Sub : Proposal for requirement of fund for construction of 1388 Nos. IHHLs. (Rs. 1,10,90,120/-)

Ref. No. This Office Memo No. 899 dt. 22/06/2020

Sir/Madam,

With reference to the subject cited above, I would like to draw your kind attention to the fact that,

- 1) This Municipality has been completed initial target of 3150 Nos. IHHLs construction who had no Latrine Toilet facility for the purpose of declaration of Open Defecation Free (ODF) Municipal area in convergence with Mission Nirmal Bangla under Swachh Bharat Mission.
- 2) 3150 Nos. of IHHLs photo already uploaded in Gol portal.
- 3) An amount of Rs. 2,51,68,500/- was sanction for 3150 IHHLs from Additional District Magistrate (Dev), North 24 Parganas. The total fund has been fully utilized and utilization certificate submitted to your office vide this Office Memo No. 1183 dt. 03/12/2019 (Copy enclosed)

At present the following situation is prevailing :

- a) Some families were tagged with other families for using Toilet,
- b) Some double families are using one Toilet,
- c) Some families are using Insanitary Latrines,
- d) Some families at present are able to provide land for Latrine,
- e) Some new families have been created,

Under above circumstances, additional 1388 numbers of IHHLs was required to be constructed owing to the strong demand of individual households whose individual latrine are badly damaged or become unfit for use subsequently. It may kindly be noted that due to their bad condition of latrines, environment was polluting and accordingly Additional District Magistrate (Dev) & Zilla Parisad, North 24 Parganas accorded approval for constructing 1388 Nos. IHHLs. Now, I am to inform you that a letter of allotment of fund to the tune of Rs. 1,10,90,120/- (Rupees One crore Ten Lakhs Ninety thousand One hundred Twenty) only was sub allotted to this ULB for the above mention purpose from the end of North 24 Parganas Zilla Parisad vide their No. 219/1(9)/MNB(ZP) dated 17/12/2019 (Copy enclosed).

On receipt of the sanctioned allotment order, work order were issued for construction of IHHLs to engaged agencies observing all the formalities and more than 80% of work is completed by this time.

The agencies have submitted their claim bills for advance payment and final payment, whereas after scrutiny, it was found that the above amount was not yet credited to the dedicated bank account.

A correspondence was made with the North 24 Parganas Zilla Parishad with the request for immediate release of fund vide this Office Memo No. 78/AC/BM dated. 03/06/2020 (Copy enclosed for ready reference).

In response to the above correspondence, it is learnt from the Zilla Parishad that fund has been surrendered to the SUDA, West Bengal as stated vide their letter No.51/MNB(NZP) dated. 12.06.2020 (Copy enclosed).

SUB : Demand of Construction of IHHL

Dear Madam,

In reference to the above subject, I would like to inform you that we have received the ODF Certificate from Ministry Of housing & Urban Affairs, Govt. of India six month before. The IHHL made during the ODF activity was mostly tagged with another houses and later on Thirteen more Community latrine was made for the community residing in different busttee and slum area.

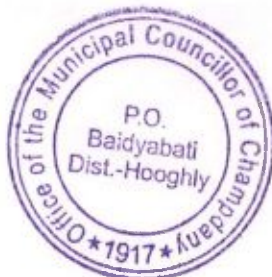

It was observed during internal assessment and survey in 2019 that some IHHLs are in insanitary condition. To achieve the ODF Plus, We would require more IHHL units.

The proposed number for construction of IHHL is 550 (Five Hundred Fifty only).

In connection to this, I would like to inform you that the House holds are identified and the Aadhar Card details of beneficiary are recorded at ULB

I would therefore request you to allot fund so that we can process the work as early as possible.

Note No. #5

In our record the revised target of IHHL of Basirhat Municipality is 4650. Initially they had received fund from District Administration for construction of 3150 IHHL, which they have already constructed. Further they had requested to provide fund of Rs.1,10,90,120/- (@Rs.7990/- per IHHL) for construction of 1388 IHHL. As their target for construction of 4650 IHHL (as per our record) is higher

than $3150 + 1388 = 4538$ IHHL , hence the fund of **Rs.1,10,90,120/-** for construction of **1388 IHHL** may be released to **Basirhat Municipality.**

In our record the revised target of IHHL of Kamarhati Municipality is 342. Initially they had received fund from District Administration for construction of 300 IHHL, which they have already constructed. Further they had requested to provide fund of Rs.3,35,580/- (@Rs.7990/- per IHHL) for construction of 42 IHHL. As their target for construction of 342 IHHL (as per our record) is same as $300 + 42 = 342$ IHHL , hence the fund of **Rs.3,35,580/-** for construction of **42 IHHL** may be released to **Kamarhati Municipality.**

SUB:-Prayer for additional latrine (IHHL)under SBM(U)/MNB(U).

Madam,

In connection with the subject noted above, I would like to inform you that this office had an initial target of 588 nos. of IHHL, which was completed by the scheduled time and now Cooper's camp Notified Area has declared itself as ODF.

Recently, this office undertook a field survey, in which 450 nos. of poor families are found, who have been living separately from their parents, but are sharing their old latrine together.

The said 450 families are demanding for their own one latrine, which we consider justified.

Under this circumstances, we request you to please sanction us an additional 450 units of IHHL and allot necessary fund for the same, so that we may provide each deserving families their individual latrine under SBM(U)/MNB(U) scheme and oblige.

Thanking You.

Yours Faithfully,

Sir,

I would like to inform you that construction of IHHL in our ULB had started in the year 2014-15 and the original target as well as revised target in our ULB is 1213 and we have completed the construction work of 1040 nos. of IHHL till 31st October 2019 leaving behind 173 nos. of IHHL.

It may be mentioned here that we could not be able to fulfill the revised target of construction of IHHL of 1213 number due to paucity of fund. As per guideline, total requirement of fund for construction of 1213 numbers of IHHL is Rs.12291300/- (One crore twenty two lakh ninety one thousand three hundred only) including motivator remuneration and contingencies. Out of the aforesaid cost (Govt. Share) we have received a total fund of Rs. 9650915/- (Ninety six lakh fifty thousand nine hundred fifteen only) till 31/10/2019 and we have already expended Rs.9581186/- (Ninety five lakh eighty one thousand one hundred eighty six only) leaving a meagre amount of Rs.69729/- (Sixty nine thousand seven hundred twenty nine only) in our hand.

It is decided in the review cum consultation workshop on SBM(U) held on 5/11/2019 at P.C. Chandra garden that the construction work of remaining 173 IHHL and Geo tagging thereof is to be completed not later than 15/12/2019. So total requirement of fund to fulfill the revised target we are in need of an amount Rs.2640385/- (Twenty six lakh forty thousand three hundred eighty five only) urgently.

I would, therefore, request you to release the requisite fund of Rs. 2640385/- (Twenty six lakh forty thousand three hundred eighty five only) in favour of Taherpur Notified Area Authority on urgent basis so as to enable this office to complete the construction work of balance 173 number of IHHL within the target date of 15/12/2019.

SUB- Proposal for Construction of IHHL and CSE under Mission Nirmal Bangla

Respected Sir,

Under the popular scheme Mission Nirmal Bangal we have decided to thrive towards achieving open Defecation Free Municipality . As per the 2011 census we have 8359 House holds who resorts to open defecation in our municipality area and we have decided to cover these House holds through construction of Individual House Holds Latrines (IHHL) .So, for we have received 3450 application from beneficiaries with a request to provide financial support for construction of latrine.

More over in some place of slums and also in public place of municipality area there is dearth of Community Latrines. We have identified 15 such place where Community Sanitary Complex (CSC) may be constructed.

Hence we proposed to construct 3450 Individual House Holds Latrines & 15 community sanitary Complex in Municipality area.

It is cause pollution, which is one of the burning problems in our Municipal area. We try to aware people to use Sanitary Latrine, but due to financial inefficiency they are not able to construct Sanitary Latrine.

In this circumstance I request you to provide 3200Nos. Latrine (As per local preliminary survey) in various places within Raghunathpur Municipality to avoid pollution and make it a Swachh Pollution free Municipality.
