Sub: Proposal for transfer of one 14 cum Movable Compactor from Jhalda Municipality to Purulia Municipality

It may kindly be recalled that Purulia Municipality had requested to provide one 14 cum Movable Compactor for better and hygienic transportation of Solid Wastes in their city. Considering that as per direction of UD & MA Department, SUDA had placed an order to M/s HYVA for providing one 14 cum Movable Compactor to Purulia Municipality as per the rate approved vide work order no. SUDA-217/2015/98 dated 18.01.2016. But M/s HYVA replied that due to change of specification of latest compactor model and subsequently increase of price, they are unable to supply the Movable Compactor.

It may kindly be recalled that the Chairman, Jhalda Municipality vide no. 497/J.M dated 28.11.2016 (placed at CP-1) informed that due to adverse geographical location and narrow road they are not being able to operate the large size 14 cum Movable Compactor. For this he has requested to provide them one small 8 cum Movable Compactor and 6 no. Hydraulic Tipper in place of the already supplied large size 14 cum Movable Compactor. It came to our notice that after supply of this compactor to Jhalda Municipality on 05.05.2016, it has not been operated.

Now it is being proposed that the 14 cum Movable Compactor of Jhalda Municipality may be shifted to Purulia Municipality and the required fund i.e. Rs. 4534000/- for purchase of 8 cum Movable Compactor and 6 no. Hydraulic Tipper (Battery Operated) may be placed to Jhalda Municipality for procurement. The details of the fund requirement is placed below. The ~~revised~~ estimate including specification of 8 cum Movable Compactor and Hydraulic Tipper (Battery Operated) is placed at CP-2 to CP-10.
