Sub – Change of site for Shelter for Urban Homeless (SUH) under DAY-NULM

In reference to the above subject, this is to inform you that initially we have selected a land at Thanapara Nicher Math in ward no 10 bearing plot no CS 4251 & 4252, J.L.No-155, Mouza Ranaghat. But as our land bank are very small, we are not interested to use that land for construction of SUH. Instead of that, the land just opposite to the previous land in front of our Abattoir Project may be utilized for the above purpose.

The detail of present land schedule are as stated below:

**Agenda 1: Confirmation of the minutes of the 11<sup>th</sup> meeting of the Project Sanction Committee held on 04.04.2018.**

The minutes of the Eleventh Meeting of the Project Sanction Committee held on 04.04.2018 were read out and confirmed. Committee reviewed the status of all functional shelters under DAY-NULM. Committee suggested to expedite the construction work for completion within the time line. Committee also suggested to issue a D.O. letter regarding identification of land to all the ULBs where SUH have been planned to construct as per Road Map of SUH. Committee recalled that as per Road Map 109 shelters will be made functional therefore sanctioning of the projects should be completed before 2022. Based on submission of the proposals of SUH, approval will be given for SUH for the ULBs which have been planned for FY 2019-20, FY 2020-21 & FY 2021-11

**Agenda 3: Approval of 5 (Five) DPRs of one Shelter unit each in Kolkata Corporation, Contai Municipality, Bhadreswar Municipality, Kalyani Municipality & Purulia Municipality.**

The Committee considered the following 5 (five) DPRs prepared by the ULBs in consultation with ME Directorate and after detailed deliberations, approved the same in consideration of the fact that the proposals were in conformity with the Guidelines of the scheme of Shelter for Urban Homeless, a component under DAY-NULM.

**Kolkata Municipal Corporation**

The DPR for setting up of a shelter at 1, Raja Rammohan Sarani, Near Lady Duffrin Hospital, ward no-49, Under Br-v, Kolkata Municipal Corporation with a capacity of **110 beds**, an estimated cost of **Rs. 229.40 Lakh** (excluding DPR preparation cost) was approved subject to receive of detailed design & drawing of proposed work. Committee also recommended to provide detailed plan & provision of a fire escape & a kitchen with this proposal. The representative of KMC informed that as the land is in very prime location and space is small therefore dormitory with adequate toilet and dinning is considered in the plan.

The Annual O & M cost of **Rs. 13.20 Lakh/year** for initial five years for 110 numbers of homeless was approved by the Committee.

**Contai Municipality**

The DPR for setting up of a shelter at Existing Dormitory Buidling, Athilagari, Ward No. 10, Contai, Dist.- Purba Medinipur under Contai Municipality with a capacity of **50 beds** was approved at an estimated cost of **Rs. 109.71 Lakh**

The Annual O & M cost is Rs. 6.00 Lakh/year for initial five years for 50 numbers of homeless was approved by the Committee.

In addition of these Committee suggested to MED to prepare detailed design & drawing of above proposals (excluding KMC) after completion of soil test. It has been decided by the Committee for these proposed SUH (excluding KMC) a centralised consolidated tender of Civil, sanitation, plumbing and electrical works will be floated by the ME Directorate in integrated way instead of ULB and fund will be released accordingly from State Urban Development Agency to ME Directorate for filed level execution of the work. Accordingly all the ULBs will be informed for necessary action.

**Agenda 4. Additional fund for construction of Shelter for Urban Homeless at different ULBs as per requisition submitted by the concerned ULBs**

It was informed to the Committee about the enhancement of project cost of construction of SUHs in different ULBs. It was informed by the Chief Engineer MED that the estimated cost for each shelter unit was prepared as per current PWD SoR and due to different zone of construction and bearing capacity of soil, proposed cost is increased in some cases. In response to these Committee suggested that detailed design & drawing and soil test report should be incorporated in the DPRs for future proposals. After detailed deliberation of the above Committee considered the proposals of additional cost and decided that the cost will be provided from the State fund as per recommendation of ME Directorate. It was also decided that future DPRs should incorporate both civil & electrical components and consolidated tender would be called for both civil & electrical components. Efforts would be made to group more than one SUH in tender to attract bigger contractors.

**Agenda: 5: Proposal for approval of additional fund or Rs. 1138314.00 from the unspent balance of Rs. 2160512.00 for construction for Urban Homeless under Durgapur Municipal Corporation.**

Considering the necessity of additional work for safety and security of inmates of SUH at Durgapur, Committee ratified the above proposal as a special case and fresh tender will be floated for the additional work. Committee also suggested that the concerned ULB will refund the unspent balance beyond this proposed additional cost.

**Agenda: 6: Proposal of land change by Santipur Municipality for construction of sanctioned Shelter for Urban Homeless**

It was informed to the Committee that after one year of sanctioning of the project concerned municipality proposed for land change and submitted feasibility report of MED and site plan for the new site at near Nutanhat, Ward No. 10, Santipur. Committee approved the proposal on subject to receive of soil test report and detailed design & drawing of proposed construction.

**Agenda 7: Installation of CCTV cameras in each sanctioned shelter unit and proposed shelters under the scheme shelter for urban homeless.**

After detailed deliberation on necessity of above and guidelines of SUH, Committee approved the proposal of installation of CCTVs in SUHs and suggested KMDA may be consulted as they are already doing this type of works before finalising the proposed cost.

**Agenda 8: Miscellaneous:**

- i) It was decided that through an Expression of Interest, a panel of experienced NGOs for Operation & Maintenance of proposed shelter units in different ULBs would be prepared.
- ii) Committee also recommended to MED to engage experienced Architect for design for design of the remaining SUH, keeping in view both aesthetics as well as most efficient utilization of space.

The meeting ended with a vote of thanks to and from the Chair.

- iv) Committee asked to SUDA to standardize the specifications of furniture & soft furnishings required in the SUH. Committee also suggested to incorporate components of different recreation facilities including television, board games, books etc. for the inmates. MED will not consider the procurement of furniture & soft furnishings of SUH in the existing DPRs. The proposed cost put up before the PSC today for sanction to be revised to that extent.
- v) Committee agreed to accept the proposals of SUH (not mentioned in the affidavit) from the ULBs where number of homeless has increased after survey and place before the next meeting of the PSC.

vi) Committee suggested for laying of Kota stone on the floor of SUH (all carpet area except for the toilets) instead of IPS and the estimate to be recast by MED accordingly.  
The meeting ended with a vote of thanks to and from the chair.
