dt.09.09.2016)

Sub: Non-operation/operation of Movable Compactors

186 Number of Movable Compactors were ordered for 123 ULBs in West Bengal. Four (4) Hill towns (viz. Darjeeling, Kalimpong, Kurseong and Mirik) did not accept the Compactors. 6(six) Movable compactors earmarked for the 4 Hill Towns were later allotted to other ULBs.

Most of the Movable compactors were supplied by the lowest bidder M/S HYVA (India) Pvt. Ltd. and were commissioned by May, 2016. The operation started subsequently. In 29 ULBs operation of 42 Movable compactors could not be continued/ resumed on account of various reasons upto the end of July, 2016. The reasons were related with dumping ground, narrow roads and ULBs own issue. However, most of the ULBs who had initial teething trouble have since commenced operation realising its necessity. At present only 7 compactors in 6 ULBs have not started operation. Details are as below:

Name of ULBs	Quantity
Dubrajpur	1
Dhupguri	1
Pujali	1
Kaliyaganj	1
Kandi	1
Asansol MC	2
Total	7

As the ULBs are not utilising the 14.6 cum capacity Movable Compactors even after four months of commissioning it is proposed that,

- These 7 compactors may be utilised by other ULBs who are in need of more compactors.
- To write to these 6 ULBs mentioning specific period to start operation of the movable compactors ~~teething~~ which action of withdrawing of compactor will be initiated.

A draft letter in connection with (ii) above is enclosed.

Further instruction at MSP-2 may kindly be seen. A status report regarding operation of Compactor in 6 UCBs has been obtained from the Agency (placed at end note). It may be seen that except Pujali Municipality, other 5 UCBs (i.e. Dhupuri, Duburipuri, Katabari, Kandi, Asansol) has either made it operational or will be done so in October, 2016.

In view of above, we may consider to withdraw Compactor from Pujali Municipality and place the same at Katabari Municipality if approved. Further, we may assess the additional requirement of compactor from other UCBs for taking a suitable decision for procurement of additional compactor.
