NOTE SHEET

SUDA

Note at page 4-5.

This is regarding procurement^{and supply} of household bins to ensure household level segregation of wastes in the Ganga towns.

Technical specification of the household bin (10 lt) as adopted for earlier procurement ~~was~~ was accepted by the bin manufacturing agencies who had participated in a pre-tender meeting in SUDA on 9.9.19.

Now, if approved, zone wise e-tender for procurement of 10 lt bin (2 per household for wet and dry waste) may be floated following the requirement as detailed at NSP 1, dividing 42 Ganga towns in three zones.

To encourage citizen participation in the programme, ULBs may collect 30%-50% of the unit cost of bins ^{from the household} as beneficiary contribution, ^{excepting} slum dwellers or urban poor families. If, approved, ULBs may be intimated in ~~this~~ this line.

Sub : Requisition of bins for Bidhannagar Municipal Corporation.

Madam,

Kindly find enclosed in Annexure -I, the ward wise distribution of assesses and the requirement of 15 ltr. bins calculated @ 2 bins per household.

It has been earlier decided that in the first phase the new system of segregation of waste at source will be put into effect in the 10 (ten) wards of Bidhannagar Satellite Township area. Later the system will be rolled out in the other 31 wards of Bidhannagar Municipal Corporation.

As per the notification no. – BMC/GS/2019/1200 dated - 19.06.2019 issued by the Municipal Commissioner, the new system will be implemented from 14.08.2019.

You are requested to supply the required no. of bins to this end at least 10 (ten) days before i.e by 04.08.2019 for distribution of the same to the households.

An early action in this regard is highly solicited.

Thanking you.

Sub : Request to provide one lakh buckets for collection of
bio-degradable and non bio-degradable domestic waste.

Sir,

I would like to have this privilege to inform you that Haldia Municipality covering an area of 109 sq. km. with more than 50 thousand households has to collect municipal domestic waste everyday for transportation to Solid Waste Management Unit for disposal. So, the Board of Councillors has given top priority to segregate the bio-degradable and non bio-degradable Solid Waste at door to door collection point keeping in view the noble objective of Swachh Bharat and Nirmal Bangla Mission.

In view of the above, you are requested to provide this municipality at least one lakh PVC buckets to be used for segregation of the Municipal Domestic Waste at the door to door collection point immediately.

Thanking you,

Yours faithfully,

To
The Principal Secretary,
Department of Urban Development & Municipal Affairs,
Nagarayan Bhawan, Block DF-S, Sector I
Bidhannagar, Kolkata 700 061

Sub.: Submission of proposal for adequate manpower & equipments for
the model town Baidyabati.

Sir,

Kindly refer to your Notification No. $\frac{40-JS/(SM)/UD\&MA/2019}{SUDA\ 332/2019}$ dated 25th April, 2019 wherein the Municipality of Baidyabati along with Uttarpara and Rishra has been declared a model town. Elated at this though we are, we also strongly feel that we have greater responsibility to retain this status by dint of efficient performance in SWM.

Baidyabati Municipality has been complying with all the mandates of the MSW Rules 2016. But while doing so we find that we have several handicaps for which 100% compliance appears to be a difficult proposition. The most basic and important of all the mandates is "Segregation at Source" which in this municipality is commendably good. But primary collection from families and institutions and secondary transportation of collected waste to TS and CP uninterruptedly is constrained by "inadequate manpower" and "equipment".

This municipality is committed to managing solid waste towards perfection. Doing so with our own resource is not feasible. Our resources fall too short of what is actually required for raising our standard to that of a model town.

But must as we intend to raise our standard and retain our status, we request you kindly to extend support by providing us with fund for deployment of adequate manpower and appropriate equipment the details of which are enclosed herein. The Municipality has decided to run the system on its own instead of engaging a private party.

We hope you will kindly consider our prayer and help us grow as a model town and retain our status for all times to come.

Details of the requirement are given on next page for your kind consideration.

Sub: - Request for providing Primary/Secondary collection equipments and vehicles for the use of this ULB

Sir,

It has a pleasure to inform you that this ULB has been notified to be developed as the Model town by the Department of urban Development & Municipal Affairs, Government of West Bengal. This municipality is densely populated consisting of various castes and religious and also having a good number of Slums fully congested. This ULB has already been included in the Cluster Project and has introduced segregation of House-hold wastes at source level in different wards under this ULB.

To develop and promote the collection and disposal of waste system it has been felt necessity to procure various equipments and vehicles, the details of which is enclosed for favour of your kind perusal.

It may be mentioned that is spite of the limited resources, this ULB has left no stone unturned to remove the garbages in a segregated manner. But it is felt wide gap due to non-existence of the sufficient equipments and vehicles.

Considering the totality of the fact, stated, I am to request you kindly to provide us the equipments and vehicles as per list enclosed or to provide us required fund to enable us to procure the same. Hope you will be kind enough and accord your kind approval for providing us the required equipments and vehicles as enclosed, to enable us to render better services to the rate payers and to keep this town garbage-free.

With thanks,

File No. SUDA- 50/2016(Pt-I)

Sub: Proposal for procurement of 1000 Bins from WBSIDC for placing in the ghats of 40 Ganga Towns

Government of India launched the National Mission for Clean Ganga (NMCG) for prevention of pollution in Ganga River, where one of the major components is to restrict discharge of Solid Waste in the river and keeping the ghats & river banks clean and green. Hon'ble National Green Tribunal is also monitoring this regularly and issuing direction time to time for this purpose.

To prevent pollution in Ganga Towns, a meeting was organized with the 40 Ganga Towns of West Bengal on 22.02.2019, where ULBs were asked to regularly clean ghats by placement of adequate litter bins for segregated waste and engagement of conservancy personnel for regular cleaning & sweeping. It was also committed and conveyed that SUDA of UD & MA Department will provide 1000 bins for 250 ghats of 35 ULBs (250 green bins and 250 blue bins with 240 litter capacity and 250 green bins and 250 blue bins with 120 litter capacity) as detailed in table below.

In this connection, it is to be mentioned that in the notification vide no. 10500-F dated 19.11.2004 (placed at CP-1 to 21), Finance Department, Government of West Bengal has stated that purchase of 18 articles including Bucket (GI & plastic), Plastic can/container/Thali etc. and plastic goods [Placed at CP-10, Annexure-A-I] shall be made by all State Government Departments/Directorates/Offices/Organizations from West Bengal Small Industries Development Corporation Limited (WBSIDCL) [CP-9].

As placing of litter bins is very much urgent to maintain the timeline of Hon'ble NGT and procurement of such article through tender process will take a considerable time following the tender rules, it is being proposed that procurement of 1000 litter bins for placing at the ghats of Ganga river may be made from WBSIDCL.

Placed for kind approval.

If approved, the draft of work order alongwith specification of bins may be issued to WBSIDCL is placed in the file at CP-22 to 25.
