Sub: Technical Training on Online Entry of the Status of Individual Household Latrine (IHHL) in the Portal of Gol under Mission Nirmal Bangla (Urban)

Sir/Madam,

You are aware that the Government of India in their portal has developed a system to enter the Applications for Individual Household Latrine (IHHL), the photographs of the beneficiaries with the constructed latrines and finally entering the completion status of IHHL in two stages (Application Stage and Completion Stage). Government of India has entrusted Common Service Centre (CSC) for this online data entry.

It has been observed that a huge gap is there between the online entry and ground level work. Further some ULBs have reported that due to lack of technical knowledge about the online entry system they are not being able to understand the process and even could not see the entered data online.

Realizing the fact, a Technical Training on online entry of the Status of Individual Household Latrine (IHHL) in the Portal of Government of India has been organized as per schedule placed below:

Sub: Technical Training on Online Entry of the Status of Individual Household Latrine (IHHL) in the Portal of Gol under Swachh Bharat Mission (Urban)

Sir/Madam,

You are aware that the Government of India in their portal has developed a system to enter the Applications for Individual Household Latrine (IHHL), the photographs of the beneficiaries with the constructed latrines and finally entering the completion status of IHHL in two stages (Application Stage and Completion Stage). Government of India has entrusted Citizen Service Centre (CSC) for this online data entry.

Common Reason

It is observed that a huge gap is there between the online entry and ground level work. Further some ULBs have reported that due to lack of technical knowledge about the online entry system they are not being able to understand the process and even could not see the entered data online.

Realizing the fact, a Technical Training on online entry of the Status of Individual Household Latrine (IHHL) in the Portal of Government of India has been organized as per schedule placed below:
