Sub: Achievement of ODF Status in Coochbehar district -reg.

Sir,

You are certainly aware that Government of West Bengal is committed to achieve ODF West Bengal within 2nd October, 2019. All the districts are working in Mission Mode in order achieve ODF district status. Universal coverage of toilet is one of the prerequisites for declaring a district as ODF. All the households both in rural as well as urban areas are to be provided with access to toilet facility to achieve ODF status.

Now, it has been learnt that all the households featuring in the IMIS pertaining to the rural areas of Coochbehar district have been saturated with support from Mission Nirmal Bangla with active community involvement. The district is now in the process of covering left out households, if any through a rigorous verification process. The districts authority has expressed intention to self declare ODF within 31.03.2017.

It is also learnt that, there are 6186 no left out households in six(6) Municipal towns of the district that are yet to be provided access to toilet . Without covering that left out figures, the district will not be in a position to self declare itself as ODF.

In view of the above, I am, directed to request you to kindly provide immediate fund support to Coochbehar district to enable the district authority to achieve ODF status within stipulated time limit.

An early action from your end is earnestly solicited.

Thanking you.

Sub: Allotment of fund for constructing toilets in Urban Area

Sir,

You are well aware that the Cooch Behar district has achieved near ODF in rural areas due to effective implementation of Mission Nirmal Bangla. We have already saturated Households under MIS and now saturating toilet less households left out of MIS list. We have also started Urban ODF mission in the ULBs for which triggering and meetings are already underway. We conducted a survey of the six municipalities of the district and found 6186 households having no toilets or non-sanitary toilets.

We had sought fund from the Municipal Affairs Deptt., Govt. of West Bengal vide our Memo No. 2960 dated 01-12-2016 (copy enclosed). During enquiry from that department we came to know that Cooch Behar was not included in the Phase-I MNB districts and no recommendation has been sent to the Municipal Affairs Deptt. for fund release. I am advised by the Secretary of the department to approach P& RD Deptt., Govt. of West Bengal and obtain recommendation in favour of Cooch Behar district.

It is requested that necessary recommendation may be made from P&RD Deptt. to the Municipal Affairs Deptt. in respect of Cooch Behar so that adequate fund is placed to us as per the demand mentioned in the enclosure for taking up the construction of toilets in Municipal areas at the earliest.

From : The District Magistrate,
Cooch Behar.

To : The Principal Secretary to the Government of West Bengal,
Department of Municipal Affairs, Block-IV, 3rd Floor,
Writers' Buildings, Kolkata-700001.

Sub : Comprehensive report of household with Sanitary and Insanitary
Latrines and without Latrines in all the six Municipalities of
Coochbehar District and requisition of fund thereof.

Sir,

This is to draw your kind attention to the issue that alongwith the other districts of West Bengal, Mission Nirmal Bangla is in full swing in the district of Cooch Behar and 25 (twenty-five) numbers of Gram Panchayats have already been declared "Open Defecation Free" (ODF). Further 50 (fifty) numbers of Gram Panchayats are going to be declared as ODF by December 2016. As a consequence of that rural areas of the entire district will become ODF by January, 2017. The aim of the Mission is to declare the entire district as ODF.

Now, Sir, Cooch Behar District consists of 6 (six) numbers of Municipalities and a significant number of toilets are required to be constructed in the uncovered areas of the municipalities before we can declare the whole district as ODF. The synopsis of the number of toilets to be constructed municipality wise is given in the table below:-

Serial No.	Municipality	Total Household	No. of Household with insanitary Latrine/ without Latrine
1.	Cooch Behar	21203	1366
2.	Tufanganj	5426	918

5.	Haldibari	3435	866
6.	Meldiganj	3247	696

Therefore, you are requested to be kind enough to place adequate fund in respect of the Municipalities so that the sanitary latrines of the left out households as mentioned in Column No. (4) in the table may be constructed and the uncovered residual areas of the respective municipalities may be covered and the municipalities may be declared as "ODF" as a part of the programme for declaring the entire district as ODF.

IEC Plan for Municipality

Swachh Bharat Mission / Mission Nirmal Bangla

PREFACE

Despite the gradual achievements in sanitation, still few number of population lives in municipal areas lacks access to a toilet. A gap between people's access to water supply and sanitation facilities stands as a big challenge in achieving the perceived health benefits from water supply and sanitation services. The poor and disadvantaged communities are the most affected, with children and women fairing worst. Solid waste and wastewater problems are growing rapidly in urban areas. Purba Medinipur district has to achieve 100% toilet access by everyone by 30th September, 2016 to meet the goal of Mission Nirmal Bangla / Swachh Bharat Mission(G). The trend of toilet coverage indicates that our district will attain the Mission Nirmal Bangla objective but it needs pragmatic vision, operational strategies, strengthened institutional arrangements, adequate resources and stakeholders' collaborative efforts to achieve desire change.

During last meeting with Municipality on Sanitation held on dated 08.09.16, All Municipalities of this district has made firm commitments to complete all IHHL (Individual Household Latrine) and provide IHHL access to all communities. Apart from all construction parts, having the IEC Plan in place is essential to mainstream the efforts of concerned stakeholders at various levels. Hence, the Sanitation Cell of Purba Medinipur an Information communication and Education (IEC) Plan has formulated to expedite the pace of sanitation promotion and dissemination of various awareness activities in its sanitation endeavours. We expect that the IEC Plan will help the concerned stakeholders in effective planning, implementation, monitoring, and ensuring community participation and follow up of hygiene and sanitation programs. We also expect that the diverse approaches and modalities will converge to maintain uniformity and standardization in the hygiene and sanitation sector to accelerate the sanitation pace to achieve the targets.

IEC Plan Steps

The IEC Plan envisages the following four sequential action steps for promoting hygiene and sanitation. The details of the promotional actions and ODF related initiatives are available with Mission Nirmal Bangla Guidelines”.

Phase I: Institutional Building

The first phase would be used for forming and reforming hygiene and sanitation coordination committee at the Municipalities. Respective coordination committees will be established with proper human resources.

Phase II: Planning and Programming

A series of sensitization and planning workshops and meetings will be carried out at the all levels. During the sensitization workshop and meeting, barriers to sanitation and hygiene at the local level will be identified and consequent strategies and tools identified to address these barriers. The Strategic Plan/ Plan of Action will clearly spell out the program for the ODF target, including financial resources, facilitators, support agencies, roles and responsibilities, planning, implementation, monitoring arrangements, etc. A strong mechanism will be established in the respective levels to monitor the activities, evaluate the performance, document the findings and share the information.

Phase-III ODF Campaigning and Behaviour Change

In the third phase, the community, schools, NGOs/ facilitators will contribute to run health related messages and triggering of the municipal level actions for bringing the changes in hygiene and sanitation behaviours. For this, all Municipalities will sincerely follow the ignition and wider sensitization tools to empower communities, local groups and schools. Consequently, the ODF campaign is initiated and run at full swing to declare ODF within a given period. All local institutions, schools, political parties will be mobilized with the leadership of the municipality during the entire ODF campaigning period. The entire existing program such as Hoarding, Banner, Street play, distribution of leaflet, ward level meeting, road show, rally with students / religious leader, running tableau with sanitation message, hygiene sanitation promotion and any other innovative approach / campaign will be conducted through every municipality.

Phase IV: Post ODF Campaigning

The fourth phase would be the sustained ODF and other hygiene and sanitation behaviour change/ build-up phase. During this phase, under the supervision of the Chairman, Municipality would continue to monitor the ODF status in their respective areas. In addition, toilets will be upgraded and hygiene behaviour activities such as hand washing with soap at critical times and water and food hygiene are maintained, waste management will be undertaken, households and environmental sanitation is further enhanced by attaining the status of a 'clean and healthy ward' and ultimately 'Total Sanitized Municipality' is declared. To sustain behaviour, refresher trainings, exposure visits, networking, documentation and publicity, etc. will be held from time to time. District also support to implement and monitor the program activities.

Its success depends on ground level execution of various SBM components as well as visibility of the same on Swachh Bharat Mission portal <http://swachhbharaturban.gov.in>. It becomes important that the data available on the SBM portal is supported by evidences.

In this context, it is requested that photographs of IHHL constructed in your state after the 2011 Census to till date are uploaded on the SBM portal. The different mechanisms to facilitate uploading of the photographs on the SBM portal are mentioned in **Annexure-I**.

In this regard, if any expenditure such as hiring of an agency at state level to carry out this job of uploading the photographs etc. can be done from the CB and A&OE fund of Swachh Bharat Mission.

Apart from this, to access the IHHL application in a faster manner, the user may also login directly via <http://swachhbharaturban.gov.in/iuhl/>

With Regards,

Yours sincerely,

(Praveen Prakash)

To,
