DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

PREFACE

Pradhan Mantri Awas Yojana (PMAY) aims at Providing Housing for All (HFA) by 2022 when the Nation Complete 75 years of its independence.

The urban homeless persons contribute to the economy of the cities and thus the Nation as cheap labour in the informal sector; yet they live with no shelter or social security . The urban homeless service with many challenges like no access to elementary Public Services such as health, education, food, water and sanitation. Pradhan Mantri Awas Yojana (PMAY) also aims at providing a pucca house to every family with water connection, toilet facilities, 24 X 7 electricity supply and access.

The Mission seeks to address the housing requirement of urban poor including slum dwellers through "In Situ" Slum Redevelopment, Affordable Housing through credit linked subsidy, Affordable Housing in partnership and subsidy for beneficiary led individual house. Under the mission, beneficiaries can take advantage under one component only.

Total beneficiaries of the scheme are **206 nos** from slum and Non Slum area projected for the year 2019-20

Total cost of the project is **Rs. 833.89 lakhs** as per relevant department & P.W.D. schedule of rates.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

Introductory Note by Chairman

Tarakeswar Town is situated in the district of Hooghly of West Bengal. It is a famous pilgrim place for the temple of Lord Siva(Taraknath). Its importance has raised to its zenith because near about 15 to 20 Lakhs of Pilgrims from different places of India and abroad pour to this town to visit the temple and offer their "Puja" to the Lord Siva. It is also considered as the "Gateway to Kolkata", the capital of West Bengal. Tarakeswar is connected with Kolkata by railway and road. It is densely populated and nearly thirty to forty thousand people use this town daily for going to Kolkata and coming to visit the temple of Lord Siva.. Moreover, lakhs of people assemble at the time of Srabani Mela , Gazan Mela, Shivaratri Mela

etc. to offer worship to Lord Siva.

Tarakeswar Municipality not only looks after the amenities of the citizens of Tarakeswar but equally provides services to the Pilgrims who visit this place of Pilgrimage for worshipping. Tarakeswar Municipality is duty bound to offer necessary amenities to those pilgrims who pour in our town as well as the daily Commuters. The well experienced and dedicated band of staff including the representative of people i.e the councillors are always alert about their duties and try heart & soul to look after and redress the need and demand of people.

It is great opportunity for me to offer my heartfelt thanks and gratitude to Principal Secretary ,M.A Deptt. Director, SUDA , Chief Engineer , MED, and all officials of SUDA & MED specially Mousumi Mukherjee , A.E , MED for providing Technical in respect of preparation of the Detail Project Report of Housing for All under PMAY and side by side , the excellent support and sincere help received from all councillors, who have helped me to an impressive extent.

My sincere gratitude to Executive Officer , Finance Officer, Sub Assistant Engineer, Accounts & Finance Coordinator and all officials of Tarakeswar Municipality and citizens of Tarakeswar town for extending their all out support for the attainment of success in regard to the preparation of Housing for All Plan of Action of Tarakeswar Municipality. The excellent performance of Subhasis Singha Chowdhury, Urban Planner of this municipality has really impressed me and he deserves appreciation.

I wish all out success of the Housing for All Plan of Action at the stage of implementation.

Chairman
Tarakeswar Municipality

Swapan Samanta
Chairman,

Tarakeswar Municipality at a Glance

1: History

Tarakeswar, as its name elicited is a famous shrine of Lord Taraknath, the one of the prime deity of the Hindu religion. From the records, the lord Taraknath was founded by the king Bishnudas , his brother Bharamallya & with almost Five to Six hundred Brambhins almost 280 years ago . It invites lakhs of pilgrims from all over India for worshipping the Taraknath throughout the year and as a result Tarakeswar finds place among the famous pilgrims station of India.

In this “Statistical Account of Bengal” Mr. W.W. Hunter describe Tarakeswar as a village containing a large shrine dedicated to Lord SHIVA.

It is one of the most ancient Broad gage Railway of India. At first Hore Miller & Co. submitted a proposal to the dominated Govt. of undivided India for a Railway track from main line to Tarakeswar. The branch line of railway track was inaugurated on dated 5th January 1884 in presence of the Governor General Lord Dafrin, Surendranath Banerjee, Jatindranath Thakur and others.

2: Year of Establishment

Tarakeswar Municipality has completed 39 years of its infrastructural existence in 2014(6th August, 1975). Within this eventful period it has made despite numerous odds a remarkable progress. It started its journey with only 8 nos. of Ward and 10,000 population. Today the total number of population has exceeded 31344 and also 15 nos. of Ward.

3: Administrative Boundaries

The Town is situated at 22 53” N and 82 2” E. It is in the Chandannagore sub-division in Hooghly District of Burdwan Division in the state of West Bengal. It is situated in the middle part of the Hooghly District . The Town is connected both by railway and State Highway. The Town is 48 km. From Chinsurah, the District Headquater and 45 km from Chandannagore, the Sub-Divisional Headquarter and 58 km from Kolkata, the State Capital by railway (BG) .It is also connected with other urban centers of District with motorable roads.

At present the area of the town is 3.88 Sq km. The Municipal area is divided into 15 No. wards for administrative purpose. Tarakeswar town is situated in the center of Tarakeswar Block .Four Gram Panchayet surround this Municipality . North portion of this town is Bhanjipur Gram Panchayat, south portion is Ramnagar Gram Panchayet, east portion is Baligori (1) Gram Panchayet and west portion is Sontoshpur Gram Panchayat.

4: Linkages of Rail, Road, Port and Air

Total Population Growth of the Municipality

Year	Area of the Town (in Sq KM)	Population	Density per Sq. KM (Population per Unit area)	Population growth rate
1991	3.88	22632	5832	37.06
2001	3.88	28178	7264	24.50
2011	3.88	30947	7976	8.94

Salient features of the Demographic growth .

1. Tarakeswar Municipality consists of 15 wards . It is operant from the above table no.1.1 that the decadal growth of population of this Municipality from during the decade 1981 to 1991 was 37.06 % and during the decade from 1991 to 2001 growth was 24.50 % . The reason behind it was increase of birth rate, decrease of death rate and migration of people from rural areas. But the decade from 2001 to 2011 growth was 8.94 % . The reason behind it was decrease of birth rate .
2. Ward no. 1 has been bifurcated in two wards in 2001, viz., ward no. 1 & ward no. 12. According to the Census report of 1981 the total population of ward no 1 was 1514 and it was 2497 in 1991 therefore the growth rate in this decade(1981-1991) was 64.92%. In 2001 the population of ward no 1 after bifurcation was 1642, i.e a decrease of 34.24%. The population of the new ward being no.12 was 1382. The sum total of population of ward no. 1 & ward no. 12 was 3024. therefore in comparison with the population of pre-bifurcated ward no. 1 there was a growth of 21.10% , taking both the ward as one unit.
3. Similarly Ward no. 4 has been bifurcated in two wards in 2001, viz., ward no. 4 & ward no. 13 . According to the Census report of 1981 the total population of ward no 4 was 1764 and it was 2422 in 1991 therefore the growth rate in this decade(1981-1991) was 37.30 % . In 2001 the population of ward no 4 after bifurcation was 1539, i.e a decrease of 36.45 % . The population of the new ward being no.13 was 1316. The sum total of population of ward no. 4 & ward no. 13

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

was 2855. therefore in comparison with the population of pre-bifurcated ward no. 4 there was a growth of 17.87 % , taking both the ward as one unit.

4. Ward no. 9 has been bifurcated in two wards in 2001, viz., ward no. 9 & ward no. 15. According to the Census report of 1981 the total population of ward no 9 was 2020 and it was 3282 in 1991 therefore the growth rate in this decade(1981-1991) was 62.47%. In 2001 the population of ward no 9 after bifurcation was 1816, i.e a decrease of 44.66%. The population of the new ward being no.15 was 2110. The sum total of population of ward no. 9 & ward no. 15 was 3926. Therefore in comparison with the population of pre-bifurcated ward no. 9 there was a growth of 19.62% , taking both the ward as one unit.
5. Ward no. 11 has been bifurcated in two wards in 2001, viz., ward no. 11 & ward no. 14 According to the Census report of 1981 the total population of ward no 11 was 2315 and it was 3222 in 1991 therefore the growth rate in this decade(1981-1991) was 39.17%. In 2001 the population of ward no 11 after bifurcation was 2116, i.e a decrease of 34.32%. The population of the new ward being no.14 was 2576. The sum total of population of ward no. 11 & ward no. 14 was 4692. Therefore in comparison with the population of pre-bifurcated ward no. 11 there was a growth of 45.62% , taking both the ward as one unit.
6. Though ward no 3 has not been bifurcated, there is a decadal decrease of population (5.80 %) during the decade of 1991 to 2001. The reason behind it was shifting tenants of the rental houses from this ward to other places.

7: Places of Interest

Tarakeswar, as its name elicited is a famous shrine of Lord Taraknath, the one of the prime deity of the Hindu religion. From the records, the lord Taraknath has been founded by the king Bishnudas , his brother Bharamallya & with almost Five to Six hundred Brambhin From almost 280 years ago . It invites lakhs of pilgrims from all over India for worshipping the Taraknath throughout the year and as a result Tarakeswar finds place among the famous pilgrims station of India.

In this "Statistical Account of Bengal" Mr. W.W. Hunter describe Tarakeswar as a village containing a large shrine dedicated to Lord SHIVA.

It is one of the most ancient Broad gage Railway of India. At first Hore Miller & Co. has submitted a proposal to then dominated Govt. of undivided India for a Railway track from main line to Tarakeswar. After all the branch line of railway track has inaugurated on dated 5th January 1884 in presence of the Governor General Lord Dafrin, Surendranath Banerjee, Jatindranath Thakur and others.

Land Use pattern of Tarakeswar

Existing Situation

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

The Town is situated at 22°53" N and 82°2" E. It is in the Chandannagore sub-division with Hooghly District of Burdwan Division in the state of West Bengal. It is in the middle part of the Hooghly District. The Town is connected both by railway and State Highway. The Town is 48 km. From Chinsurah, the District Head quarter and 45 km from Chandannagore, the Sub-Divisional Headquarter and 58 km from Kolkata, the State Capital by railway (BG) .It is also connected with other urban centers of District with motor able roads

At present the area of the Tarakeswar Municipality is 3.88 Sq km. The Municipal area is divided in to 15 No. wards for administrative purpose. Economy of the town is based mainly on Agriculture and Trading, very small in Industries. There are 3 Nos. of Cold storage and few Nos. of oil Mill, Jute Bags, Soap Factory, and Candle manufacturing units in the town. Tarakeswar being a famous pilgrim station is linked with the District of Bankura, Burdwan, Purulia, Birbhum, Midnapur, Malda, Howrah and different urban centers . Besides this town is famous for Potato export center. Population as per 2011 Census is 30,947, Male population is 16,049 and Female population is 14,898. The Sex ratio (i.e. number of female per 1000 males) of population is 928. The gross density of population is 7976 person per Sq.km.

The town has got about 48.24 KM roads out of which 28.79 KM. is metallic (Bituminous & Concrete) road, 19.45 KM is Brick pavement & bats moorum roads.

List of ongoing Land use and development projects in the ULB

Sr. No.	Project name, approx. Project cost and Location	Implementing Agency	Status and issues if any	Targeted time for completion
1	Repaifing of Bus terminus at Joy krishna Bazar in Ward no 14	ULB	In progress	3 yrs
2	Construction of Auditorium at Joykrishna bazaar in Ward no. 11(1 st Phase)	ULB	In progress	3 yrs

2.2 Technical review for understanding overall trends in land use development of region

Major Land Use pattern in Tarakeswar Municipality is Residential (26.63 %). Other than that Agriculture Land Use is sufficiently high (25.60%). Commercial Land Use is well above 6% that suggests. But there is very less Industrial Land Use, which suggests that the economy is based on Agriculture and Market. Percentage of land lying vacant and un-utilized is 16.65%. Apart from that 7.75% land is remaining as Wet lands and Lakes. There is sufficient scope of developing Agricultural produce processing industries utilizing the agricultural produce of the region, vacant land and vibrant market.

Table LUP-2 suggests that approximately 31% of the Municipal Area is Disaster prone area (i.e. flood prone area) and the worst affected areas are Ward 6, 8, 11, 12, 13, 14, and 15.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

Land Use Pattern

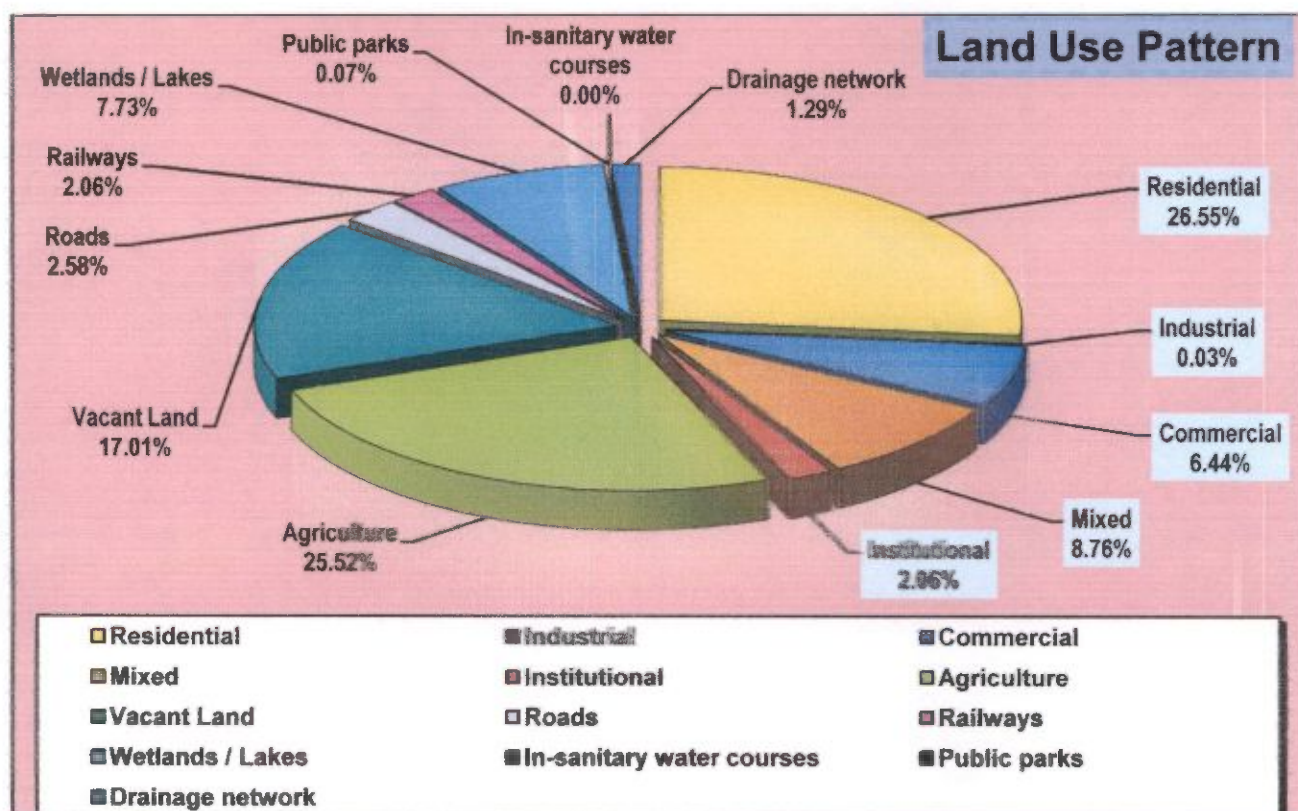

Table LUP-2 suggests that about 44% of the land is built up and among that most of the area consists human habitation. There are areas or buildings though having human habitation at present but they were unfit for the purpose, needs immediate attention of the authority. Those areas are the oldest areas consisting of heritage sites. The situation calls for repair and preservations.

There are also some encroached areas where people have squatter settlements, and their living condition is too poor to be a human habitation. They need special housing and neighbor hood planning programs along with livelihood development programs within the informal clusters.

HFAPoA and Pradhan Mantri Awas Yojana (Housing for All)

To give pucca house for every family is currently on the global agenda. One of the Millennium Development Goals (MDGs) is to 'achieve significant improvement in the lives of slum dwellers, by 2022'. Similar goals are set forth by Pradhan Mantri Awas Yojana within year 2022, to create pucca house for every family.

ULB undertake a demand survey through suitable means for assessing the actual demand of housing. While validating demand survey, Cities consider possible temporary migration from rural areas to the city just to take advantage of housing scheme and exclude such migrants from list of beneficiaries. On the basis of demand survey and other available data, cities prepare Housing for All Plan of Action (HFAPoA). HFAPoA contain the demand of housing by eligible beneficiaries in the city along with the interventions selected out of four verticals. The information regarding beneficiaries is collected by ULB in suitable. While preparing HFAPoA, ULB and Implementing Agencies also consider the affordable housing stock already available in the city as Census data suggests that large number of houses are vacant.

Bank account number and Aadhaar number/Voter ID card/any other unique identification details of intended beneficiaries or a certificate of house ownership from Revenue Authority of beneficiary's native district integrate in the data base of HFAPoA for avoiding duplication of benefit to one individual family. Beneficiaries is validated by ULBs thereby ensuring their eligibility at the time of preparation of the projects and approval of projects.

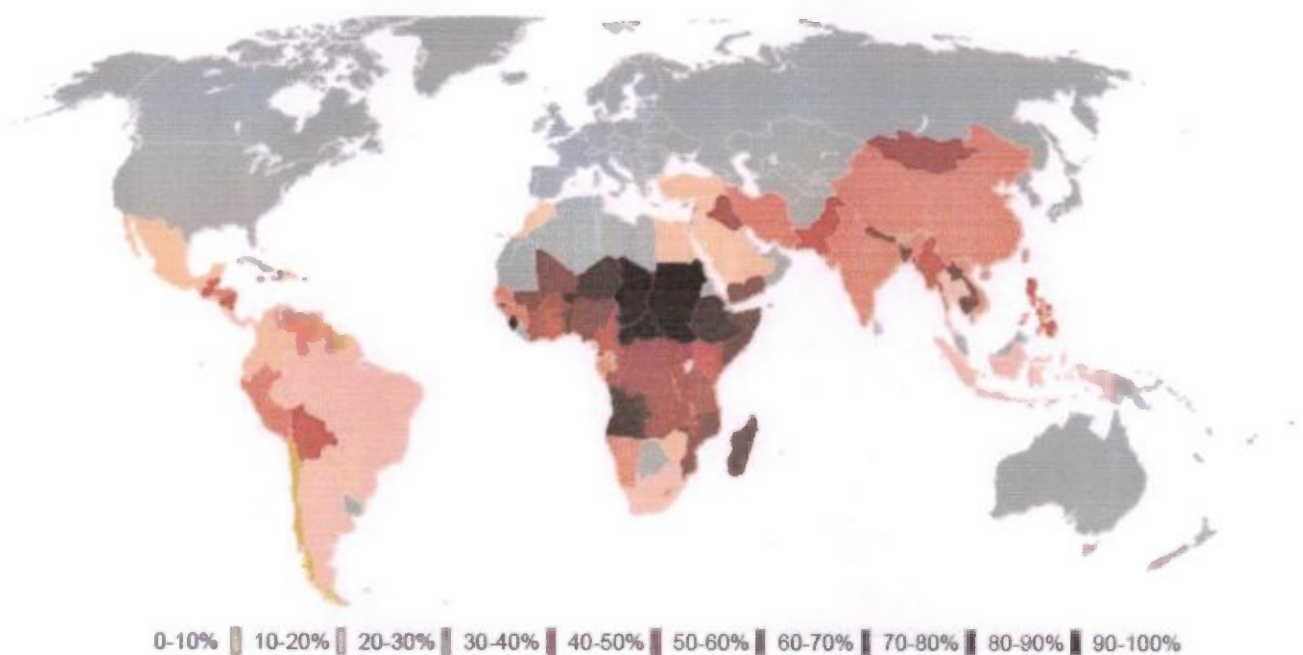

On the basis of HFAPoA, States/Cities subsequently prepare the Annual Implementation Plans (AIPs) dividing the task upto 2022 in view of the availability of resources and priority. For larger cities, HFAPoA and AIPs is prepared at sub-city (ward/zone etc.) level with the approval of concerned State/UT Government. The result of demand survey, draft HFAPoA and draft AIP is discussed with the local representatives including MLAs and MPs of that area so that their views are adequately factored in while finalising the plans and beneficiary list.

Cities which have already prepared Slum Free City Plan of Action (SFCPoA) or any other housing plan with data on housing, utilise the existing plan and data for preparing "Housing for

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

All Plan of Action” (HFAPoA). Houses constructed under various schemes should be accounted for while preparing HFAPoA

Urban Population Living in Slums and the Indian Scenario (source: UN-HABITAT)

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

The preparation of HFAPoA broadly involve Slum Development/Rehabilitation Plans based on

- a. Survey of all slums – notified and non-notified;
 - b. Mapping of slums using the state-of-art technology;
 - c. Integration of geo-spatial and socio-economic data; and
 - d. Identification of development model proposed for each slum.
-
1. Base maps to an appropriate scale would be a pre-requisite for the preparation of Slum Development Plan/Slum-free City Plan. States/UTs may need to proceed in the following steps for the preparation of Slum-free City Plans.
 2. Securing CARTOSAT II/latest satellite images from NRSC/ISRO and preparation of base maps for the whole city and its fringes using the images;
 3. Identification and inventory of all slum clusters of all descriptions in the urban agglomeration with the help of satellite image and other available data;
 4. Inventory of all possible vacant lands in each zone of the urban agglomeration that could be
used for slum development/ rehabilitation development purposes;
 5. Development of Slum Map of every slum within the city and its fringes using GIS with CARTOSAT II images, ground level spatial data collected through total station survey, collating spatial information with respect to plot boundaries, network of basic infrastructure like roads, sewerage, storm drainage and water lines, etc and superimposing this on the satellite image and importing them into GIS platform as the first step towards the preparation of Slum Development Plans and Slum Free City Plan.
 6. This may be undertaken with the help of technical partners of NRSC/ ISRO/other technical institutions.
 7. Identification and engagement of Lead NGO/CBO to guide and anchor community mobilization for the purpose of slum survey, (May be more than one NGO/CBO in different slum zones) of the city. These Lead NGOs/CBOs should also be associated in slum survey operations and dialogues for preparation of slum level development plans;
 8. Conduct of Slum Survey based on the detailed formats (with or without changes) prepared by the Ministry of Housing & Urban Poverty Alleviation with the help of National Buildings Organization (NBO) - after due training of trainers, training of survey personnel

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

/canvassers and canvassing. It would be helpful for community mobilization to pick as many canvassers from the sourced slum or nearby slum pockets;

9. Collection of bio-metric identification data of slum dwellers based on the above survey (subject to guidelines issued by Unique Identity Authority of India (UIDAI));
10. Entry of data from Slum Surveys in the web-enabled MIS application (to be provided by Ministry of HUPA), compilation and collation of data, preparation of Slum-wise, City and State Slum Survey Database and Baseline Reports. The MIS will assist in developing a robust Slum and Slum Households Information System. (Guidelines and software for development of the MIS will be issued by the Ministry of HUPA);
11. Integration of Slum MIS with GIS Maps to enable the preparation of GIS-enabled Slum Information System that is to be used for the preparation of meaningful Slum Development Plans and Slum-free City Plan using a city-wide/zone-based approach. (Guidelines and software for development of GIS platform and its integration with the MIS will be issued by the Ministry of HUPA);

Introduction to Pradhan Mantri Awas Yojana (PMAY)

Pradhan Mantri Awas Yojana (PMAY), a path breaking scheme for the slum dwellers and urban poor envisages a 'Pucca house to every family' through encouraging States to tackle the problem of slums in a holistic manner. It calls for a multi-pronged approach focusing on:

- ☐ Bringing existing slums within the formal system and enabling them to avail of the same level of basic amenities as the rest of the town.
- ☐ Redressing the failures of the formal system that lie behind the creation of slums.
- ☐ Tackling the shortages of urban land and housing that keep shelter out of reach of the urban poor and force them to resort to extra-legal solutions in a bid to retain their sources of livelihood and employment.
- ☐ Enactment of a set of reforms at the state and city level related to inclusive planning, regulation and financing, which would ensure that adequate fresh housing stock and services get created on an ongoing basis to

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

address both current and future needs of cities.

- ☐ An integrated approach covering shelter, services and livelihoods for poor slum communities.

The duration of Pradhan Mantri Awas Yojana [PMAY]

2015 TO 2022

Eligible Components of the PMAY:

Allotment of Houses

Allotment of dwelling units will be in the name of the female member of the . Alternatively, it can be allotted in the name of husband and wife jointly. Ownership of land required for every Beneficiary.

A EWS beneficiary family will comprise husband, wife and unmarried children.

The beneficiary family should not own a pucca house (an all weather dwelling unit)

either in his/her name or in the name of any member of his/her family in any part of India to be eligible to receive central assistance under the mission.

EWS households are defined as households having an annual income up to Rs.3,00,000 (Rupees Three Lakhs). States/UTs shall have the flexibility to redefine the annual income criteria as per local conditions in consultation with the Centre.

Following infrastructure will be considered for support under PMAY:

1. Water connection
2. Toilet facilities
3. 24 x 7 Electric facilities
4. Roads

Need for Projects

This development project models will give benefits in the city . One of the key objectives of developing the Projects is to incentivize innovation and encourage new approaches and solutions that can demonstrably improve the quality and quantity of shelter and services for the poor.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

Such innovation could encompass:

- ☐ Projects with strong community participation i.e. Slum upgradation/ redevelopment projects initiated/spearheaded by the community; or with their demonstrable involvement and participation in design, planning and implementation
- ☐ New models of public-private partnerships whereby the private sector can be encouraged to take up affordable housing for the EWS/LIG.
- ☐ Innovations in planning, demonstrating integrated livelihoods, shelter and services; or convergence.
- ☐ Innovative or cost effective and green building design and technologies.
- ☐ Financial innovations in delivering the city/state wide programme.

Aims and Objectives

Vision

The mission seeks to address the housing requirement of urban poor including slum dwellers through following programme verticals:

- Slum rehabilitation of Slum Dwellers with participation of private developers using land as a resource
- Promotion of Affordable Housing for weaker section through credit linked subsidy
- Affordable Housing in Partnership with Public & Private sectors
- Subsidy for beneficiary-led individual house construction

Objectives

The project has been designed keeping in mind the following objectives.

- ☐ Integrated development of all existing slums, notified or non-notified, i.e., development of infrastructure and housing in the slums/rehabilitation colonies for the slum dwellers/urban poor, including rental housing.
- ☐ Development/improvement/maintenance of basic services to the urban poor, including water supply, sewerage, drainage, solid waste management, approach and internal road, street lighting.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

- ☐ The Creation of affordable housing stock, including rental housing with the provision of civic infrastructure and services, on ownership.
- ☐ Encouraging Public Private Partnership by having pay and use toilets and educate the slum dwellers for keeping the environment clean and hygienic.

State PMAY Mission Director

The Nodal Ministry and National Mission Directorate is Ministry of Housing & Urban Poverty Alleviation, Government of India.

The Nodal Department for West Bengal is Municipal Affairs Dept. (M.A. Department), Government of West Bengal. The state level Nodal Agency is State Urban Development Agency (SUDA) under M.A. Department. State Urban Development Agency was set up in 1991 with a view to ensuring proper implementation and monitoring of the centrally assisted programmes for generating employment opportunities and alleviation of poverty throughout the State. SUDA is a Society registered under the West Bengal Societies Registration Act, 1961.

Funding Pattern of PMAY

Funding pattern for PMAY(Housing for all)

- ☐ Central share 1.5 LAKHS of total cost of dwelling unit
- ☐ Beneficiary share 0.25 LAKHS of total cost of dwelling unit
- ☐ State share rest of total cost of dwelling unit
- ☐ State + ULB bear the cost of infrastructure
- ☐ State share for infrastructure to be minimum 5%
- ☐ ULB share for infrastructure to be minimum 5%
- ☐ Cost of infrastructure 10 % of sum total cost of dwelling unit

Approvals & Release of Funds

- ☐ Releases and approvals to be on the basis of DPRs which need to be submitted with approval of State Level Sanctioning and Monitoring Committee
- ☐ Innovative projects to be considered for sanction even in the preparatory stage.
- ☐ Central Funds to be released in three installments to the State Governments/SLNA; central assistance under different components will be released to the state / UTs after the approval of CSMC and with concurrence of the integrated Financial Division of the Ministry. Central share would be released in three installment of 40%,40% and 20% each.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

Materials of construction:

- ☐ PCC (1:3:6) for foundation
- ☐ RCC M-20 for substructure & superstructure (Column, Beam, Slab)
- ☐ HYSD Steel
- ☐ 1st Class Brick Masonry
- ☐ 1:6 (Cement: Sand) plaster – 10 mm on soffit of beam & slab, 15 mm on internal walls & 20 mm on external walls
- ☐ IPS flooring

Definition of Slum for Housing

Different definitions of a slum exist in different statutes and in urban poverty literature. For the purpose of HOUSING SCHEME, it is proposed to adopt the definition given in the 2001 Census, which is as follows:

- a. All areas notified as 'Slum' by State/Local Government and UT Administration under any Act;
- b. All areas recognized as 'Slum' by State/Local Government and UT Administration, which have
not been formally notified as slum under any Act;

'Slum' or 'Slum Area'– is a compact settlement of at least 20 households (For NE & Special Category States it is 10-15 households) with a collection of poorly built tenements, mostly of temporary nature, crowded together usually with inadequate sanitary and drinking water facilities in unhygienic conditions.

Situation Appraisal

The people living in the slums mostly have kutcha (10) and semi-pucca (186) housing. In certain cases where pucca housing is available, they are usually in dilapidated condition. The kutcha houses are in very poor condition and require extensive repairs. Most of the houses have tiles on roof. While during the survey some of the houses have been noted to be in average condition, the quality of these houses is also speedily deteriorating.

Proposed Intervention

In line with the vision to **'housing for all'**, an integrated housing programme is proposed to

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

be implemented. The target will be all the slum /Non Slum dwellers in the pocket.

Building Plan

The buildings are proposed to cover an area of approximate 32 Sq.mt along with provision of 2 rooms, kitchen and sanitation facility. The layout, size and type design of housing dwelling units depends on the local conditions and the preferences of the beneficiary. The houses, has been designed in accordance with the desire of the beneficiaries, keeping in view the climatic conditions and the need to provide ample space, kitchen, ventilation, sanitary facilities, etc. and the community perceptions, preferences and cultural attitudes.

In line with the scheme, carpet area of the house will be not less than 25 sq. mts and preferably two room accommodation plus kitchen and toilet should be constructed.

Compliance with Municipal Bye laws

All designs & drawings are created keeping in line with the municipal bye laws.

Building material

- ☐ PCC (1:3:6) for foundation
- ☐ RCC M-20 for substructure & superstructure (Column, Beam, Slab)
- ☐ HYSD Steel
- ☐ 1st class Brick Masonry
- ☐ 1:6 (Cement: Sand) plaster – 10 mm on soffit of beam & slab, 15 mm on internal walls & 20 mm on external walls
- ☐ IPS flooring

Structural Design

- ☐ Following are the general considerations in the analysis/design.
- ☐ For all structural elements, M20 grade concrete and Fe 415 grade of steel is used.
- ☐ Plinth beams passing through columns are provided as tie beams.
- ☐ Pedestals are proposed up to ground level.
- ☐ Beam Centre-line dimensions are followed for analysis and design.
- ☐ For all the building, walls of 250 mm and 125mm thick with 20 mm External plaster and 12 mm thick internal plaster are considered.
- ☐ Seismic loads are considered acting in the horizontal direction along either of the two principal directions.

DPR of Tarakeswar Municipality for 2019-20 under PMAY-HFA

Design data

- ☐ Live load: 2.0 kN/m² at typical floor
- ☐ 1.5 kN/m² on terrace (With Access) : 0.75 kN/m² on terrace (without Access)
- ☐ Floor finish 50mm (0.05*24) = : 1.2 kN/m²
- ☐ Ceiling plaster 12mm (0.012*20.8) : 0.25 kN/m²
- ☐ Partition walls (Wherever Necessary) : 1.0 kN/m²
- ☐ Terrace finish: 1.5 kN/m²
- ☐ Earthquake load: As per IS-1893 (Part 1) - 2002
- ☐ Depth of foundation below ground: ,0.7 m
- ☐ Walls: 250 mm thick brick masonry walls at external and 125mm walls internal.

Reference codes:

- ☐ IS 456: 2000 - Code of practice -Plain and Reinforced concrete.
- ☐ IS :1893 :2002 - Criteria for Earthquake resistant design of structures(Part-1)
- ☐ IS: 13920: 1993 - Ductile detailing of Reinforced concrete structures subjected to seismic forces.
- ☐ SP: 34 - Hand Book on Concrete Reinforcement and Detailing.
- ☐ S: 875: 1987 - Code of practice for design loads (other than earthquake) for buildings and structures. (Part-2)
- ☐ NBC:2005
