Sub :: Supply of small Compactor (8 CUM -COMPACTOR), TIPPER, and DUMPER.

Respected Sir,

With due respect this is for your kind information that a few roads and path of the Municipality is narrow, so it is not possible to enter the Compactor Machine to clean and carry the solid waste and garbage to the dumping ground.

So, you are requested to supply another small Compactor (8 CUM -COMPACTOR), 3 pieces TIPPER, and 2pieces DUMPER to clear the solid waste from slum area of the Municipality and deposited to the dumping ground.

Thanking you.

Sub: Requirement of One number of Compactor (8 cubic mt) & Six number of Hydraulic Tipper

Sir,

This is to bring your kind attention to the fact that, a movable Compactor with 14 cubic meter capacity was placed to Jhalda Municipality for removal of garbage at jurisdiction of Jhalda municipality. It is to be mentioned here that, it was commissioned in the Month of May, 2016.

Considering the geographical location and due to narrow road of Jhalda Municipality, we are unable to operate the said heavy compactor in connection with waste disposal of Jhalda Municipality.

In view of the above, I would request you to kindly arrange One number of 8 cubic meter Compactor to collect the waste from main roads and 6 numbers of hydraulic tipper to collect waste from narrower roads inside the municipal area for proper disposal of garbage and smooth execution.

Thanking you

**Sub :- Prayer for 16 number of "Tipper (Mini Compactor)" Machine
for Sainthia Municipality.**

Sir,

It is learnt from reliable source that our neighbouring Municipalities in the District of Birbhum have applied for "Tipper (Mini Compactor)" Machine for their Municipalities. Now, we are in urgent need of 16 (sixteen) Tipper Machines for our 16 Municipal Wards for collection of garbage, litters, wastes, rubbish, debris etc. from localities with narrow lanes where Compactor Machine and other big dumping vehicles have no access due to short space.

Hence, you are requested kindly to allot 16 (sixteen) number of "Tipper (Mini Compactor)" Machines to Sainthia Municipality for collection of garbage etc. from narrow lanes and also for dumping the same into the Compactor Machines for subsequent dumping at the dumping ground.

Sub.- Proposal for providing one Excavator and one Bulldozer, 2 Nos. Mini Compactors and 4 Nos. Tractors with Trailers ((Hydraulic System) for the regular maintenance of existing dumping ground and collection and transportation of wastes in Berhampore Municipal area.

Sir,

I am to bring to your kind attention that Berhampore Municipality is comprised of 28 Wards having population of 1.93 Lakh according to Census'2011. Geographical area of this Municipality is 31.42 Sq Km. Wastes generated per day is 90 M.T. approx. Area of the existing dumping ground is 2.30 Acre and it is overloaded by heaps of wastes in a scattered way. There is no space for dumping the wastes being generated in each day. Even roadside flank beside the dumping ground is filled up by wastes. As a result traffic system of the adjoining road of the dumping ground is being obstructed. There is no passage for entering the loaded vehicle of wastes in the dumping ground. So the dumping ground is required to be maintained regularly in a routine way by way of storing the wastes in one side of the dumping ground and to do the job, all the heaps of wastes spreading all through the dumping ground is required to be pushed and removed and to be dressed to the surface level of the dumping ground regularly in a routine way. The above job will also enable this Municipality to maintain cleanliness of the adjoining area and also to minimise the pollution of the environment of the surrounding areas.

Two nos. large size Compactors have already been provided to this Municipality by the SUDA under SBM and the Compactors are being operated through the derived route chart within the Municipal area in a regular way for which cleanliness of the town is maintained in a more improved way and we are exercising our best efforts to achieve the objectives of the SBM.

Contd..Page-2.

F:\Conservancy_Letter2016

Further more it is noted that many high rising buildings have been constructed within this Municipal town. Population of the town is gradually being increased. Amount of wastes generation is rising up substantially. Tractors and trailers in possession of this Municipality is insufficient than that of actual requirement.

More 2 Nos. Mini Compactors for getting access in to the narrow road and 4 Nos. Tractors with Trailers (Hydraulic System), are in emergent need of this Municipality for collection and transportation of surplus wastes being generated in each day due to growth of population

In order to regular maintenance and optimum utilization of the existing dumping ground and collection & transportation of total generated wastes, this Municipality is in dire need of (1) one Excavator and (2) one Bulldozer (3) two Nos. mini Compactors (4) 4 Nos. Tractors with Trailers (Hydraulic System).

So I earnestly request to your kind honour to consider the acute need of this Municipality and be kind enough for providing the above noted equipments to this Municipality for regular maintenance work of the existing dumping ground and collection & transportation of total generated wastes.

With thanks

Yours faithfully,

Sub: Requisition of two (02) compactors for solid waste management.

Sir,

This is to bring to your kind information that the English Bazar municipality under Malda District consists of 29 wards and the area is 13.25 sq. km with population density 16308 per sq. km. A large quantity of solid waste is accumulated every day, management and disposal of which are being done by this municipality with great difficulty. This is because at present the municipality has only 02(two) compactors which are not sufficient for proper and speedy disposal of the solid waste.

Therefore, the undersigned requests you to kindly arrange for two (02) more compactors at the earliest so that this municipality provides better services to the town people in respect of solid waste management.

garbage from VAT of narrow road and deposit to the
Compactor Vehicle in Garulia Municipality.

Sir,

I would like to inform you that we have received 2 Nos. of Compactor for collection of garbage of different Wards of Garulia Municipality. Further I am to inform you that the Compactors which we received are not able to ply narrow road of the Ward. Perhaps you are aware that most of the roads are narrow of our Municipality. In this situation the Compactors are unable to collect the garbage from the VAT of narrow road.

Under the above circumstances we feel that the Battery operated Dumper will be very helpful to collect the garbage from VAT of narrow road and depositing to the Compactor Vehicle.

In view of the above the undersigned inform you that we have no capacity of fund to procure Battery operated Dumper for collection of garbage from VAT of narrow road of our Municipality. As such, you are requested to look into the matter and sanction of fund for purchasing 21 Nos. Battery operated Dumper i.e. 1 for each Ward at your earliest convenient.

I trust you will do the needful.

Sub :: Supply of a Small Compactor Machine.

Respected Sir,

With due respect this is for your kind information that a few roads and path of the Municipality is narrow, so it is not possible to enter the Compactor Machine to clean and carry the solid waste and garbage to the dumping ground.

So, you are requested to supply another small Compactor Machine to clear the solid waste from slum area of the Municipality and deposited to the dumping ground.

Thanking you.

Yours faithfully

**Sub : Payment for Operation & Maintenance of Moveable Compactor of
Hyva (India) Pvt. Ltd.**

Dear Sir,

Please be informed that we have two moveable compactors, which were delivered and commissioned by Hyva (India) Pvt. Ltd.

We have been operating these compactors from 01/06/2016 onwards and getting Operation and Maintenance support from the above agency.

Please note that recently the agency i.e., Hyva (India) Pvt. Ltd., has submitted their O & M bill of Rs.3.57,112.00. Hence, we request you to please arrange to send us the fund so that we would be in a position to make payment to the agency.

Thanking you,

Yours faithfully,

Sub :- Construction of Stations for accommodation of Stationary Compactors

Ref :- Your letter no.326/2016(18)/1811 dated 20/10/2016

Sir,

This is to inform you that it was decided to construct a station for the Stationary Compactor in Ward no.7. Accordingly tender was floated and work order issued. But due to some unavoidable circumstances the location could not be finalized. Now, the location has been identified and the contractor has been asked to start the work immediately.

The delay so caused is sincerely regretted.

Yours faithfully,

Sir,

At first I like to convey my thanks to you for providing us 2 nos very useful compactor machine.

Now , I would like to say that as this ULB consist of 25 nos wards and solid waste collection time for all ward is same which started from 6 am . So we cannot manage all wards .

So , I would be grateful if you kind enough to provide another 2 nos compactor for this ULB to make this city a clear city .

Your kind cooperation in this regard is highly solicited by this end.

With thanks,

Yours faithfully,

Sub: Regarding construction of stations for Stationary Compactors

Ref: SUDA-326/2015 dated: 23.08.2016 (Copy attached)

Sir,

In reference to your above referred letter I would like to inform you that you have referred to a sum of Rs. 15.00 lakh already released in favour of the municipality as advance for construction of compactor stations and you have also mentioned that a drawing/estimates were also sent to us, but we could not find this out in your record. It will be highly beneficial if you kindly send us details of our account in which the amount was transferred with necessary drawing/estimates.

Hope you will co-operate.

With regard,
Yours faithfully,

বিষয়ঃ- দুটি ছোট কমপেক্টর মেশিন প্রদান

মহাশয়,

আপনার অবগতির জন্য জানানো যাচ্ছে যে, আপনার অফিসের মাধ্যমে চাকদহ পৌরসভায় দুটি কমপেক্টর মেশিন পাঠানো হয়েছে। এজন্য ধন্যবাদ। কিন্তু চাকদহ পৌরসভা এলাকায় পিচের রাস্তা গুলি মাত্র ৮ ফুট থেকে ১০ ফুট পর্যন্ত চওড়া। ফলে আপনার দপ্তর প্রেরিত উক্ত দুটি কমপেক্টর মেশিন পৌর এলাকার রাস্তায় মুভমেন্ট করানো যাচ্ছে না।

সে কারণে চাকদহ পৌরসভার জন্য ছোট দুটি কমপেক্টর মেশিন ও দুটি ট্রাক্টর সরবরাহ করার ব্যবস্থা গ্রহণ করতে আনুরোধ করছি।

আশাকরি, প্রয়োজনীয় ব্যবস্থা গ্রহণ করে সহযোগিতা করবেন।

ধন্যবাদান্তে

Sub. : Prayer for 2 nos. Compactor Station and 1 no. Mobile Compactor Vehicle for Madhyamgram Municipality, North 24 Parganas.

Respected Sir,

I am going to draw your kind attention to the fact that the Municipal areas of Madhyamgram Municipality has been developed with good number of high rise buildings and residential complexes, and therefore the population has been increased considerably. In view of the present situation, two (2) number of compactor Machine are badly needs at Badu Road in Ward No. 4 and Sajirhat in Ward No. 18 of Madhyamgram Municipality. These two compactor Machines can be installed at the land of Madhyamgram Municipality. In addition to this, One (1) No. of Mobile Compactor Vehicle may kindly be arranged for easy clearances of garbages.

I would, therefore, request you to kindly provide us two(2) Compactor Machines at the places mentioned herein and also one (1) mobile compactor vehicle to make the Madhyamgram Municipality area clean and pollution free.

Your active consideration in this regard will be highly appreciated.

With thanks.
