INTRODUCTORY NOTE BY CHAIRMAN
Sri PRANAB BASU**

Midnapore Municipality was established in 1865, as an agency of the Govt. in the name of local self Govt. during the colonial rule the local development of the area was dependent on the British Govt. and local Govt. machinery. After independence and since the introduction of the 5 years plan local development works got priority and the planning process started from top to bottom. With the advent of time the planning process began to change and after the promulgation of the 74th Amendment Act of the constitution as well as after introduction of West Bengal Municipal Act 1993, it has become obligatory on part of ULBs

to start planning from the grass root level. It is my privilege to declare that Midnapore Municipality has completed the construction of Shelter for Urban Homeless under Day-NULM and it is going to be functional from 22th June 2018 and also ensure availability and access of the urban homeless population to permanent shelter including the basic infrastructure facilities like water supply, sanitation, safety and security. In pursuance of the decision taken by the West Bengal State Urban Livelihood Mission for setting up a Shelter for urban Homeless(SUH) Under National Livelihood Mission in Midnapore and with a view to providing shelter to the homeless people living in this town. The Midnapore Municipality has identified the land at Central Bus stand at ward no 03 and the board of Councillor's in the Municipality has decided to construct a shelter for homeless peoples and the proposal was sent to the SULM for setting up a Shelter for Urban Poor in the town. The project was sanctioned by WBSULM and for this purpose Midnapore Municipality started construction of Shelter for Urban Houseless people and completed the same with in schedule time and the Shelter named as "JANAKALYAN BHAVAN" will be inaugurated and functional from 22th June, 2018. It is believed that the Project would not only provide shelter to the homeless people belonging to the most vulnerable segment of the society but also could ensure availability and access of those urban homeless people to various other entitlement like social security etc besides the basic civic services like water supply, sanitation, electricity and primary health care etc.

However, it is the product of coordinated efforts of the employees and Councilors of Midnapore Municipality. I owe my indebtedness to all who joined hands with us to make this Municipality more clean, more healthy and more prosperous and express my thanks to all.

Chairman

Overview of the Municipality / Corporation

Introduction

Midnapore (also written as Medinipur and Midnapur) is a town in West Bengal, India. The city is the headquarters of, and gives its name to, the Paschim Medinipur district of the state of West Bengal. The town also gives its name to a subdivision of the district. The town used to belong to the Midnapore District until the Partition of Midnapore. The Partition of Midnapore was the administrative breakup of the Midnapore District of West Bengal, India into the western part as Paschim Medinipur and the eastern part as Purba Medinipur districts that became effective on January 1, 2002. With the division of the district, the subdivisions of Medinipur Sadar, Kharagpur, Jhargram, and Ghatal were placed in Paschim Medinipur, with Midnapore, now the district headquarter of only the western half. The undivided Midnapore district had been, at one time, the largest district in West Bengal and indeed, all of India.

It is situated on the banks of the Kangsabati River (variously known as Kasai and Cossye). On the opposite bank of the river is the industrial and railway hub Kharagpur. The bank of Kangsabati River is great for sightseeing and fishing and a popular destination for picnics during the Christmas and New Year's breaks. Unfortunately the bank is being eroded by new construction, brick-kilns and new communities.

Origin of the name

There are conflicting accounts of how the name Medinipur came to be. One account claims

that Medinipur was named after a local deity "Medinimata" (literally "mother of the world", a Shakti incarnation). Another account claims that Midnapur was so named because in the heyday the number of mosques rivalled those in Medina.

Historical Overview

A number of prehistoric sites of great interest are being excavated throughout the West Midnapore district. In ancient times the region seems to be highly influenced by Jainism and Buddhism. Coins issued by Samudragupta have been found in the near vicinity of the town. The kingdom of Shashanka and Harshavardhana included what is now Midnapore.

Midnapore is famous for its contribution in the history of Indian freedom movement since it has produced a seemingly endless list of martyrs. During the British Raj the town became a centre of revolutionary activities starting from the Santal Revolt (1766-1767) and the Chuar Revolt (1799). The Zilla School, now known as Midnapur Collegiate School was the birthplace of many extremist activities. Teachers like Hemchandra Kanungo inspired and guided the pupils to participate in the Indian Freedom Movement. Three British District Magistrates were assassinated in succession by the revolutionaries Benoy Basu, Dinesh Gupta, and Badal Gupta. Dalhousie Square, a major location in Kolkata is named B.B.D. Bagh in their honour. Khudiram Bose and Satyendranath Basu were some of the young men that laid down their lives for the freedom of India. Kazi Nazrul Islam attended political meetings in Midnapore in the 20s. Even Raja Narendra Lal Khan, ruler of Narajole, who donated his palace on the outskirts of town, for the establishment of Midnapore's first college for women, had been implicated, (although it turned out to be false) for planting a bomb. Not only Hindu activists but Muslim statesman originated or spent time in Midnapore. Huseyn Shaheed Suhrawardy founder of the Awami League, a prominent political party in Bangladesh, and the sixth President of Pakistan hailed from a prominent family of Midnapore.

Climatic Condition

The climate follows a hot tropical monsoon weather pattern. Summers last from April to mid-June with diurnal highs ranging from the upper 30s°C to the mid 40s°C and lows in the low 30s°C. However extensive daily heat is often followed by evening rains known as kalboishakhis or dust-storms (loo). Monsoon rains can last from mid-June to late August or even September with rains from the southeast monsoon typically contributing the lions-share of the annual rainfall of around 1500 mm. Winters last for 2 to 3 months and are mild; typical lows are from 8 °C - 14 °C.

Geography

Midnapore is 23 metres above sea-level. Soils near the Kangsabati River are alluvial with a high-degree of clay or sand depending on the locality; whereas soils towards Rangamati are essentially lateritic. Vegetation is essentially same of that common to South Bengal with extensive eucalyptus and sal forests on Northwest side of town. In fact the sal forests form part of the Dalma Bengal-Jharkhand Range. Arabari, the forest range which was the site of India's first Joint Forest Management scheme is only 30 km away. The Midnapore town covers an area of 18.36 sq. kms. surrounded by the Cassai river on the south, Panchkuni 1 and Panchkuni 2 G.P. on the west, Siromoni G.P. on the north and Kankabati G.P. on the east.

Transport

Midnapore is well connected not only to larger cities in the region, but also to smaller towns and villages in the district. Midnapore Railway Station is on the Howrah-Adra and Howrah-Purulia Express Train routes. Many major express trains pass through Midnapore including the Delhi-Puri Nilachal Express. In addition, there are a number of local trains that ply between Howrah and Midnapore with amazing regularity. The proximity to Kharagpur, a major hub of the Indian South-Eastern Railway system, only 30 minutes or less by train, makes Midnapore well connected with the major cities of India. A bus terminus (Central Bus Stand) serves the greater Midnapore area. Many buses ply to smaller towns in the districts of Midnapore West, Midnapore East, Burdwan, Bankura, and Purulia in West Bengal, to districts of Jharkhand and Mayurbhanj and Baleswar in Orisa.

Infrastructure

Electricity is readily available, although as in the rest of West Bengal, demand truly exceeds supply. Times of Power outage are common especially in the summer and monsoon months, although outages lasting more than an hour are increasingly becoming rarer.

Water is a scarce resource in Midnapore town. Most of the water comes from the Kasai river which is shrinking in size every year due to over-exploitation. The shallow water levels have also receded to lower levels. Although the Midnapore Municipality freely provides water, it is planning to impose water tax scheme for the users.

Sewage disposal is another source of concern. Many of the lower income-communities in the town do not have adequate plumbing and must rely on refuse-collectors to haul out human waste. Not all drains are covered either, thus causing a proliferation of disease causing flies and mosquitoes. However, since Midnapore is drier than many other coastal and humid low-lying towns of West Bengal, this problem is not as acute.

Telephone services are by and large adequate. Also, the town is very well covered by major mobile phone service providers. BSNL is the sole government sourced provider and the local hub is in Kharagpur.

There are around 1 lakh vehicles including Two Wheelers, Wheelers (Private & Transport), Bus, Trucks etc. in Midnapore. The Motor Vehicles Section (Regional Transport Office) is one of the important section of the District Administration which is mostly involved in providing the services to the public and is also responsible for collecting revenue for the Government. The host based computer system UNIX SVR 4.2 O.S. and Oracle 6.0 RDBMS were installed here in 1996 by NIC Midnapore. Since then, online transaction has been made operational to facilitate the people. Registration of Vehicles (Transport & Private), Tax Collections, CF updations, National Permit, Issue of Blue Book, Miscellaneous Receipt etc. of the Regional Transport office are done through online operation.

Various other sectors are being explored where it is feasible to use Information Technology for a better Citizen Government interface in future. Moreover, DRDA, Midnapore is one of the 15 pilot DRDAs for the implementation of RURAL SOFT - 2000 selected by the Ministry of Rural Development, Govt. of India.

Demographics

As of 2011 India census, Medinipur had a population of 1,69,127 out of which male population is 85360 and female population is 83,767. This makes it the second largest town in Paschim Medinipur district after Kharagpur. The town is almost equally divided in terms of population between Hindus and Muslims. A witness to the diversity of faith is multiple mosques and temples, many predating British rule. It is an important religious spot for the Muslims of India and Bangladesh. Even though the interesting religious mixture would suggest religious tensions, remarkably Midnapore has never witnessed major Hindu-Muslim communal tensions in recent history.

Governance

Midnapore is a municipality with 24 wards and 94,738 registered voters (2003 statistics). Midnapore elects one person to the West Bengal Vidhan Sabha and one representative to the Lok Sabha of the Parliament of India.
