**DETAILED PROJECT REPORT**  
**SHELTER FOR URBAN HOMELESS UNDER NULM**  
**KALIYAGANJ MUNICIPALITY**

**NOVEMBER 2017**

## PREFACE

The National Urban Housing & Habit Policy (NUHHP), 2007 aims at promoting sustainable development of habitat in the country with a view of ensuring equitable supply of land, shelter and services at affordable prices to all sections of the society. However, the most vulnerable of these are the urban homeless.

The Urban homeless persons contribute to the economy of the cities and thus the Nation as cheap labour in the informal sector; yet they live with no shelter or social security protection. The urban homeless survive with many challenges like no access to elementary public services such as health, education, food, water and sanitation.

National Urban Livelihood Mission (NULM) aims at providing permanent shelter equipped with essential services to the urban homeless in a phased manner under the scheme of Shelter for urban Homeless (SUH).

The objectives of the Shelter for Urban Homeless (SUH) component of NULM scheme are to :

- Δ Ensure availability and access of the urban homeless population to permanent shelters including the basic infrastructure facilities like water supply, sanitation, safety and security.
- Δ Cater to the needs of especially vulnerable segments of the urban homeless like the dependent children, aged, disabled, mentally ill and recovering gravely ill, by creating special sections within homeless shelters and provisioning special service linkages for them.
- Δ Providing access to various entitlements, viz. social security pensions, PDS, ICDS, identity, financial inclusion, education, affordable housing etc. for homeless populations.
- Δ Formulate structures and framework of engagement for development, management and monitoring of shelters and ensuring basic services to homeless persons by state and civil society organisations including homeless collectives.

In pursuance of the decision taken by the West Bengal State Urban Livelihood Mission for setting up a " Shelter for Urban Homeless (SUH)" under National Livelihood Mission in Kaliyaganj in the District of Uttar Dinajpur and with a view to providing shelter to the homeless people living in this town. The Kaliyaganj Municipality has already identified the land at Mouza – Chirail, J.L. No. 102, Plot No. 1090 (RS), Khatian No. 151/72, Ward No. 1 of Kaliyaganj Municipality and authority of the ULB has decided that one proposal would be sent to the SULM for setting up a shelter for urban poor in this site.

A survey was conducted for ascertaining the status of the urban homeless and 50 (Fifty) homeless persons for the shelter have been identified at present. A project has been prepared in conformity with the objectives and a guideline issued in this regard, which includes interalia, construction of a four storied building with the provision of all amenities as envisaged in the scheme.

It is believed that the proposed project would not only provide shelter to the homeless people belonging to the most vulnerable segment of the society but also could ensure availability and access of those urban homeless people to various other entitlement like social security etc. besides the basic civic services like water supply, sanitation, electricity and primary health care etc.

## **Kaliyaganj Municipality at a Glance**

### **□ HISTORY: YEAR OF ESTABLISHMENT OF MUNICIPALITY**

Kaliyaganj though is not a big town in size; but it is one of the oldest towns of undivided Bengal under erstwhile Dinajpur District. It was used as corridor in between Bihar and Dacca (now Bangladesh) through Railway connecting Coochbehar (Gitaldah) and Kolkata (Sealdah) and maintaining the balance of trade of Bihar, Uttar Pradesh, Assam including East Bangladesh. It is said that Kaliyaganj is the immediate next to Kanpur (U.P.) as business centre of Rice, Mustard Oil, Jute, Wheat & Maize. After the partition of Bengal in 1947, the Dinajpur District was divided into two parts out of which one part was known as West Dinajpur and the another part was emerged with East Bengal now known as Bangladesh. Again on 1<sup>st</sup> April 1992 the West Dinajpur has been sub divided into two parts – one is known as Dakshin Dinajpur and another is known as Uttar Dinajpur under which Kaliyaganj exists. Despite so many partitions and sub-partitions, Kaliyaganj did not lose its importance and Business activities as was in long ago. Kaliyaganj is the only place in the Uttar Dinajpur District where we get the touch of ancient business culture and exchange of views on Socio-Economic condition, human culture and tradition. After recognition of Uttar Dinajpur District on 1<sup>st</sup> April 1992 Kaliyaganj is known as one of the important town of the district just after the district town located at Raiganj.

The Kaliyaganj Municipality was formed in 1987 comprising of Akhanagar (JL No-96), Chairail (JL No-102), Chak Majlispur (JL No-103), Majlispur (JL No-104), Dhankoil (JL No-84), Rasidpur (JL No-84), Rasidpur (JL No-85), Hariharpur (JL No-86), Mahadebpur (JL No-99), Ratan (JL No-123), all the above mouzas and a part of another two mouzas viz. a) Bhandar and ii) Shergram taking with only 9 Wards when the total population was 26,000.

### **USER FEES :**

User fees will be levied with the objective of improving participation of the residents in operations of the shelter and will be modestly priced. The fund so collected will be utilized for maintenance of the facilities. The following will determine the norms and application of user fees by any implementing authority:

a) Nominal charges proposed to be collected depending on the income levels of the urban homeless at rates ranging from 1/10 to 1/20 of their income. For those with no payment capacities, total exemption will be granted.

b) Meals provided at the shelter will be fully subsidized for old, infirm, disabled women and men and all children. For other shelter residents, meals may be provided at subsidized costs.

c) All residents will be encouraged to offer voluntary services for maintenance of shelter homes including mess facilities, cleanliness, etc. on rotation basis (e.g. half day service per person/week). These norms are to be evolved by the shelter manager together with the shelter management committee.

### **MONITORING AND EVALUATION :**

Under NULM, an Executive Committee under the chairpersonship of the Municipal commissioner will be constituted to manage the affairs of NULM. This EC at the city level will be responsible for review and supervision of the working of shelters with the participation of community representatives, civil society organizations, line departments and elected representatives, etc.

### **O & M AFTER FIVE YEARS :**

Efforts will be taken for upliftment of economic condition of the shelter habitants by development of livelihood and vocational skills. Linkage with different employment generation scheme will be made in priority basis by the Executive Committee with the help of ULB. And it is expected that they will be able to contribute towards O & M costs substantially and for old / infirm inmates ULB will take up the responsibility.

### **PUBLICITY OF INFORMATION :**

In order to ensure that the information about availability of shelters for urban homeless reaches the ultimate beneficiaries, i.e. the targeted population, adequate publicity measures will be taken by the ULB on regular basis.
