2. Sri. Santanu Mukherjee, WBCS (Exec.), Jt. Secretary, UD & MA Department, Govt. of West Bengal and Additional State Mission Director, SBM(U)
3. Prof. Dr. Arunabha Majumder, Ex. Professor, All India Institute of Hygiene & Public Health (AIIPH) and Emeritus Professor, Jadavpur University
4. Dr. Tapas Kumar Gupta, Chief Engineer, Waste Management Cell, West Bengal Pollution Control Board (WBPCB)
5. Sri. Kalyan Roy Chowdhury, Addl. Chief Engineer (South), Municipal Engineering Directorate
6. Sri. Bijay Krishna Pal, Executive Engineer (Civil), Solid Waste Management Cell, SUDA

Others present in the Meeting:

1. Dr. SujayMitra, Chief Manager – Planning & Monitoring, SUDA
2. Sri. DipakNaskar, Executive Engineer (Civil), SUDA
3. Sri. Chandan Das, Assistant Engineer (C), Solid Waste Management Cell, SUDA

The Director, State Urban Development Agency (SUDA) chaired the meeting. All the members & participants present in the meeting were welcomed.

The discussions in the meeting focused on :

- i) Finalisation of the Terms of References (ToRs) in connection with the Request for Proposal (RfP) to be floated for engagement of shortlisted Micro-Planning Organizations at ULB level for preparation of city specific plan on solid waste management keeping conformity with the Solid Waste Management Rules, 2016. and ii) Finalisation of specifications of different vehicles and equipment to be provided to ULBs for collection and transportation of waste.

Draft RfP to be floated and specification of the vehicles to be procured were placed before the members of the committee for scrutiny and analysis. After detailed discussion amongst the committee members, the following decisions were taken:

- For engagement of planner priority should be given to the i) model towns/cities, ii) Ganga towns and iii) towns located beside the polluted river stretches in the State. However financial rate would be obtained for all towns/cities through this RfP.
- Geographical location wise RfP would be floated for 4 zones. For each zone ward wise rate would be obtained.
- The scope of work in the present RfP would include city specific feasibility study, preparation of DPR, planning on IEC activities and execution of capacity building & training for different stake holders.

- A two year time line could be fixed against deliverables adopted in the scope of work. This time period is essentially needed for gradual and sustainable implementation of the work at the field level.
- It was primarily decided to go for procurement of only Tri-cycle van (with 8 nos. 40 Ltrs. Bins) and Battery Operated Tippers (3 wheelers with battery assisted hydraulic tipping compartmentalized covered container arrangement, as per Ministry of Road, Transport and Highways Notification G.S.R. 709 (E) and should be ARAI or ICAT approved) for door to door collection of waste at source for the smaller towns or for densely populated areas as these vehicles could comfortably move in the narrow lanes, brick roads or congested areas in the towns.
- In planned cities small fuel operated tippers (Compartmentalized and covered with a minm. Gross volume of 3.2m³ and should be ARAI or ICAT approved) could be provided for collection of waste at door steps or it could be used at secondary collection points in various towns/cities.
- In addition to this, only Back-hoe Loaders would be provided to ULBs for using it only at Processing Plant and Engineered Landfill sites.
- For all these vehicles, it was decided to get the specifications vetted from the Transport Department of the Government of West Bengal, before initiation of bidding process on the Government e-Marketplace.

The meeting ended with thanks to and from the chair.

Sub : Request for providing 04(Four) Nos. Tractor 275 DI & 52 HP capacity , 04(Four) Nos. Tractor HP 15 , and 4 Nos. Small Compactor, and 225 Nos. Use me PVC Bin.

Sir,

I would like to draw your kind attention to the fact that being Murshidabad is a heritage place and Hazarduari Place or the Place with a thousand door is the chief tourist attraction of Murshidabad and also Prakriti Tirtha, Motijhil is another famous tourist attraction, more or less 15 lakhs tourist including foreigner used to visit Murshidabad per year . At present population of this Municipality is 55 thousand (Approx) and to maintain the conservancy services we have only two tractor. We have to face many allegations from the public regarding collection of Solid Waste.

In view the above the undersigned request your honour for providing 04(Four) Nos. Tractor 275 DI & 52 HP capacity , 04(Four) Nos. Tractor HP 15 , and 4 Nos. Small Compactor, and 225 Nos. Use me PVC Bin in favour Murshidabad Municipality.

Your appreciable initiative will be supportive for the people, by the people and of the people.

Thanking you,

Sub:- Proposal through a requisition for some Conservancy equipments to strengthen Conservancy services to Kandi Municipality.

Sir/Madam,

I would like to inform you that since inception of its establishment, this municipality is delivering its all out efforts in all developmental aspects. This municipality has 18 nos Wards at present and is now populated over 60,000 people which virtually are increasing demand of services proportionately from the public. Conservancy service of this establishment is also one of the prime services which are not being smooth at present to the public with the available machineries and equipments, especially with the available numbers of tractors and Water tankers. Moreover, due to increasing population, daily waste is more generated than before which is being insufficient with the present tractors for its disposal. At this situation, we do think that to strengthen Conservancy services in this municipality, some Tractors and Water Tankers are immediately needed to cope up the situation.

In this context, we will be highly obliged to you, if you kindly provide us at least 04 nos Tractors and 10 nos steel made Water Tankers with capacity of 2000lt each.

Your kind consideration is solicited.

Thanking You,

Yours faithfully,

Subject: - List of equipments proposed to be procured for implementation of Solid Waste Management Project.

We have studied the DPR on Solid Waste Management prepared by KMDA / MED sent to us. As directed, our representatives from Health / Conservancy Department have visited Uttarpara Municipality to gather 1st hand experience, on that basis we have re-organized our total 34 wards according to the facilities available to us for transportation of waste. Now in order to implement the total project as per the DPR, marked for Baranagar, table 18/ 18A/18B & 16B, the following equipments are to be purchased.

Sl. No.	Vehicle	Quantity	Rate (approx)	Total (approx)
1	Tractor	12	Rs. 8.05/- Lakh	Rs. 96,60,000/-
2	Cycle Van	300	Rs. 20,000/-	Rs. 60,00,000/-
3	Bins to be mounted on Cycle Van	2400	Rs. 650/-	Rs. 15,60,000/-
4	TATA-Ace	40	Rs. 4.00/- Lakh	Rs.1,60,00000/-
5	Tailor	100	Rs. 65,000/-	Rs. 65,00,000/-
6	Mics i.e. Fabrication, IEC etc.	-	-	Rs.1,65,80,000/-
GRAND TOTAL				Rs. 5,00,00,000/-

As you are aware, being a small Municipality, it is not possible for us to arrange so big a fund for the purpose. Under these circumstances, now if the fund may please be made available to us, we may comfortably arrange to implement the total DPR in question.

Thanking you

তারিখ, তামলুক

Dated, Tamluk, The 15.5.2017

Sub: Sanction of fund for purchasing two Mahindra Diesel Tractors, one Cesspool and one Hydraulic Trailer for Conservancy Deptt. of Tamralipta Municipality.

Sir,

I would like to inform you that this municipality has four vehicles out of which two vehicles (i) 407 mini truck of 35 years old and (ii) Escort Tractor of 40 years old and one Cesspool of thirty years old are now in dilapidated condition and the conservancy deptt. of this municipality is suffering too much to carry the garbage's of the town from vat to trenching ground and to provide the service of the cesspool to the people of this town. As such the municipality requires one Tractor with Hydraulic Trailer and one Tractor with Cesspool, for smooth functioning of the Conservancy Deptt. of this municipality.

As per quotation of authorized dealer of Mahindra Automobiles, B.S. Tractors Pvt. Ltd., amounting Rs.- 19,60,089.00 (Rupees nineteen lakh sixty thousand eighty nine) only is required for purchasing two JIVO 240 Diesel Tractor, one Hydraulic Trailer and one Cesspool for this municipality.

I am therefore request you kindly to sanction the said amount for the purpose for better conservancy service to the people of this municipality as early as possible.

Thanking you,

Sri B.N. Ker, Addl Director, 214US
and AMD, Mission Nirmal Bangla
