Sub: Entry of BOT & BOA trainings in the MIS portal

Sir/ Madam,

Apropos the captioned subject, during the last round of review meetings on the 25.06.2019 & 27.06.2019 with the City Mission Management Units, it has come to notice that BOT & BOA training for the SHG members are being erroneously entered by the ULBs in the MIS portal. The correct entry in the MIS portal for the BOT & BOA training would be as follows.

- For BOT training for 3 days, training name must be entered as WB Capacity Building Training for SHG by MT.
- For BOA training for 2 days, training name must be entered as WB Capacity Building Training for Treasurer by MT.
- 3. Training done by must be entered as By ULB.

Training name and Training done by entry should be strictly followed as mentioned above.

The process for rectification of the erroneous entries will be notified shortly.

Yours faithfully,

Jt. Secretary, UD & MA De

Sub: Resource Centre Based Training Programmes under Capacity Building & Training

Madam / Sir,

This is to inform you that Resource Centre based training programmes needs to be continued all throughout the year to cover capacity building and training targets set out for different stakeholders of the programme namely, SHGs, ALFs, CLFs, ROs and other stakeholders.

- 1. To meet the targets of SMID & SEP, it is absolutely necessary to conduct training programmes for the aforementioned stakeholders regularly as well as in intervals.
- 2. A Master Trainers resource pool from the SHGs/ALFs/CLFs and ROs will be formed to implement the training at the Ward level. This resource pool will be trained at SMMU and post completion of Training of Trainers they will conduct training as Master Trainers at the Wards/boroughs etc. for SHGs/ALFs/CLFs and other stakeholders. Initially after being trained as Master Trainers at SMMU, they will conduct training with CMMs, APOs and COs as co-trainers for maximum 3-4 training programmes. After that they will start training as a full-fledged Master Trainer.
- 3. i. As per the last order vide Memo no: SUDA-102/2016/1156 Dated: 01-08-2016 and Memo No: SUDA-102/2016/1490, Dated: 07-09-2016, the City Mission Managers and APOs were delegated with the responsibility to facilitate and coordinate the training programmes in their ULBs and adjacent ULBs as Nodal Officers since in many ULBs City Mission Managers were yet to join. Therefore, City Mission Managers will be Nodal Officers of Capacity Building & Training programmes of that ULB (Details enclosed herewith). ULBs are required to delegate the Wards/Boroughs among the Nodal Officers for facilitating the training.
 - ii. ULBs where CMMs are not present APO/COs will be coordinating the training at the Ward/Borough level. (Details enclosed herewith)
- 4. i. In rest of the ULBs where CMM is present the APOs and COs will monitor the training programmes on a regular basis and will submit a descriptive training report to the CMMs / City Project Officer for information and necessary intervention.
 - ii. Where CMM is not present APO/COs will submit descriptive training reports to City Project Officers.
 - iii. ULBs will submit fortnightly reports to State Mission Manager- HR & CB through the City Project Officer after appropriately scrutinizing the reports.

Tel: 2358 6403/5767, Fax: 2358 5800, E-mail: wbsudadir@gmail.com

Account Section: 2358 6408

- 6. The total number of participants for each batch should not exceed 40.
- 7. Initially 10 batches of training needs to be completed by September 2017. Rest of the remaining training batches will follow from September 2017 and a detailed training plan needs to be submitted with the following details:
 - i. No. Of trainees yet to be provided fresh training (segregated according to target groups)
 - No. Of proposed refresher training planned for SHGs/Treasurers/ALFs/ROs who have received training in the last FYs 2015-16, 2016-17

8. Following expenditure details under CBT of Stakeholders (In Rupees) may be incurred for each batch of training:

- i. Folder, reading materials and stationery (pen, pencil, eraser, sharpener etc.)- Rs. 100 (One time)
- ii. Lunch & Tea and Snacks Rs. 210/- (For 3 days [Fresh Training]) & Rs. 140/- (For 2 days [Refresher Training])
- iii. Mobility Support Rs. 50 per participant (One time)
- iv. Contingency Support Rs. 2000/- (includes venue charges, miking and etc.)
- v. Resource Fee and Conveyance- Rs. 250/per session/Resource Person (maximum two (2) sessions by one (1) Resource Person for each batch)(Officials and staff associated with DAY-NULM will not receive Resource Fee)
- vi. Maximum expenditure for Ward based training will be Rs.20,000/- for each batch. If it appears that in case of necessity 2-3 Wards need to be provided training together then that must be reported to SMMU beforehand
- 9. Initially training duration will be 3 days for fresh batches of training for SHGs/ALFs/CLFs/ROs. Once all fresh training programmes are completed then only 2 days Refresher Training programmes should be initiated for SHGs/Treasurers who had received training in the FY 2015-16, 2016-17.
- 10. Training programmes will be organised as per available funds at ULB under CB & T and additional funds may be allotted if required based on requisition received from ULBs.
- 11. Since Bankers Sensitization Programme from the State Headquarters end is organised regionally for districts therefore a follow up quarterly sensitization programme for CICs and Bankers should be arranged at the ULB level by the Executive Officers and City Mission Managers where they will act as Resource Persons only for the training of these groups (namely, CICs and Bankers).
- 12. Capacity Building and Training programmes are intended to achieve the targets of SMID, SEP and all other relevant components under DAY-NULM. Therefore, the intensity of the training programmes is expected to increase the number of SHG-Credit linkages with banks and also SEP-I and SEP-G. ULBs are therefore requested to take additional initiative to make the training programmes prolific.

Yours faithfully,

NULM Training programmes at ATI, WB

1 message

Urban Management Centre Ati <urbanmanagementcentre.ati@gmail.com> Wed, Apr 11, 2018 at 4:42 PM To: Manindra Nath Pradhan <wbsudadir@gmail.com>, Director SULM <wbsulm@gmail.com>

To, The Director, SUDA

Sir,

In reference to previous discussions, this is to inform that so far Nine (9) Master Trainer programmes [5-day] for SHG/ALF/CLF/RO have been conducted at ATI 31st March 2018 alongwith 65 training programmes for ALF and ROs. The Master Trainer programmes till date have been mostly conducted by SULM State Mission Managers from SUDA. As discussed, an alternative pool of faculty is to be developed in coordination with the SULM State Mission Managers. However, this process will take some time and mutual interaction so that the training content is kept similar

Hence, in order to maintain continuity in capacity building, it is requested that the Master Trainer programmes at ATI be resumed from 16th April 2018 @ 1 programme per week as done previously. The SULM State Managers may be allowed to conduct the programmes, till such time alternative faculty pool is ready.

Placed for kind perusal.

Thanking you, Yours faithfully,

Kaushik Ghosh Assistant Professor, Urban Management Centre Administrative Training Institute, Govt. of West Bengal Mob: 9830419290

Sir/Madam,

As we are approaching towards the end of Financial Year 2016-17, we need to give stress to achieve the targets which are yet to be accomplished for the components of the Mission within the 31st March 2017. Special emphasis should also be put in achieving the targets for SEP- I, SEP-G and SHG- Bank Credit linkage as it is noticed that huge number of sponsored/grading cases are pending for disposal at the bank branch level. Issue has been raised at SLBC level and they have agreed to direct the bank branches for disposal of pending cases.

Therefore, all City Mission Managers, Assistant Project Officers and Community Organisers must be involved to accomplish the targets of the Mission for the FY 2016-17 at the earliest with special emphasis on SEP sub components.

Resource Centre based Capacity Building programme may be taken up from April 2017.

As we are approaching towards the end of Financial Year 2016-17, we need to give stress to achieve the targets which are yet to be accomplished for the components of the Mission within the 31st March 2017. Special emphasis should also be put in achieving the targets for SEP- I, SEP-G and SHG- Bank Credit linkage as it is noticed that huge number of sponsored/grading cases are pending for disposal at the bank branch level. Issue has been raised at SLBC level and they have agreed to direct the bank branches for disposal of pending cases.

Therefore, all City Mission Managers, Assistant Project Officers and Community Organisers must be involved to accomplish the targets of the Mission for the FY 2016-17 at the earliest with special emphasis on SEP sub components.

Resource Centre based Capacity Building programme may be deferred to next month.

2017

So that maximum emphasis can be given for achieving annual targets.

<u>Sub</u>: Orientation of SHGs through Resource Centre – use of efficient SHG/ ALF/ CLF/ CDS members/ RCVs etc. as Resource person

Ref. This office Memo No.SUDA-102/2016/1156(125) dt.10.08.2016 & No.SUDA-102/2016/1490 dt.07.09.2016

Sir,

To

In pursuance of reference and subject above, you have been intimated regarding orientation of SHGs and NULM stakeholders through Resource Centre formed in this purpose.

As more than one ULBs were tagged to a particular Resource Centre to orient all SHGs and others it is felt that exsisting manpower available with Resource Centre may not be sufficient to cover all such training (at least 10 batches/ ULB) within a very limited period.

As orientation on SHG Book Keeping is very urgent for SHG Grading & Credit Linkage this orientation should be completed within a very limited period.

In this respect it is suggested that if ULB faces any shortage of resource person for orientation training they can use competent SHG/ ALF/ CLF/ CDS members/ RCVS etc. who have long experience with SHG activities for the purpose of Book Keeping Training or such orientation.

Competency of providing training will be judged by the ULB with support from the Resource Centre and such selected Resource Person have to be well trained in that matter by Resource Centre before imparting training.

Yours faithfully,

Director, SUDA u 2011

Reg :- Training of erstwhile SHG members, ALF and CLF members at ULB level

Training of SHG members, ALF and CLF members is one of the important issue in social Mobilization and Institutional Development component under NULM.

As per NULM guideline Resource Organization (RO) will arrange for capacity building of SHGs formed by them. But RO will not look after the capacity building of old SHGs, SHGs formed other than RO and ALF, CLF members.

For that reason Annual Action Plan for the financial year 2015-16 has made of a provision of Rs.1 crore (rupees one crore) for such training under all NULM ULBs.

Capacity building of manpower, office bearers and representative of different organization, elected representative connected with SHG formation, federation and their nurturing is undergoing at ILGUS and ATI with three day module @ Rs.4500/-/participants for 3 days.

Now training of SHG members, CLF & ALF members being huge in number is beyond the scope of either ATI or ILGUS.

In this context following proposal are made :-

- One day orientation programme may be arranged at ULB level for capacity building of SHG members, ALF & CLF members not nurtured by RO.
- (2) Training will be imparted by CPO/ APO/ CO trained by ILGUS.

 ULB may hire resource person (CPO/ APO/ CO) from adjacent ULB.
- (3) Training will be one day six hour duration with six one hour schedule. Skeleton module will be provided by SUDA based on module used for training at ILGUS and ATI.

NOTE SHEET

Sl. No.	Module	Duration

2.	SM&ID component	3 one hour module each
3.	Training & capacity building	1 hour module
4.	SEP, Street vendor & SUH	1 hour module

- (4) Training will be for 30 members with per capita expenditure is maximum Rs.1000/-. Total training cost will be Rs.30,000/- for each training as per following division:-
 - 1. Faculty charges Rs.3000/- @ Rs.500/- per hour
 - 2. Training kits Rs.9000/- @ Rs.300/- per trainee
 - 3. Food, tiffin, tea etc. Rs.7500/- (consolidated)
 - 4. Mike, computer etc. hiring Rs.2000/- (consolidated)
 - Administrative cost Rs.5000/- (consolidated)
 (Include mobility support to trainees and outside trainers)
 - 6. Printing / Xeroxing etc. Rs.3500/- (of Books/ register/ guideline)
- (5) Each ULB may be asked to organize 5 such training initially. On completion they may be allowed further based on necessity. 50% fund to ULB will be provided initially. Rest fund will be provided on completion report received from ULB. KMC and other Corporation may be asked to submit their calendar as per their requirement.
- (6) Entire training should be completed in 3 months.
