AwasYojana(PMAY),Under Housing For
All,Urban For the year 2015-16 under
Rampurhat Municipality**

Submitted by

Rampurhat Municipality

West Bengal

Introductory Note by Chairman

Rampurhat is an old agricultural based and small town. Rampurhat is very much important on its location in the district of Birbhum. Sri Chaitanya Mahaprabhu visited this town and made it as a place of religious importance not only to the Hindus but also to the minorities. Its importance for the existence of "TARA MA TEMPLE" which is 6 k.m., away from Rampurhat has been increased to a great extent. Rampurhat town is a Sub-Divisional town of Birbhum district. All of the surrounding areas are well connected with Rampurhat town either with Pucca Road or with Rail line.

Rampurhat Municipality with the active cooperation of citizen for last so many years has grown up as capable and robust institute for effective service delivery and better governance. During these years the shape and the socio-cultural atmosphere of the Municipality has changed to unimaginable extent. And gradually it too has imbibed the spirit of contemporary civilization of 21st century and got acquainted with the sphere of Modernization, Industrialization and Globalization.

Today Rampurhat is in the process of preparing the Housing For All Plan of Action (HFAPoA). In the last 5 years, with the help of the people, we have tried to address the problems of urban poor & slums keeping the aspirations of people and development objectives and targets in mind. At some point we have been successful in realizing the dreams of the people while in others we were not. Preparation of **Housing For All Plan of Action** along with, its implementation and monitoring opened a new challenge to us – the challenge of providing all basic services to all poor people and ensuring equitable socio-economic development of the people of Rampurhat.

Development is not a one point agenda. With the complex social, political and economic situation it is indeed a daunting task. However we believe that we are progressing in the right direction with the support of Government of West Bengal and Ministry of Housing and Urban Poverty Alleviation, Government of India we will be able to achieve the desired objectives.

It's an honour and privilege to present before the people of Rampurhat, the 1st Housing For All Plan of Action which offers to provide development of all slums and ensure that new slums do not come up and thereby developing Rampurhat into a vibrant economy. Learning from the past we look forward towards achieving long term benefits, perspectives and convergences rather than short term goals. The Housing For All Plan of Action has been prepared and we look forward for a great future.

The people of the municipality, the elected councillors, the staff members, the surveyors, the technical persons have extended their fullest cooperation in preparing the whole process of Housing for All Plan of Action. I must take the opportunity to acknowledge their endeavours and extend gratitude to the authorities of SUDA and MA Department of Govt. Of W.B. for extending their cooperation.

Chairman

1. Situation assessment for HFAPoA

1.1 Background

“Housing for All” Mission for urban area will be implemented during 2015-2022 and this 1.1 Mission will provide central assistance to implementing agencies through States and UTs for providing houses to all eligible families/beneficiaries by 2022.

Mission will be implemented as Centrally Sponsored Scheme (CSS) except for the component 1.2 of credit linked subsidy which will be implemented as a Central Sector Scheme.

A beneficiary family will comprise husband, wife, unmarried sons and/or unmarried daughters. The beneficiary family should not own a pucca house either in his/her name or in the name of any member of his/her family in any part of India to be eligible to receive central assistance under the mission.

States/UTs, at their discretion, may decide a cut-off date on which beneficiaries need to be resident of that urban area for being eligible to take benefits under the scheme. Mission with all its component has become effective from the date 17.06.2015 and will be implemented upto 31.03.2022.

1.2 Approach and Methodology

The HFAPoA for Rampurhat Municipality has been prepared according to the guidelines provided by Ministry of Housing and Urban Poverty Alleviation, Government of India. Overall approach adopted throughout the preparation of this HFAPoA has been based on three key principles, Stakeholders meeting, Involvement of the community, Co-ordination.

Methodology followed for preparation of HFAPoA is as follows-

- a) Demand survey is the first and foremost thing to for preparation of HFAPoA. So an initiative for Demand Assessment survey is being taken.
- b) For this survey work first of all an orientation programme was arranged with the Municipal elected representatives.
- c) Another orientation programme was arranged for the supervisors and enumerators.
- d) After these orientation programmes the Demand Survey was conducted.
- e) Data entry works of the filled-in survey forms was carried out.
- f) Analysis of the survey data.
- g) The given required formats were filled up.
- h) A meeting with the elected representatives about the preparation of the HFAPoA.
- i) Finalisation of HFAPoA report.

1.2.1 Stakeholders Consultative Workshop / Meetings

For the successful preparation and detail understanding of HFAPoA all of the stakeholders including Ministry of Housing and Urban Poverty Alleviation (MoHUPA), GoI and SUDA, GoWB organized a number of workshops at the state level as well as at the Municipal level also. A detail capacity building workshop was organized at the ULB level, and the photographs of this workshop can be seen below.

Stakeholders meeting at Rampurhat Municipality

Housing Typologies

According to census 2011 the total population of Rampurhat Municipal area is 57891. From the findings of USHA survey it is noticed that a total of 6868 nos. of household lives in slum area. Out of these slum households 3964 nos. of households lives in kutcha houses whereas 744 nos. of households lives in semi-pucca houses. From the demand survey of HFA for the preparation of HFAPoA it is found that 5697 nos. of household will be cover under this project out of which 5485 houses will be constructed through “Beneficiary-led-Construction” and 212 houses will be construct through “Credit linked subsidy to individual beneficiaries”.

Water Supply

At present the Municipality draws water only from underground tube wells. The supply is intermittent having 2 times supply period in the morning from 6.0 A.M to 9.0 A.M. and in the afternoon from 4 P.M to 7.P.M. Total supply made during this six hour period is reported to be 320,000 gallons a day. Due to scarcity of water quite a few families have their own wells. The source of supply is the 9 nos of Tube wells (out of which 1 no are standby), situated at different places within Municipality and Panchyat area (at Jhanjhania).There is only one OHR at Nischintapur Headworks site. The tube wells were sunk by the state Public Health Engg. Directorate.

Drainage and Sanitation

Socio Economic data analysis reveals that 40.85% reported that drainage system does not exist. 94.92% reported that drains are not covered. 26.77% reported that drains are not connected with major drainage channels. Frequency of cleaning of drains reported, Weekly 39.96%, Monthly 11.95%, Every 2 months 4.03%, Every 3 months 6.51% and not done 35%. Problems of drains mainly cited as Slope is not proper 11.43% and Garbage accumulation in drains 57.89%.

Source: DDP, Rampurhat Municipality

Socio Economic survey analysis reveals that 25.85% HHS are not having sanitation facilities at their HHs. Those 74.15% having the facility are having Pour flush pit latrine - 12.25%, Septic tank - 77.61 %, Well toilet- 8.76% and Others- 12.75%. Only 1.59% HHs use community toilet and it has been reported that 55.67% HHs are having bathing place/ bathroom with toilet. Which implies that about 40% people of Rampurhat defecates in open which is a major environmental and health concern to the municipality.

Solid Waste Management

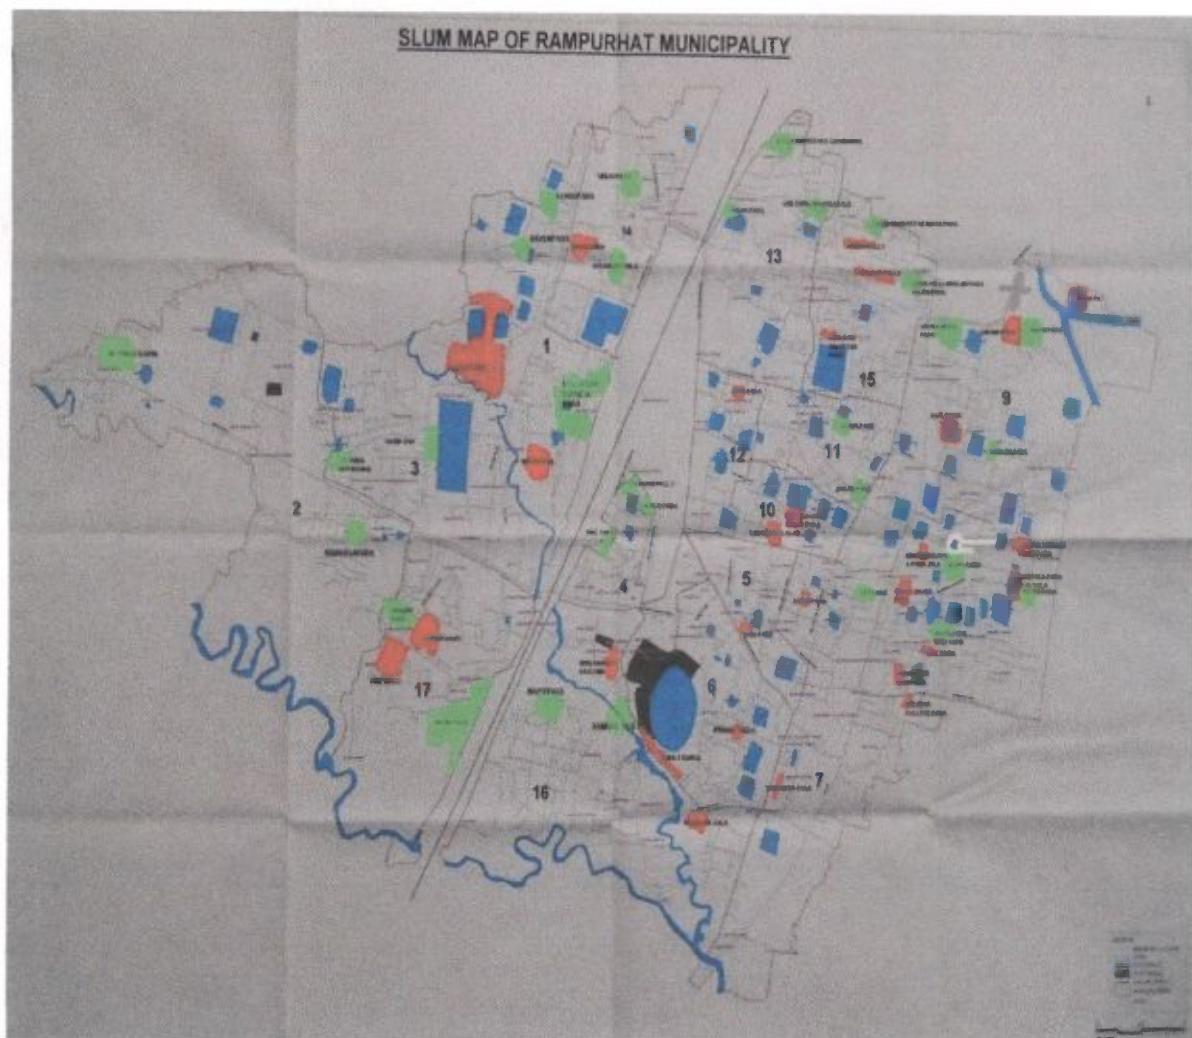

As an inevitable consequence of growing population and urban lifestyle, use of disposable items, a large portion of which is non-biodegradable, is increasing. Thus management of solid waste to keep out city clean and at the same time to make ourselves able to live a healthy life has become a serious problem and Rampurhat municipal area is not an exception to that. As per standard, generation of solid waste in urban areas is 0.3-0.5 kg/capita/day and thus considering total population strength of 50,613 persons (2001 census), the total quantity of solid waste should be

25,306 kgs i.e., 25.306 ton/day. According to municipal records, solid waste generated in Rampurhat municipal area is 1200 cft (48 MT)- 1300 (52 MT) cft.

1.5. Assessment of Present Status of Slums

Rampurhat Municipality has a total of 57 slums spread across all the 18 wards (till 2014 it was 17 wards, from 2015 it is now 18 wards) of the municipality. The population of Rampurhat is 57891(census 2011) of which number of population residing in slums are 21508. According to USHA survey total slum household is 7354. Out of these slum households 3964 nos. of households lives in kutcha houses whereas 744 nos. of households lives in semi-pucca houses.

The following map will show the location of notified and non-notified slums of Rampurhat-Municipality.

Town Features

Rampurhat Municipality established on 11th May 1950, is a Sub-Divisional Town in the North-East corner of District Birbhum. This town has bifurcated by the Burdwan-Sahebgang Loop line under Eastern Railway. The Birbhum district lies between $23^{\circ} 32'30''N$ and $24^{\circ} 35'WN$ latitude and $88^{\circ} 01'40''E$ and $87^{\circ} 05'25''$ longitudes and the Rampurhat lies on $24.2^{\circ} N$ latitude and $88.1^{\circ} E$ longitude. Rampurhat at about 275 km. From state capital 'KOLKATA' is situated on the important National High way connecting both N.H-2 (Kolkata-Delhi Road) and N.H-31 (Delhi-Assam Road) on the Eastern Railway (Calcutta –Assam main line). Adjacent state of Rampurhat is Jharkhand and districts are Burdwan, Murshidabad. It is 175 km far from district head quarter of Burdwan and 100 km. From district head quarter of Murshidabad. The nearest important districts are Burdwan (175km), Durgapur (135 km, a famous industrial belt in India) , Asansol (175 km, a coal mine, Eastern-Coldfield) area. Murshidabad, a famous place for battle between Nabab Sirajodaulla and British Soldiers, Dumka, the hq. Of Dumka district of Jharkhand State and Bolpur-Shanteniketan enriched with Visva-Bharati University created by Kabiguru R.N.Tagore.. At present the area of this town is 16.23 sq. Km and Municipal area is divided into 18 (Previously it was 17 wards and from 2015 after delimitation it is now 18 wards) municipal wards for administrative purposes.

ADMINISTRATIVE BOUNDARIES

The Town is bounded by Rampurhat in West, Sainthia in East, Dumka of Jharkhand in South and –in North.

DEMOGRAPHIC PROFILE

- **Total Population:** 57,891 (as per 2011 census).
- **Male:** 29,569 **Female:** 28313; **Literacy Rate:** 78.236%

Linkages of Rail, Road:

The town is well connected with its hinterland by Roads. It is situated on a National Highway connecting two National Highway i.e. NH-2 &NH-31 .The Bar-howrah loop line and Howrah-Assam main line of the Eastern and North Frontier Railway passes through this district and Rampurhat is an important railway station. The principal means of communication of the town and motor tracks, buses, taxies, two-wheeler, cycle and rickshaws etc. Of late a network of bus services has opened a new horizon. Rampurhat is connected with different Major District Roads and Village Roads of total length of about 400 km within the District.

Places of interest

Rampurhat is enriched in cultural heritage. The tourist attraction for Tarapith which contain an important hindu temple and famous for the great devotee 'Bamakhepa'. It is also recognised as 'Shaktipith' as per Hindu belief. The river Dwarka flows by this side. Another attraction for Hindu devotees 'Nalateswari Mandir' situated at Nalhati, 15 K.M. away from the town. It is tribal

inhabitant area famous for Dokra Art and docra industries. Tourists come to visit the forest some important old temples. It is also allied tourists spot of Bolpur-Shantiniketan.

Working Definitions

Affordable Housing Project:	Housing Projects where 35 % of the houses are constructed for EWS category
Beneficiary	A beneficiary family will comprise husband, wife and unmarried children. The beneficiary family should not own a pucca house (an all-weather dwelling unit) either in his//her name or in the name of any member of his/her family in any part of India
Carpet Area	Area enclosed within the walls, actual area to lay carpet. This area does not include the thickness of the inner walls.
Central Nodal Agencies	Nodal Agencies identified by Ministry for the purposes of implementation of Credit Linked subsidy component of the mission
Economically Weaker Section(EWS)	EWS households are defined as households having an annual income up to Rs 3, 00,000(Rupees Three Lakhs). States/UTs shall have the flexibility to redefine the annual income criteria as per local conditions in consultation with the Centre
EWS House	An all-weather single unit or a unit in a multi storeyed super structure having carpet area of upto 30 sq.m. with adequate basic civic services and infrastructure services like toilet , water, electricity etc. States can determine the area of EWS as per their local needs with information to Ministry
“Floor Area Ratio” (FAR)/FSI	<p>The quotient obtained by dividing the total covered area (plinth area) on all the floors by the area of the plot:</p> $\text{FAR} = \frac{\text{Total covered area on all the floors} \times 100}{\text{Plot area}}$ <p>If States/Cities have some variations in this definition, State/City definitions will be accepted under the mission</p>
Implementing Agencies	Implementing agencies are the agencies such as Urban Local Bodies, Development Authorities, and Housing Boards etc. which are selected by State Government / SLSMC for implementing Housing for All Mission.

Low Income Group (LIG)	LIG households are defined as households having an annual income between Rs.3, 00,000 (Rupees Three Lakhs One) up to Rs.6, 00,000 (Rupees Six Lakhs). States/UTs shall have the flexibility to redefine the annual income criteria as per local conditions in consultation with the Centre.
Primary Lending Institutions (PLI)	Scheduled Commercial Banks, Housing Finance Companies, Regional Rural Banks (RRBs), State Cooperative Banks, Urban Cooperative Banks or any other institutions as may be identified by the Ministry
Slum	A compact area of at least 300 population or about 60-70 households of poorly built congested tenements, in unhygienic environment usually with inadequate infrastructure and lacking in proper sanitary and drinking water facilities.
State Land Nodal Agencies (SLNAs)	Nodal Agency designated by the State Governments for implementing the Mission
Transfer of Development Rights (TDR)	TDR means making available certain amount of additional built up area in lieu of the area relinquished or surrendered by the owner of the land, so that he can use extra built up area himself in some other land.

PREFACE

Pradhan Mantri Awas Yojana (PMAY) aims at Providing Housing for All (HFA) by 2022 when the Nation Complete 75 years of its independence.

The urban homeless persons contribute to the economy of the cities and thus the Nation as cheap labour in the informal sector; yet they live with no shelter or social security . The urban homeless service with many challenges like no access to elementary Public Services such as health, education, food, water and sanitation. Pradhan Mantri Awas Yojana (PMAY) also aims at providing a pucca house to every family with water connection, toilet facilities, 24 X 7 electricity supply and access.

The Mission seeks to address the housing requirement of urban poor including slum dwellers through “In Situ” Slum Redevelopment, Affordable Housing through credit linked subsidy, Affordable Housing in partnership and subsidy for beneficiary led individual house. Under the mission, beneficiaries can take advantage under one component only.

Total beneficiaries of the scheme are 1341 nos from 51 nos slum and 34 nos of Non Slum projected for the year 2015-16 .

Total cost of the project is **Rs. 54.16Crores** as per relevant department & P.W.D. schedule of rates.
