite period/day(s) in a month when these cases may be taken up.

With respect to Mudra loans which are approved by the ULB, Bank should update the record with the product code of DAY-NULM loans also (apart from Mudra) in the CBS.

7. Role of ULB

The ULB role is to perform following three Actions: Master Data Verification and Approval, ULB Bank Branch Mapping and Upload of Unclaimed Beneficiary data for banks.

- a. **Verification and Approval of Master Data:** There are two types of beneficiary data submitted by banks. First, **Master Data** which is basic details of beneficiary like name, gender, loan type, loan account number etc, which is static data. Second is **Claim Data**, which includes a field for interest subsidy claim amount, submitted with respect to each month and is a dynamic data.

ULBs need to do only one time verification and approval of the Master Data during the entire tenure of the loan. Once the Master data is approved, month wise claim data uploaded by banks, automatically gets forwarded to the state for verification and approval for payment purpose. **There is no process of approval of Claim data by ULBs.**

The ULB verifier does the initial check / verification of the Master Data, while the ULB Approver does the final Approval, validating / confirming the verified data. The ULB Verifier and Approver shall:

- reject any data in-case of not matching the eligibility criteria i.e. urban poor, effective date from 23rd September 2013, loan size etc. and
- ensure that the beneficiary details are maintained in the DAY-NULM MIS properly
- entry of data in DAY-NULM MIS with respect to Mudra loans approved in the portal

b. **Mapping of bank branches:** Mapping of bank branches with ULB has been done in the portal based on the information given by the States. This means that banks can upload data only with respect to those bank branches which are mapped in the system. The rights of mapping bank branches has been given only to ULBs, which can be done based on IFSC code of the branch. However, a facility has been provided to banks to submit list of their unmapped bank branches to States. But these get added only when the request is approved by the ULBs. Hence ULBs, are required to undertake periodical check on the portal if there are any requests pending for mapping of additional bank branches by banks. Following criteria may be considered for branch mapping:

- If the bank branch has been giving DAY-NULM loans as per ULB record, then these can be mapped in the portal with the respective ULB.
- With respect to branches, for whom there is no prior record with the ULB, but have directly given DAY-NULM loans, ULBs should include them if the loans given by them under DAY-NULM meet the criteria of Mission guidelines. States /ULBs should also ensure that for subsequent years these branches are included for target allocation by the SLBC. Similar action may be taken for mapping of rural bank branches.

- c. **Upload Unclaimed Entry:** ULBs have been provided facility to upload beneficiary data for which claims have not been uploaded by the banks. A file format has been provided on the portal for the purpose. ULBs may use this feature to ensure that no beneficiary is left out from getting the interest subvention benefit, as per the SEP guidelines. Banks may then fetch loan records of such beneficiaries and upload on the portal.

8. Role of State Users: The role of state is to verify and approve the Claim Data. The State verifier does the initial check / verification, while the State Approver does the final Approval, validating / confirming the verified data. States may check for each bank, the accuracy of subsidy claims calculation made by banks. The interest subsidy amount claimed by banks should not be more than the difference between the Rate of Interest charged by the banks and the rate of 7% allowed under the scheme. An additional 3% interest subvention is allowed to Women SHGs as per mission guidelines. In case there is discrepancy in any bank's claim data, this should be brought formally to the attention of concerned bank, Allahabad Bank and the Ministry for rectification of data.

9. Manual Processing of Interest Subvention Claims: States can continue manual processing of subvention claims with respect to the following: RRBs and Cooperative Banks - till the time they are on-boarded on to the portal. Subvention cases of banks (other than RRBs and Cooperative Banks) where manual processing was mid-way and internal approvals have been taken. However, states should take ensure that there is no approval of duplicate claim of subsidy data for a beneficiary for any month in the portal.

10. Calendar for Web Portal Activities

The interest subvention data will be uploaded by Banks on a monthly basis. the monthly calendar with timelines for each user is given here under:

Type of User	1st-15th of month	1st to 25th of month	26th to 30th/31st of month	Remarks
Data Submission (Banks)	✓	×	×	Banks can submit data only during first 10 days of the month
Verify and approve Master Data (ULBs)	✓	✓	×	All ULB actions, including verification and approval of Master Data.
Verify /Approve Claim Data (States)	×	×	✓	State can verify and approve the claim data for subvention payment

11. Update of Mobile Number of Beneficiary: As the banks had been facing difficulty in uploading beneficiary records due to mandatory field of mobile number, the Ministry had given a relaxation of 6 months (with effect from August 1, 2018 to January 31, 2019) for banks and the field has been made optional. Since it is critical that the beneficiaries are intimated about crediting of interest subvention through SMS, banks should make all efforts for mobile seeding of all DAY-NULM loan accounts. ULBs on their part may create necessary awareness amongst the beneficiaries that the mobile number may be updated with the concerned branch by the beneficiaries. The matter may be taken up in the agenda item of SLBC and DLRC as well.

12. Correct Input in CBS for Unique Codes for DAY-NULM: Wrong input of product codes for DAY-NULM by banks has been one of the factors for inaccurate beneficiary data. The Ministry will be sharing a directory of

Product Codes for DAY-NULM of Banks which will be circulated with the states and ULBs. With respect to RRBs and Cooperatives Banks, states may coordinate with them locally for facilitating creation of these codes. Information regarding correct product codes may be also discussed in the SLBC and DLRC meetings as well by the States and ULBs respectively.

13. Onboarding of RRBs and Cooperative Banks: Since RRBs and Cooperatives Banks are state specific, states may make the necessary efforts to get "Basic Data", (in terms of Ministry's letter K-12012(8)/2/2018-UPA-1-EFTS 9037786 dated March 5, .2018, to all RRBs and Cooperative Banks) from these banks at the state level, so that, these can be onboarded on the portal.

14. Assistance for Using the Portal: In case of requirement of any technical assistance relating to the usage of web portal, States and ULBs can reach out to Allahabad Bank on the following.

Helpdesk Number: 011 - 011-41106131

Toll Free Number: 18001025026

During Operational Hours: 10:00 am to 6:00 pm on Bank working days.

Sub: Non Cooperation from Urban Bank Branches of State Bank of India

Sir,

You may be aware that as per the Service Area Approach circular of Reserve Bank of India (RBI//2004-05/293 RPCD.LBS (SAA).BC. No.62 /08.01.00/2004-05 dated 08/12/2004) the Lead Bank Managers of different district of our State has demarked the service area (Service Ward) for the Bank Branches for providing Banking services to the beneficiaries of Government Sponsored Schemes in the jurisdiction of the ULBs. Accordingly the Bank Branches are providing Banking services to the Beneficiaries under NULM.

But it is unfortunate that the urban Bank Branches of State Bank of India are reluctant to provide Banking services to the Beneficiaries under NULM though the ward was assigned to the Branch. The Bank Branches are harassing the members of the SHGs and their federations and not opening the savings bank in the name of the SHGs/Federations. The ULBs had submitted the applications for Individual loan and SHG Credit linkage at the Bank branches and the loan applications are pending for a long period of time.

The ULBs were requested several times to Branches of State Bank of India to dispose the loan applications of the Beneficiaries under NULM and opening of Savings Bank account for the SHGs and their federations. But almost all Bank Branches did not take any action. From state level we had discussed with Manager, SBI of LHO the bottleneck faced by the Branch to disburse Loan (individual loan and SHG Credit linkage) and requested to resolve the issues. But the issues are yet to resolved in the most of the cases.

The representatives of ULBs are regularly visiting the Branches of State Bank of India and discussed with the field officer or Manager of Branches and tried to find out the reasons behind the delay of process of disbursement. The below mentioned feedback has been received from the representative of Branches;

1. The Branch Manager said that the Higher Authority did not provide any instruction in this regard.
2. The field officer said that the BM talked to the authority relating to OLS but did not get any reply from their end.
3. Field officer said BM did not provide any order on this issue.
4. The Branch said that they have not received any operational guidelines from their appropriate authority for sanction of the proposal.
5. The Loan processing Unit are not aware about the scheme code.
6. The Regional Managers did not instruct the Branch to dispose loan.

Though the said reasons are received verbally but the impact of the reluctant attitude of Bank Branches of said Bank are reflecting field where the members of the SHGs are scared to visit Branches of said Bank for getting financial services. It is also found that the members of the SHGs and their Federations have taken decision in their meeting to close their savings bank account from the Branches of SBI.

Your kind intervention is solicited for the sake of smooth implementation of this national level programme in our state.
