Salt Lake City, Kolkata - 700 098

Subject: Review Meet on "Sewage and Solid Waste Management in 118 Ganga Front towns"-reg.

Sir,

CPCB has issued directions (October, 2015) under Section 5 of the Environment (Protection) Act, 1986 for Sewage and Municipal Solid Waste Management to the Commissioner/Chief Executive Officer/Mayor/Chairman of 118 Ganga front towns.

I would like to inform that 33 municipalities have acknowledged the receipt of directions with statement of action plan with it and remaining 11 municipalities are yet to respond. This amounts to non-compliance with the directions issued under the law and is highly undesirable.

To ensure implementation of directions on review meet with Municipal Commissioners/Mayors/Chief Executive Officers of 44 Ganga front towns of West Bengal (list enclosed) is scheduled on July 13, 2016 (10.30am onwards) at Teesta Conference Hall, 1st Floor, Vayu Wing of Ministry of Environment, Forest and Climate Change, Indira Paryavaran Bhawan, Jor Bagh Road, Aliganj, New Delhi, 110003.

I would request you to participate in the meeting and to pass on instructions for ensuring the participation of Commissioners/Mayors/Chief Executive Officers of the Ganga front towns.

A line of confirmation is highly appreciated and could be made over email (adeta.cpcb@nic.in/ngrba.cpcb@nic.in) /Fax (011-22384025)

With kind regards,

Yours faithfully,

(A.B. Anand)

Member Secretary

Sub: Cleanliness Drive including management of Municipal Solid Waste in railway areas

Madam/Sir,

Kindly find enclosed herewith a copy of DO No. 2/1/2016-SBM-II dated 13.05.2016 from Secretary, Ministry of Urban Development addressed to Chief Secretaries of all States along with its enclosures in connection with the issue of tackling the problem of open defecation in the unauthorized colonies or slums on railway lands.

As suggested in the communication of Government of India quoted above, you are requested to kindly chalk out an Action Plan in consultation with Railway Authorities in terms of Guidelines for handling municipal solid waste in railway areas (enclosed with the letter under reference) so that these areas can also be attended to and the entire town can be declared as Open Defecation Free.

Yours faithfully,

Encl: As stated

D.O. No. 2/1/2016-SBM-II
May 13, 2016

Dear

During recent interactions with a number of Municipal Commissioners, for making Swachh Bharat Mission a success, the issue of tackling the problem of open defecation in the unauthorized colonies or slums on railway lands was highlighted. It was pointed out that while the municipal authorities are willing to put up facilities for collection of municipal solid waste in such areas and installing public toilets / community toilets for the use of unauthorized settlers, permission from the railway authorities is not forthcoming.

2. In this regard, discussions have been held with the Chairman, Railway Board on 10th May, 2016. During these discussions, it was brought to our notice that on the basis of an order passed by the National Green Tribunal, Railway Board has issued guidelines to all Zonal Railways for handling municipal solid waste in all railway areas, including those which have been encroached. The Railway Board has also clarified that while the tribunal has passed specific orders in respect of Delhi railway areas, the directives are equally applicable to similar railway areas located in all cities and need to be acted upon by all Zonal Railways. A copy of the Guidelines is enclosed. The relevant part of the guidelines is summed up as under:

- (i) Local Government has to make arrangement for putting up appropriate size dustbins at convenient locations and for disposal of MSW collected in these dustbins;
- (ii) Local Government to provide suitable mobile toilet/eco friendly toilets for the use of encroachers in the Railway land to avoid human evacuation on the Railway track and nearby.

3. I would, therefore, request you to kindly ask all urban local bodies / local authorities to chalk out an Action Plan in consultation with the Railway Authorities, in terms of the guidelines as reproduced above, so that these areas can also be attended to and the entire city/town can be declared as open defecation free.

With regards,

NGT order - immediate

No.2015/Environ /01/03

New Delhi, dated: 30.04.2015

**The General Managers
All Zonal Railways.**

Sub: Case on Environment pollution before National Green Tribunal(NGT) at New Delhi in the matter of Solani Singh Vs Union of India and Ors.-

As per the order of NGT dated 18.3.2013, a Committee headed by Adviser (Environment) has prepared guidelines for handling municipal solid waste arising in the railway area of stations and tracks.

A copy of the guidelines is enclosed for immediate action under intimation in this office.

This has the approval of Railway Board.

D.A.. As Above

(B. Prashanth Kumar)
Executive/Director, Passenger Marketing
Railway Board.

17.04.15

Sub : Guidelines for handling Municipal Solid Waste arising in the Railway area of stations and track.

1.0 National Green Tribunal has passed an order dated 18.03.15 in response to OA No. 141 of 2014 (Saloni Singh & Anr. Vs Union of India & others) on the above subject. Following are the summarized directions of NGT:-

- (i) Railways should ensure that all platforms are kept clean and free of any Municipal Solid Waste (MSW)
- (ii) MSW from platforms and railway tracks would be collected and disposed off in accordance with 'Municipal Solid Waste Rules 2000' to the designated MSW disposal site only as final disposal and to no other place
- (iii) Concerned Railway authorities should maintain records for compliance of the above directions, to be produced before the tribunal as and when directed
- (iv) Effluents generated in Railway stations and nearby depots should not be permitted to seep into ground water or stagnate in any area nearby. These effluents should be discharged into STP/CETP to be located near major stations. Treated discharges from such STP/CETP shall be recycled for appropriate inferior uses.

2.0 The tribunal has passed specific orders for collection and disposal of MSW from Delhi Railway areas which are subjected to encroachment. These directions are equally applicable to similar Railway areas located nearby cities and hence need to be acted upon by all Zonal Railways, as directed by NGT, summarized below:-

17/04/15

22

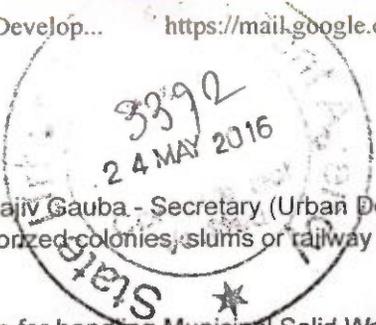

SN 10/3

- (i) MSW accumulated already in the Railway land area should be cleared and disposed off appropriately by Railways as a onetime effort after which action should be taken to maintain these areas clean by growing of trees and levying compensation of Rs. 5000/- to those polluting on the 'polluters pays principle'.
- (ii) Appropriate sized dustbins must be put up at convenient locations in all such encroached areas by the local government and arrangements made for disposal of MSW collected in such dustbins, as per the extant rules.
- (iii) Suitable mobile toilets/eco friendly toilets have to be provided for the use of encroachers in the Railway land by the local government to avoid human evacuation on the Railway track and nearby.

3.0 Zonal Railways shall prepare a time bound action plan for implementation of the above guidelines in paras (1) & (2) and send the same to Railway Board within a month i.e. on or before 18-05-2015.

- (i) Railways should ensure that all platforms are kept clean and free of any Municipal Solid Waste (MSW)
- (ii) MSW from platforms and railway tracks would be collected and disposed off in accordance with 'Municipal Solid Waste Rules 2000' to the designated MSW disposal site only as final disposal and to no other place
- (iii) Concerned Railway authorities should maintain records for compliance of the above directions, to be produced before the tribunal as and when directed
- (iv) Effluents generated in Railway stations and nearby depots should not be permitted to seep into ground water or stagnate in any area nearby. These effluents should be discharged into STP/CETP to be located near major stations. Treated discharges from such STP/CETP shall be recycled for appropriate inferior uses.

2.0 The tribunal has passed specific orders for collection and disposal of MSW from Delhi Railway areas which are subjected to encroachment. These directions are equally applicable to similar Railway areas located nearby cities and hence need to be acted upon by all Zonal Railways, as directed by NGT, summarized below:-

ea
12/04/15

22

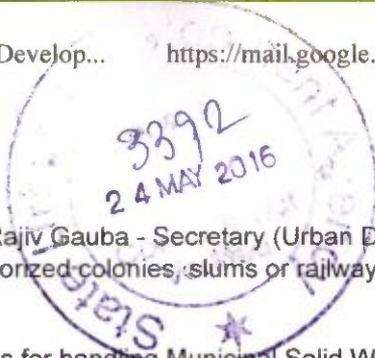

SN 10/3

- (i) MSW accumulated already in the Railway land area should be cleared and disposed off appropriately by Railways as a onetime effort after which action should be taken to maintain these areas clean by growing of trees and levying compensation of Rs. 5000/- to those polluting on the 'polluters pays principle'.
- (ii) Appropriate sized dustbins must be put up at convenient locations in all such encroached areas by the local government and arrangements made for disposal of MSW collected in such dustbins, as per the extant rules.
- (iii) Suitable mobile toilets/eco friendly toilets have to be provided for the use of encroachers in the Railway land by the local government to avoid human evacuation on the Railway track and nearby.

3.0 Zonal Railways shall prepare a time bound action plan for implementation of the above guidelines in paras (1) & (2) and send the same to Railway Board within a month i.e. on or before 18-05-2015.

Dear Sir / Madam

Please find enclosed the letter from Shri Rajiv Gauba - Secretary (Urban Development) for tackling the problem of Open Defecation in the unauthorized colonies, slums or railway lands etc. for making Swachh Bharat Mission a success,

Railway board has also issued a guidelines for handling Municipal Solid Waste (MSW) in all Railway areas including those which have been encroached. These guidelines are enclosed for your reference.

You are requested to kindly ask all the urban local bodies/ local authorities to chalk out an Action Plan in constitution with the Railway Authorities so that these areas can also be attended to and the entire city/town can be declared as open defecation free.

Similar letter has also been sent to all the State's Chief Secretaries

Thanks & Regards

Mudasir Javed

D.O. No. 2/1/2016-SBM-II
May 13, 2016

Dear

During recent interactions with a number of Municipal Commissioners, for making Swachh Bharat Mission a success, the issue of tackling the problem of open defecation in the unauthorized colonies or slums on railway lands was highlighted. It was pointed out that while the municipal authorities are willing to put up facilities for collection of municipal solid waste in such areas and installing public toilets / community toilets for the use of unauthorized settlers, permission from the railway authorities is not forthcoming.

2. In this regard, discussions have been held with the Chairman, Railway Board on 10th May, 2016. During these discussions, it was brought to our notice that on the basis of an order passed by the National Green Tribunal, Railway Board has issued guidelines to all Zonal Railways for handling municipal solid waste in all railway areas, including those which have been encroached. The Railway Board has also clarified that while the tribunal has passed specific orders in respect of Delhi railway areas, the directives are equally applicable to similar railway areas located in all cities and need to be acted upon by all Zonal Railways. A copy of the Guidelines is enclosed. The relevant part of the guidelines is summed up as under:

- (i) Local Government has to make arrangement for putting up appropriate size dustbins at convenient locations and for disposal of MSW collected in these dustbins;
- (ii) Local Government to provide suitable mobile toilet/eco friendly toilets for the use of encroachers in the Railway land to avoid human evacuation on the Railway track and nearby.

3. I would, therefore, request you to kindly ask all urban local bodies / local authorities to chalk out an Action Plan in consultation with the Railway Authorities, in terms of the guidelines as reproduced above, so that these areas can also be attended to and the entire city/town can be declared as open defecation free.

With regards,

Encl.: As above

Yours sincerely,

(Rajiv Gauba)

Sub : Guidelines for handling Municipal Solid Waste arising in the Railway area of stations and track.

1.0 National Green Tribunal has passed an order dated 18.03.15 in response to OA No. 141 of 2014 (Saloni Singh & Anr. Vs Union of India & others) on the above subject. Following are the summarized directions of NGT:-

- (i) Railways should ensure that all platforms are kept clean and free of any Municipal Solid Waste (MSW)
- (ii) MSW from platforms and railway tracks would be collected and disposed off in accordance with 'Municipal Solid Waste Rules 2000' to the designated MSW disposal site only as final disposal and to no other place
- (iii) Concerned Railway authorities should maintain records for compliance of the above directions, to be produced before the tribunal as and when directed
- (iv) Effluents generated in Railway stations and nearby depots should not be permitted to seep into ground water or stagnate in any area nearby. These effluents should be discharged into STP/CETP to be located near major stations. Treated discharges from such STP/CETP shall be recycled for appropriate inferior uses.

2.0 The tribunal has passed specific orders for collection and disposal of MSW from Delhi Railway areas which are subjected to encroachment. These directions are equally applicable to similar Railway areas located nearby cities and hence need to be acted upon by all Zonal Railways, as directed by NGT, summarized below:-

17/04/15

22

PN 10/3

- (i) MSW accumulated already in the Railway land area should be cleared and disposed off appropriately by Railways as a onetime effort after which action should be taken to maintain these areas clean by growing of trees and levying compensation of Rs. 5000/- to those polluting on the 'polluters pays principle'.
- (ii) Appropriate sized dustbins must be put up at convenient locations in all such encroached areas by the local government and arrangements made for disposal of MSW collected in such dustbins, as per the extant rules.
- (iii) Suitable mobile toilets/eco friendly toilets have to be provided for the use of encroachers in the Railway land by the local government to avoid human evacuation on the Railway track and nearby.

3.0 Zonal Railways shall prepare a time bound action plan for implementation of the above guidelines in paras (1) & (2) and send the same to Railway Board within a month i.e. on or before 18-05-2015.

Sir,

At first I like to convey my gratitude for receiving 2 Nos. Compactor in favour of Berhampore Municipality.

Now I like to inform you that due to urbanization and development of new roads, lanes, drains municipal wastes are generated much more than earlier.

No. of tractors functioning at present are not adequate for collection of garbages from different corners of the town.

In the above context it my earnest request to you to sanction and provide 5 Nos. tractor (covered) under Swachh Bharat Mission for speedy and smooth collection of municipal waste from different corners of the town.

Hope you would kind enough in the matter.

Thanking you

Yours faithfully,

Chairman,

Berhampore Municipality

Centre for Promotion of Professional Excellence.

About Engineering Staff College of India

GENESIS Engineering Staff College of India (ESCI's) is a unique Institution set up in October, 1981 by the premier body of engineers, The Institution of Engineers (India).

PHILOSOPHY & OBJECTIVES
The Primary objectives of ESCI are to impart professional and

need based Continuing Professional Development Programmes (CPDP) and training in frontier areas of Engineering and Management fields, simultaneously providing professional consultancy and technical services to the Industry. ESCI's operations are firmly grounded in its desire to act as a bridge between academic institutions, R&D laboratories and organizations in private and public sectors to promote the growth and increased availability of latest know-how and expertise to professional engineers, executives and managers in all these sectors.

ESCI's DOMAINS

- Climate Change
- Environment Management
- Management & Technology
- Quality & Productivity
- Skill Development Cell
- Advanced Materials Engineering Cell
- Civil & Transportation Engineering
- Information Technology
- Power & Energy
- Water Resource Development
- Design & Prototyping Centre
- Corporate Relationship Cell

SCHOOL OF PG STUDIES

School of PG Studies of ESCI conducts AICTE approved two Year full time Post-Graduate Diploma in Infrastructure Management (Power, Transport, Telecommunications & Civil) and PGDM. Aim of the courses is to build the capacity of the engineers and other graduates by imparting skills to make them effective and productive managers.

The PGDM (Infrastructure) is uniquely designed to amalgamate technical talent with the latest management techniques to transform them into Techno Managers in the core sectors of Civil, Power, Transportation and Telecommunication to handle challenges of massive development of infrastructure. Engineering Graduates from any branch are eligible for this program. The admission process for the new batch starts in January every year and the courses commence from July.

TRAINING PROGRAMMES

Continuing Professional Development Programmes are formulated by ESCI from time to time and announced, on topics of current technology and relevance. In Addition to Open Programmes, ESCI also organizes and conducts customized in-house programmes to meet specific requirement of such organizations.

CAMPUS & HOSTEL FACILITIES

The 70-acre sprawling Campus of ESCI is about 15 km from the centre of Hyderabad City. ESCI, situated in serene and tranquil surroundings, has its main building and five hostel blocks which can accommodate upto 150 participants. The hostel rooms are air conditioned and well furnished for comfortable stay of the participants and arrangements for catering and recreational activities on Campus are also provided.

CLASS ROOMS

The 8 lecture halls are air conditioned and well equipped with all modern audio-visual aids to conduct concurrent programmes.

For details about training programmes, consultancy, or any other information, please write to :-

URL www.eschiyd.org

Chanakya Seminar Complex has two lecture halls & seminar halls of seating capacity of 200+ for National & International Conferences and Seminars.

Kautilya Complex is a new addition having 4 state of the art class rooms.

INFORMATION CENTRE

ESCI Information Centre has a valuable collection of about 8000 books & reports and 100 periodicals including international journals, online database EBSCO is available.

FACULTY

ESCI has core faculty in all the engineering and management disciplines comprising of very senior engineers, eminent scientists and teachers who have rich experience. ESCI derives faculties from a large number of national and international organisations of high repute. They are drawn from industries, consulting firms, government organisations, academics and research institutions etc.

CONSULTANCY ASSIGNMENTS

ESCI provides consultancy services to suit the requirement of clients in all engineering disciplines, Quality (ISO 9000/ISO 14000) Management & Technology areas. ESCI's group of thorough-bred consultants with their expertise execute these assignments and co-opt experts as necessary. ESCI has successfully executed many prestigious projects in the areas of water resources, power & energy, transportation, minings etc.

COLLABORATIONS

ESCI has large number of national and international collaborations which provide an impetus to improve the quality of its activities.

International : European Institute for Energy Research Electricite de France, Karlsruhe, Germany, Planning Transport Verkehr AG (PTV), Germany, Massachusetts Institute of Technology (MIT) USA, Kansas State University (USA), University of Illinois at Chicago (USA), British Council, Nigel Bauer & Associates, Marsden International, U.K and DFID, Govt. of UK.

National : Solar Energy Society of India, Ministry of Transport, Ministry of Power, Central Electricity Authority, Power Grid Corporation, UTL, NALCO, Bhilai Steel Plant, MPPTCL, MPPKVCL, PSEB, CBIP, CPRI, JNTU, CMC, C-DAC, FICCI Quality Forum, NTPC, BHEL, NHPC, DRDO, NFC, CIRE, NPC, ONGC, NMDC, Ordnance Factories Board, Coal India Ltd, all SEBs, and State Govt. Depts., In addition, ESCI makes use of the various bilateral agreements between its parent body, The Institution of Engineers (India), and professional bodies in many other countries to further its overall goals & activities.

A Learning Centre for Practicing Engineers, Scientists and Managers.

Dear Sir/Madam,

Continuing Professional Development Programme on

Preparation of DPR and Tender Documents for Sewage Treatment Plant 24 – 26 May - 2016

We are pleased to inform you that, Engineering Staff College of India (ESCI) is organizing a 3 - Day Continuing Professional Development Programme on “Preparation of DPR and Tender Documents for Sewage Treatment Plant” from 24 – 26 May - 2016 at ESCI Campus, Gachi Bowli, Hyderabad.

Detailed project report (DPR) for a Sewage Treatment Plant scheme is a base document for implementing the project. It is a document which should fit into the city sanitation plan. Based on this, the detailed steps required can be taken for:

- | | |
|--------------------------------|------------------------------------|
| a) Sewage collection, | g) Methods of procurement |
| b) Sewage conveyance, | h) Human resources development and |
| c) Sewage pumping | i) Tariff for sustainable O&M |
| d) Sewage treatment | j) Levies as taxes and charges |
| e) Sewage reuse where possible | k) Viability gap funding |
| f) Sludge management | |

ESCI is organizing a 3 day inter-active programme in which each of the above topics will be explained with illustrations of case studies.

The course fee for this 3 - day training programme is **Rs. 16,000/- per participant + Service tax 14.5% is extra**, which is residential. Other details of the programme are available in the brochure enclosed.

The programme is intended for Engineers, managers who are involved in Preparation of DPR and Tender documents, City Development Planners, Sewerage Schemes implements and in charge of design, monitoring, O&M of Sewage Treatment Plants from Metro Boards, Public Health Engineering Departments, Municipal Corporations, Municipal Administration Departments, Development Authorities, Regulatory Authorities, Townships and other Govt. PSU departments etc.

This course is also useful for Project Management Consultants, Project Implementing Agencies and technology promoters in the Public Health Engineering sector.

We request you to nominate Engineers / Managers of your organization to participate in this programme and take the opportunity to interact with other delegates coming from all over India.

The soft copy of the brochure is available at our website:- www.escihyd.org. Please click our website, then under 'Training Calendar', click 'Environment Management' to obtain the relevant brochure.

Our email: em@escihyd.org/esci_emd@yahoo.co.in and fax: 040-2300 0336.

Thanking you

Yours faithfully,

M. Subha

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Yours faithfully,

Director, SUDA

& State Mission Director, SBM

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Yours faithfully,

Director, SUDA

& State Mission Director, SBM

Sub: Release of current allocation of Rs.64.23 crore under SBM (U) for the year 2015-'16

Sir,

I am directed to refer to the interaction held in the review meeting on SBM (U) held in the Ministry on 14.10.2015 and to enclose herein Action Plan for implementation of the different components of SBM in the current FY (2015-'16) as desired by the Ministry.

1. IHHL :

It is proposed to take up all the ULBs in the selected and prioritised Districts for construction of IHHL in the households inmates of which go for open defecation. Simultaneously, the existing insanitary latrines in the households are also proposed to be converted to sanitary ones.

In West Bengal, Mission Nirmal Bangla is under implementation at present which aims at elimination of practice of open defecation in the rural areas. In convergence with the objective of Nirmal Bangla Mission, construction of IHHL and conversion of insanitary latrines to sanitary latrines under SBM in all the ULBs of the Districts will render the Districts as a whole Open Defecation Free (ODF). With support from SBM, Nadia District has already been declared as ODF.

➤ Number of IHHL units to be constructed in 2015-16	:	78,000
(as per survey of insanitary latrine conducted in the year 2014-15)	TOTAL:	1,89,600
➤ Central Share required @ Rs.2000/- per unit (50% of Central Share as 1 st instalment)	:	Rs. 53.52 crore

2. IEC & Capacity Building

TOTAL Rs. 2.08 crore
Rs. 55.60 crore

3. Solid Waste Management (SWM) and construction of Community Toilets :

It is proposed to take up 15 prioritised ULBs under Integrated Solid Waste Management Programme and 2000 nos. of Community Toilets to be implemented under SBM. The 1st instalment of fund already released for 2014-15 will be utilised for this purpose and balance fund will be claimed on due course after 75% utilisation of 1st instalment.

It may kindly be seen from the above action plan that the total Central Funds required for the different components is Rs. 55.60 crore. In consideration of the above, I am now to request the Govt. of India to kindly release the amount of **Rs. 55.60 crore** of Central Share for 2015-'16 in favour of the State Government at an early date. It may kindly be noted that the required State Share is available in the Plan Budget provision of the Municipal Affairs department of the State Government under the appropriate Head.

As regards the amount of Rs.64.01crore released in 2014-'15 it may be mentioned that a sum of Rs.27.77crore has already been released and the remaining amount will be utilised shortly towards payments for procurement of Compactors under SBM for which e-Tenders have already been floated. UC for the released amount will be submitted in due course.

Yours faithfully,

Encl: As stated

Sub: Release of current allocation of Rs.64.23 crore under SBM (U) for the year 2015-'16

Sir,

I am directed to refer to the interaction held in the review meeting on SBM (U) held in the Ministry on 14.10.2015 and to enclose herein Action Plan for implementation of the different components of SBM in the current FY (2015-'16) as desired by the Ministry.

1. IHHL :

It is proposed to take up all the ULBs in the selected and prioritised Districts for construction of IHHL in the households inmates of which go for open defecation. Simultaneously, the existing insanitary latrines in the households are also proposed to be converted to sanitary ones.

In West Bengal, Mission Nirmal Bangla is under implementation at present which aims at elimination of practice of open defecation in the rural areas. In convergence with the objective of Nirmal Bangla Mission, construction of IHHL and conversion of insanitary latrines to sanitary latrines under SBM in all the ULBs of the Districts will render the Districts as a whole Open Defecation Free (ODF). With support from SBM, Nadia District has already been declared as ODF.

➤ Number of IHHL units to be constructed in 2015-16	:	78,000
(as per survey of insanitary latrine conducted in the year 2014-15)		1,89,600
	TOTAL:	2,67,600
➤ Central Share required @ Rs.2000/- per unit (50% of Central Share as 1 st instalment)	:	Rs. 53.52 crore

2. IEC & Capacity Building

TOTAL Rs. 2.08 crore
Rs. 55.60 crore

3. Solid Waste Management (SWM) and construction of Community Toilets :

It is proposed to take up 15 prioritised ULBs under Integrated Solid Waste Management Programme and 2000 nos. of Community Toilets to be implemented under SBM. The 1st instalment of fund already released for 2014-15 will be utilised for this purpose and balance fund will be claimed on due course after 75% utilisation of 1st instalment.

Annexure

Action Plan for implementation of Swachh Bharat Mission (Urban) in the State of West Bengal for the year 2015-16

S. No.	Item and particulars	Rate (Rupees)	Quantity	Units	Amount (Rs. Crore)
1	Individual household latrines (IHHL)				
1.1	First instalment of central share for construction of individual household latrines for the year 2015-16, estimated on the basis of survey of insanitary latrines conducted during 2014	₹ 2,000	2,67,600	Units (toilet seats constructed on individual household basis)	₹ 53.52
(A)	SUB-TOTAL (RS. CRORE) – A				₹ 53.52
2	Community toilets				
2.1	Central share for construction of community toilets. No claim made as utilisation of amount released during 2014-15 is yet to be furnished	₹ 26,000	-NIL-	Per unit (toilet seat constructed in a toilet block)	-NIL-
(B)	SUB-TOTAL (RS. CRORE) – B				-NIL-
3	Solid waste management				
3.1	Central share for solid waste management projects [No claim made as utilisation of amount released during 2014-15 is yet to be furnished]	₹ 1,200	-NIL-	Capital expenditure made per capita	-NIL-
(C)	SUB-TOTAL (RS. CRORE) – C				-NIL-
4	Information, education and communication activities				
4.1	Workshops for sensitising municipalities towards Swachh Bharat Abhiyaan and usage of the legacy implementation structures under Nirmal Bangla	₹1,00,000	65	Events covering cities	₹ 0.65
4.2	Workshops for rural sanitary marts established under Nirmal Bangla for (1)	₹75,000	35	Events covering rural sanitary marts	₹ 0.26

S. No.	Item and particulars	Rate (Rupees)	Quantity	Units	Amount (Rs. Crore)
	sensitising them to requirements and fund flows under Swachh Bharat Mission, and (2) orienting them to the application, disbursement & monitoring process				
4.3	School children awareness - events held in the municipal schools within the covered towns to promote benefits of toilets over open defecation, hand washing, menstrual hygiene and appropriate disposal of waste - these may include painting competitions, lecture-demonstration (LEC-DEM) events, quiz competitions, poster making competitions, model making, debating competitions etc.	₹25,000	70	Schools covered (one event per school)	₹ 0.18
4.4	Focus group sensitisation events held on the lines of the Community Led Total Sanitation campaign - events to cover (a) youth clubs and associations (b) senior citizens, (c) women's groups including self-help groups and community development societies formed within the municipality under other schemes. Events may include street plays, community meetings, awareness camps and such other	₹35,000	150	Events covering focus groups of 15 - 20 members each	₹ 0.53

S. No.	Item and particulars	Rate (Rupees)	Quantity	Units	Amount (Rs. Crore)
	events				
4.5	Wall paintings and surrogate communication (using portions of commercial advertising spaces for carrying Swachh Bharat campaigns) - this will cover content production only and not the carriage cost	₹25,000	30	different content sets produced for circulation	₹ 0.075
4.6	Technology sensitisation sessions for municipal engineers and sanitary inspectors for usage of newer models of low water requiring, low land footprint toilets - such as the DRDO model	₹75,000	10	Events covering groups of municipal engineers and sanitary inspectors	₹ 0.075
4.7	Technology sensitisation sessions for municipal engineers and sanitary inspectors as regards septic tanks and septage management - conversion of insanitary and dry pit latrines to PF sanitary ones	₹75,000	10	Events covering groups of municipal engineers and sanitary inspectors	₹ 0.075
4.8	Social mobilisation campaigns for publicising the merits of investing into toilets - this will involve training of animators, community mobilisers and organisation of group activities.	₹25,000	100	animators and mobilisers (sanitation champions) – this is the cost of training each animator/ mobiliser	₹ 0.25
(D)	SUB-TOTAL – D				₹ 2.08
(E)	GRAND TOTAL (E) = (A) + (B) + (C) +(D)				₹ 55.60

NOTE SHEET

Sub: Release of funds in favour of District Magistrates of 24 Parganas (North), Hooghly and Purba Medinipur for construction of IHHL in the Municipal Towns in the Districts

Kindly refer to this Office Memo No. SUDA-37/2015/Pt. 1/1708 dated 10.12.2015 in connection with modalities of construction of 2,67,600 Individual Household Latrines (IHHL) which is the target for the year 2015-16.

Out of the said 2,67,600 nos., the number of units to be covered in the three prioritized Districts viz. 24 Parganas (North), Hooghly and Purba Medinipur are as follows:

24 Parganas (North)	97,184 *
Hooghly	33,902 #
Purba Medinipur	7470 *
Total	1,38,556

Now, in this Office Memo quoted above, the MA Department was requested to move the Finance Department to agree to provide the necessary additional State Share and to place 50% of the required amount i.e. 50% of Rs. 71.09 Crore at the disposal of MA Department.

As the construction of IHHL in the Municipal Towns in these three Districts aims at declaration of these Districts Open Defecation Free in convergence with Mission 'Nirmal Bangla' which takes care of the rural areas, the matter may be considered with overriding priority. In view of this, in anticipation of obtaining concurrence of Finance Department to the provision and release of the additional State share, it is proposed that 50% of the Central share i.e. 50% of Rs. 4000/- per unit and 50% of the matching State Share i.e. 50% of Rs. 1333/- per unit for the targeted no. of units as stated above may be released in favour of the respective District Magistrates. The District Magistrates may also be intimated that the model plan for the latrine unit as prepared by ME Directorate at an estimated cost of Rs. 10,990 may be adopted and that the implementation may be undertaken under the overall coordination of the District Magistrates and the respective ULBs and that the work may be executed preferably through sanitary mart or such selfhelp groups as was done in the case of Nadia or through the ULBs or otherwise as to be decided by respective District Administration.

The District Magistrates may also be informed that the progress of construction of IHHL starting from applications by the beneficiaries to completion of the units are required to be uploaded in the Govt. of India's portal under SBM. The uploading may be done by CSC e-Governance Services India Ltd. (a special purpose vehicle company constituted by Dept. of Information Technology, Govt. of India and entrusted to look after the CSC scheme across the country) or by the respective ULBs.

The District Administrations will also be required to identify the households where there is no suitable space for construction of IHHL. On receiving a feedback from the Districts proposals for construction of Community Toilets in close proximity of the identified households will be prepared and submitted to the MA Dept. for reference to Finance Department for the required additional State share. Simultaneously the concerned ULBs will be required to identify suitable lands for construction of Community Toilets.

✓ Copy placed in file.

* break up placed in file

NOTE SHEET

The District Magistrates may also be advised that the following fund sharing pattern may be adopted in implementation of the program:

GOI share	:	Rs. 4000
Matching State share	:	Rs. 1333
ULB contribution	:	Rs. 2000
Beneficiary's contribution	:	Rs. 1000
Additional State share	:	Rs. 2657
Total		Rs. 10,990

Commitments from the ULBs should be obtained by the District Magistrates regarding payment of ULBs share and beneficiary's share.

The following amounts are proposed to be released in favour of the District Magistrates from Central share and matching State share under SBM available with SUDA.

Rs Lakhs

Sl. No.	District	Central Share	State Share	Total
1	24 Parganas (North)	1943.68	647.73	2591.41
2	Hooghly	678.04	225.95	903.99
3	Purba Medinipur	149.40	49.78	199.18
	Grand Total	2771.12	923.46	3694.58

The proposal may also be ratified later on in the Apex Committee of Mission Nirmal Bangla/Swachh Bharat Mission.

If approved, the file may be sent to Hon'ble MIC, MA & UD Departments for his kind approval prior to release of fund.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

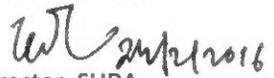

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Yours faithfully,

Director, SUDA

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

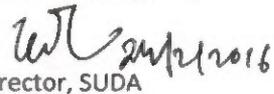

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

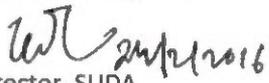

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

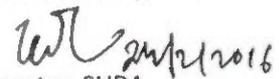

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

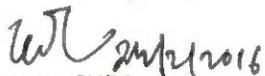

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

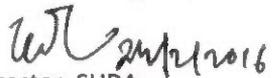

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.

Sub: Release of funds for Capacity Building activities under Swachh Bharat Mission

Madam/Sir,

You are perhaps aware that Capacity Building activities under Swachh Bharat Mission is an important component under the program to ensure sustainability of the benefits accrued to the community from the physical infrastructure created under the Mission. Funds have been and are being released for field level components of the program like Individual Household Latrines, Solid Waste Management (provision of compactors) etc.

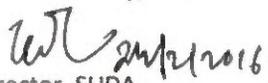

Funds are now being released to all Urban Local Bodies as per statement enclosed for Capacity Building activities under SBM. The admissible activities under the component Capacity Building include the following:

- ULB level workshops for sensitizing the community towards Swachh Bharat Mission
- Ward level briefing meetings for sensitizing the community
- School Children Awareness Program in all schools within the jurisdiction of the ULB.
- Focus group sensitization events for community led Total Sanitation Campaign (TSC) to cover youth clubs and women's group including self-help group.
- Focus group sensitization program on SBM surveillance with senior citizens.
- Technology sensitization programs for Municipal Engineers and Sanitary Inspectors for adoption of newer models of toilets with low water requirement.
- Sensitization programs for Municipal Engineers and Sanitary Inspectors on Septage Management and conversion of insanitary latrines to pour flush sanitary ones.
- Training program of local masons for construction of two-pit individual latrines.

You are requested to kindly take up appropriate activities in your town with the funds released under Capacity Building and send periodic reports to this Office and also to Government of India (by uploading in their portal) periodically.

Utilization Certificates in respect of funds released under Capacity Building may kindly be forwarded to this Office in due course.
