INTRODUCTORY NOTE BY CHAIRMAN:

Dubrajpur is a small but an important urban center in the District of Birbhum nearby the district head-quarter Suri. Dubrajpur Municipality started its maiden journey in the year 1977 with only nine wards with area 11.94 sq.km and population of 20,000 (approx). Now this Municipality comprises 16 (as per ward delimitation in 2013) wards with the population 40,000 (approx)

With the active cooperation of citizen for last so many years this municipality is now capable to give effective service delivery and better governance to the citizens. During these years the shape and the socio-culture atmosphere of the municipality has changed to unimaginable extent. And gradually it too has imbibed the spirit of contemporary civilization of 21st century and got acquainted with the sphere of Modernization and Globalization.

In the 8 years with the help of the people, we have tried to address the problems of urban poor & slums keeping the aspirations of people and development objectives and targets in mind. In this time we have successfully completed the Central Govt. sponsored scheme IHSDP under JNNURM especially in the slum area. At some point we have been successful in realizing the dreams of the people while in others we were not. Preparation of **Housing for All Plan of Action** along with its implementation of 1st Phase for the year 2015-2016 and monitoring opened a new challenge to us – the challenge of providing all basic service to all poor people and ensuring equitable socio-economic development of the people of Dubrajpur.

Development is not a one point agenda. With the complex social, political and economic situation it is indeed a daunting task. However we believe that we are progressing in the right direction with the support of Government of West Bengal and Ministry of Housing and Urban Poverty Alleviation, Government of India we will be able to achieve the desired object

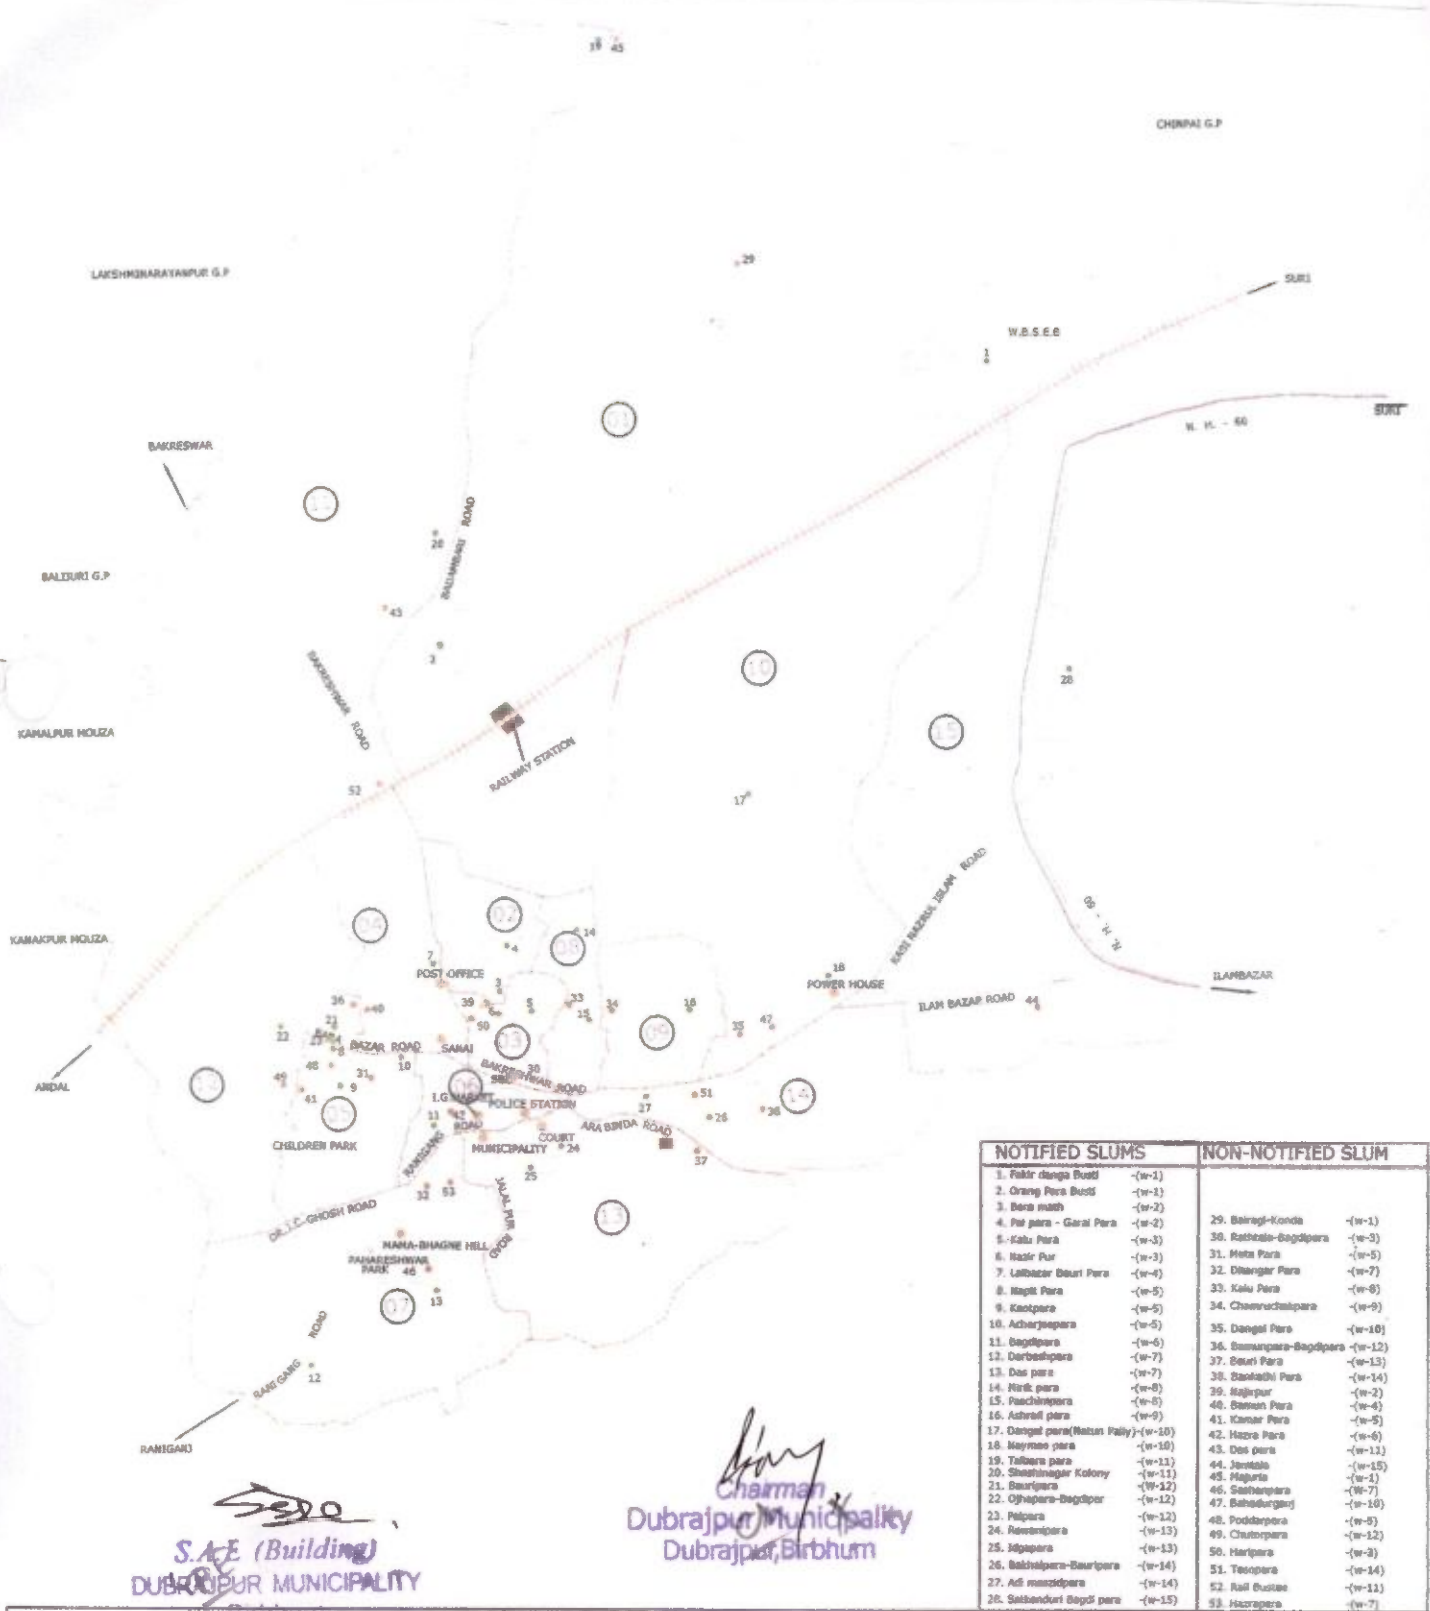

It's an honour and privilege to president the people of Dubrajpur, the 1st phase of Housing for All which offers to provide development of all slums and ensure that new slums do not come up and thereby developing Dubrajpur into a vibrant economy. Learning from the past we look forward towards achieving long terms benefits, perspectives and convergences rather than short term goals. The 2nd phase for all year 2017-18 Housing for All Plan has been prepared and we look forward for a great future

ULB PROFILE

Dubrajpur is an old historical town. It is seemed that about two or three hundred years ago Dubrajpur was established on the basis of the name of businessman. Generally, it was a commercial based area. In the text of Geography, the name Dubrajpur is found as a trading center of brass and other metals. People from various areas as well as from the neighborhood states Bihar and Orissa came to Dubrajpur for purpose.

In the mean time, the political system has been going to changes. In the decade of sixty, the Panchayet Board had been established. After few years, the demand came from the people for "Dubrajpur Municipality."

In the time of Sri Subrate Mukherjee, Minister of West Bengal Municipal affairs, a notice was published for Dubrajpur Municipality. But, some problem was arising. After overcoming those problems within few years the municipality has been running forward.
